

# Splinter Parties

- Splinter parties split away from the major parties.
  - Often centered on a particular candidate who fails to win his or her major party nomination
  - Or arise from a strong disagreement within a major party
    - Dixiecrats formed over disagreement over Civil Rights within the Democratic Party

# Splintered Party

**Alan Axelrod**

## **Splintered Party:**

*The Splintered Party* Dan S. White, 1976 As a study of the greatest middle class party of Imperial Germany The Splintered Party is inevitably in its broadest aspect an inquiry into the weaknesses of liberalism in the Empire of Bismarck and Wilhelm II How did the National Liberals the dominant force in the Reichstag of the 1870s become by 1914 a spent and divided power Professor White explores this question from a new perspective emphasizing regional circumstances as primary agents of the party's decline The resulting portrait underscores the paradox of the National Liberals a party with strength in all areas of the Empire a rarity before 1914 yet a party whose impact was undermined by divisions among its regional branches In The Splintered Party the former Grand Duchy of Hessen serves as a testing ground where the regional foundations of National Liberalism can be exposed As Professor White points out the party's reversals on the Imperial plane after 1878 rejection by Bismarck electoral defeats internal splits not only ended its early primacy in German affairs but also shifted political initiative from Berlin and the Reichstag delegation to the National Liberal branches in the states and provinces which had maintained unity power and alliances with local government in spite of the upheaval above them The consequences of this change become visible through close examination of the political and social structure in Hessen On the regional level a liberalism based on the claim to majority representation by the notables Honoratioren of bourgeois society a creed no longer plausible in national politics remained defensible Through the Heidelberg Declaration of 1884 the National Liberals of the German Southwest attempted to buttress this approach with an economic and social platform and simultaneously to make it the impulse of the national party's revival But they succeeded only in deferring National Liberalism's adjustment to democratic politics and in subordinating their movement to the clash of regional and constituency interests The result was a chronically splintered party Against the backdrop of this main theme White delineates several additional features of the changing political and social scene in Imperial Germany the local power of the notables Bismarck's skills as a political manager the character of agrarian discontent and rural anti-Semitism the steady advance of socialism The uniquely German element in National Liberalism's failure is assessed in a concluding comparison with the development of liberal politics in Britain and Italy

*The Revolution Falters* Patricio Abinales, 2018-05-31 A detailed investigation of the contemporary Philippine Left focusing on the political challenges and dilemmas that confronted activists following the disintegration of the Marcos regime and the reestablishment of electoral democracy under Corazon Aquino The authors focus on such varied topics as peasant politics urban social movements purges and executions and Marxist theory

**The Complete Idiot's Guide to American History** Alan Axelrod, 2002-12-13 Discusses American history from prehistory through 2002 including brief biographical sketches of historical figures and events from popular culture

**Precarious Victory** David P. Conradt, Gerald R. Kleinfeld, Christian S  e, 2005 The 2002 campaign and election was one of the most dramatic in the history of the Federal Republic An unprecedented last minute swing narrowly re-elected the Social Democratic Green government of Chancellor

