

The background is a Romantic-style landscape painting. It depicts a vast, hazy mountain range under a blue sky. In the foreground, a lush green valley is filled with dense trees and foliage. A small, simple stone chapel with a gabled roof stands on a grassy slope. A stream flows through the valley, and a few small figures of people can be seen in the distance. The overall mood is serene and majestic, emphasizing the grandeur of nature.

Infallibility, Integrity and Obedience John M. Rist,2023-07-27 The doctrinal and structural revolution currently underway in the Roman Catholic Church is alarming for several reasons not least because of the arbitrary nature of its imposition and the absence of resistance it has encountered The reluctance of many to challenge the authority of the pope tied to the increasing personal veneration by the faithful of each successive incumbent of the Holy See is arguably a symptom of unresolved unclarity surrounding the nature of authority in the Church dating back to the First Vatican Council In Infallibility Integrity and Obedience John Rist unflinchingly exposes the developments that have bred this crisis of understanding and the resulting rejection of tradition in the papal agenda over the past hundred and fifty years Reserving particular attention for the Roman Catholic dilemmas political and theological of the 1930s the mid twentieth century debates on reproductive technology and the advent of celebrity autocracy he shows how a misapprehension of the nature and definition of papal infallibility is at the root of the major issues facing the Church today Most importantly he proposes how the conciliar and individual decisions that have led to the current situation might be reversed and how the proper role of the Pope can be reclaimed for the good of the Church
