Spiro Agnew:

Spiro Agnew and the Rise of the Republican Right Justin P. Coffey, 2015-10-26 The narrative of Spiro Agnew's rise and fall has never been fully told This compelling book tells the story of one of the most controversial high level politicians of recent American history and explains the importance of Agnew's life and career Too often overlooked by students of modern conservatism Spiro T Agnew's political career mirrored the transformation of the Republicans from a big tent party to a narrower more conservative and ideologically purer one in the 1960s and 1970s Spiro Agnew and the Rise of the Republican Right traces Agnew's life and career and shows how Agnew was a key figure in American politics and documents how a powerful politician who looked to be headed to the presidency ended up having to resign from the office of the vice president in shame and fade into the shadows of political history This political biography examines how Spiro Agnew's ideological transformation from a moderate liberal to a conservative spearheaded the rise of the Republican Right Author Justin P Coffey PhD explores the political social and racial aspects of Agnew's career and how he both influenced and was himself shaped by each of these parameters This book offers an unprecedented study of Agnew's legacy in the present day context providing information suited for any reader interested in history or politics and filling a void in the scholarship of the rise of the conservative movement White Knight Jules Witcover, 1972 **Spiro Agnew's America** Theo Lippman (Jr.), Theo Lippman, 1972 At some point between 1915 and 1920 America became an urban nation and promptly began the process of becoming a suburban one Spiro Agnew's life has paralleled the development of America in the past fifty odd years His social professional and political development all took place in a homogeneous suburb and political subdivision Spiro Agnew's famous instinctive early response to urban disorders was the same as that of his suburban constituency and that instinct if not in fact the response itself is what assured him of a leading role in national political affairs Spiro Agnew is the first suburban politician to rise so high This biography shows how it happened and suggests what it may mean for the nation in the future Where He Stands Spiro T. OC TraditionOCO meaning traditional topics are covered such as suicide mental disorders and physical disabilities addictions and substance abuse and use criminal behaviors and sexual behaviors and differences The book has one chapter devoted to criminal behaviors with emphasis placed on violent and property offenses The term OC stigmaOCO appears in the title for two reasons it is to honor the contributions of Erving Goffman to the study of differences and it is used to accentuate the importance of societal reaction to attitudes behaviors lifestyles and values that are varied and different in a heterogeneous society Nowhere is this more evident than in Chapter 12 OC Societal Reaction and Stigmatization Mental Disorders and Physical Disabilities OCO