Schroeder The campaign featured the first ever American style television debate between the two candidates for the chancellorship Foreign policy particularly the refusal of Schroeder to support the Iraq policies of US President George W Bush played an unusually important role In the aftermath of the election the government was faced with a deteriorating economy and the charge of the opposition that it had deliberately mislead voters during the campaign In this volume distinguished experts from both sides of the Atlantic analyse these and other critical issues Their work is based on extensive research in Germany and Washington which included interviews with major political figures and the collection of new campaign and election data Contributors William Patterson E Gene Frankland Clay Clemens Christian S e Gerald R Kleinfeld David Patton Dieter Roth Mary N Hampton Ferdinand Breitbach Irwin Collier Helga Welsh Stephen Szabo *The Canadian General Election of 2000* Christopher Dornan, Jon H. Pammett, 2001-05-01 Many saw it as a gamble for Jean Chretien against the advice of party members he called an early election But the gamble paid off and the Liberal Party cruised to their third straight majority government The Canadian General Election of 2000 is the authoritative study of the campaign and election As with previous volumes in the Canadian General Election series the 2000 edition includes analyses of the campaigns of all five major parties the roles of the print and electronic media including the internet the pre election polls voting behaviour across the country Articles are contributed by some of the most recognizable political writers commentators and pollsters including Edward Greenspon Stephen Clarkson Faron Ellis Alan Whitehorn Peter Woolstencroft Andre Bernard Paul Attallah Mary McGuire Janice Neil Michael Marzolini and Andre Turcotte *US Political Ritual and the Covid Pandemic* Tammy R. Vigil, 2024-12-15 US Political Ritual and the Covid Pandemic The 2020 Democratic and Republican Conventions illustrates the importance of the national nominating convention both as an ongoing custom that speaks to the unique political structure of the nation and as a source of valuable information that goes well beyond the explicit purposes conceptualized by the parties In this book Tammy Vigil specifically interrogates the 2020 nominating programs of the two major U S political parties by exploring the decisions Democratic and Republican leaders made regarding the use of technology inclusion of participants and construction of messaging during a campaign season altered by the Covid 19 pandemic Each party had the opportunity to adapt to the constraints of the moment rethink established practices and present a vision of the nation that would attract and motivate voters Vigil delineates the similarities and differences between the Democratic and Republican conventions and demonstrates how the events presaged many aspects of the general election and transition of power that followed **A Nation of Provincials** Celia Applegate, 2023-11-15 At the center of this pioneering work in modern European history is the German word Heimat the homeland the local place Translations barely penetrate the meaning of the word which has provided the emotional and ideological common ground for a variety of associations and individuals devoted to the cause of local preservation Celia Applegate examines at both the national and regional levels the cultural meaning of Heimat and why it may be pivotal to the troubled and very timely question of German identity The ideas and activities clustered around

Heimat shed new light particularly on problems of modernization. Instead of viewing the Germans as a dangerously anti-modern people, Applegate argues that they used the cultivation of Heimat to ground an abstract nationalism in their attachment to familiar places and to reconcile the modern industrial and urban world with the rural landscapes and customs they admired. Primarily a characteristic of the middle classes, love of Heimat constituted an alternative vision of German unity to the familiar aggressive militaristic one. The Heimat vision of Germany emphasized cultural diversity and defined German identity by its internal members rather than its external enemies. Applegate asks that we re-examine the continuities of German history from the perspective of the local places that made up Germany rather than from that of prominent intellectuals or national policymakers. The local patriotism of Heimat activists emerges as an element of German culture that persisted across the great divides of 1918, 1933, and 1945. She also suggests that this attachment to a particular place is a feature of Europeans in general and is deserving of further attention. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1990. *Reshaping the German Right* Geoff Eley, 1991. Examines the conditions under which a particular right-wing ideology was generated.

**Bismarck** Katharine Lerman, 2014-01-14. How did Bismarck, Germany's greatest nineteenth-century leader, extend and maintain his power? This new profile examines his strengths as statesman and all the facets of his political career. His many direct achievements included the unification of Germany and the expansion of Prussia. In short, he was the architect of Germany's change from cultural region to political nation. In the end, he combined egotism and brilliance exceptionally, yet it was still not enough to save him from dismissal by William II. **Comparative History and Legal Theory** Jeffrey Seitzer, 2001-05-30. It is a commonplace of Schmitt scholarship that the controversial thinker sought to recapture some of the élan of the pre-Weimar state through his advocacy of effectively almost unlimited presidential government. Seitzer demonstrates how Schmitt believed comparative history itself could reinvigorate the ailing German state by subtly altering prevailing understandings of the relation of theory and practice in law and politics. Treating Schmitt's *Constitutional Theory* and *Guardian of the Constitution* as methodologically sophisticated comparative histories, Seitzer turns Schmitt's argument against itself. He shows how Schmitt's comparative histories, when properly executed, support a decentralized solution to the Republic's difficulties, directly contrary to Schmitt's in terms of its purpose and effect. Problem-oriented comparative historical studies of key features of the Weimar system suggest that the dispersion of political power facilitates an institutional dialogue over constitutional principle and practice that better provides for political stability and democratic experimentation. These studies also suggest that linking forms of justification with institutions establishes a productive tension among norms and institutions that is essential to maintaining the viability of constitutional democracy both in the

short and long term This work will be of considerable value to Schmitt scholars and those interested in German legal and political theory as well as those concerned with broad issues in comparative law and European history and political theory

