and the memoirs of Carlo Gozzi It then studies the work that brought the subject of Dalmatia to the attention of the European Enlightenment the travel account of the Paduan philosopher Alberto Fortis which was translated from Italian into English French and German The next two chapters focus on the Dalmatian inland mountain people called the Morlacchi famous as savages throughout Europe in the eighteenth century The Morlacchi are considered first as a concern of Venetian administration and then in relation to the problem of the noble savage anthropologically studied and poetically celebrated The book then describes the meeting of these administrative and philosophical discourses concerning Dalmatia during the final decades of the Venetian Republic It concludes by assessing the legacy of the Venetian Enlightenment for later perspectives on Dalmatia and the South Slavs from Napoleonic Illyria to twentieth century Yugoslavia Agathe Robert Musil,2019-12-17 From the author of A Man without Qualities a novel about spirituality in the modern world Agathe is the sister of Ulrich the restless and elusive man without qualities at the center of Robert Musil's great unfinished novel of the same name For years Agathe and Ulrich have ignored each other but when brother and sister find themselves reunited over the bier of their dead father they are electrified Each is the other's spitting image and Agathe who has just separated from her husband is even more defiant and inquiring than Ulrich Beginning with a series of increasingly intense holy conversations the two gradually enlarge the boundaries of sexuality sensuality identity and understanding in pursuit of a new true form of being that they are seeking to discover Robert Musil's The Man Without Qualities is perhaps the most profoundly exploratory and unsettling masterpiece of twentieth century fiction Agathe or The Forgotten Sister reveals with new clarity a particular dimension of this multidimensional book the dimension that meant the most to Musil himself and that inspired some of his most searching writing The outstanding translator Joel Agee captures the acuity audacity and unsettling poetry of a book that is meant to be nothing short of life changing Shiva Shakti Dr J Naga Madhuri,SGSH PUBLICATIONS,2024-12-24 Description of main Siva Temples in India their architecture significance and its importance Imaginal Memory and the Place of Hiroshima Michael Perlman,1988-07-08 Hiroshima claims a crucial yet neglected place in the psychic terrain of our individual and collective memories Drawing on recent work in depth psychology and Jungian thought this study explores the ancient art of remembering by envisioning places and images that are impressed upon the memory Enthusiastically used by ancient medieval and Renaissance explorers of soul and spirit the art of memory became a profound expression of striving for cultural reform and an end to religious cruelty Imaginal Memory and the Place of Hiroshima shows that images arising from the place of Hiroshima reveal with stark exactitude the psychic situation of our world Specific images are explored that embody unsuspected psychological values beyond their role as reminders of the concrete horror of nuclear war The process of remembering these images deepens into a commemoration of the fundamental powers at work in the psyche powers that are critical to the development of a sustained cultural commitment to peace and to the deepening and revitalizing of contemporary psychological life **Beasts of Ruin** Ayana Gray,2023-08-01 In this much