**Left Liberals, the State, and Popular Politics in Wilhelmine Germany** Alastair Thompson, 2000-11-16 Although often viewed as ineffectual intellectuals or a spent political force Left Liberals had become the third largest party in German politics by 1914 and in the German Revolution of 1918-19 it was Left Liberals who effectively wrote the new Weimar constitution This study based on extensive original research investigates Left Liberals in the locality as well as at the national level with case studies ranging from Kiel to Kattowitz Overturning old notions of German liberalism as the helpless victim of mass mobilization and political polarization it is central to understanding both increasing left liberal influence and support on the eve of the First World War and why liberal values could not be consolidated after 1918 This study has powerful general implications for the history of imperial Germany reassessing the role of political parties public perceptions of politics and the impact and character of the state

**Imperial Germany, 1871-1918** Volker Rolf Berghahn, 2005 A comprehensive history of German society in this period providing a broad survey of its development The volume is thematically organized and designed to give easy access to the major topics and issues of the Bismarkian and Wilhelmine eras The statistical appendix contains a wide range of social economic and political data Written with the English speaking student in mind this book is likely to become a widely used text for this period incorporating as it does twenty years of further research on the German Empire since the appearance of Hans Ulrich Wehler's classic work

Imperial Germany 1850-1918 Edgar Feuchtwanger, 2002-01-04 Imperial Germany focuses on the domestic political developments of the period putting them into context through a balanced guide to the economic and social background culture and foreign policy This important study explores the tensions caused within an empire which was formed through war against the prevailing liberal spirit of the age and poses many questions among them Was the desire to unify Germany the cause of the aggressive foreign policy leading to the First World War To what extent was Bismarck's Second Reich the forerunner of Hitler's Third Did Bismarck's authoritarian rule permanently hinder the political development of Germany Recent debates raised by German scholarship are made accessible to English speaking readers and the book summarises the important controversies and competing interpretations of imperial German history

**Presidents in Retirement** Paul B. Wice, 2009-04-16 Presidents in Retirement Alone and Out of the Office describes and analyzes the behavior of those thirty four former presidents who survived their terms and were faced with deciding how to make the most of their new lives as private citizens Rather than simply present a chronology of presidential behavior the book explores the variety of retirement activities with chapters on partisan politics public service economic pursuits leisurely activities health concerns and relationships with a successor The book's emphasis is on the range of social psychological factors affecting the behavior of ex presidents once they leave the White House What did these once powerful men do to fill many empty hours of retirement Why did they pursue particular avenues of endeavor

and to what degree did these choices provide satisfaction What discernible patterns of behavior can be identified which can be of predictive value in understanding the retirement behavior of future presidents This book offers a unique opportunity to examine the personality and beliefs of our presidents in a relatively pristine setting The reader can observe these former chief executives without having to factor in the influence of advisors and staff Retirement grants a personal freedom to engage in activities and express oneself without great concern with political repercussions Additionally once out of the White House ex presidents are no longer trapped by political crises which are likely to circumscribe their behavior Retirement is therefore a time when a person can express true inner feelings and behave in a manner consistent with these beliefs Freeing them from the dictates of a difficult job retirement offers former presidents the freedom and enjoyment to live their final years in comfort and happiness or under stressful conditions caused by economic or health concerns Although the step down from the presidency may be much greater than the average person's experiences of entering retirement the relative problems and rewards are only of a qualitative difference *Delivering the People's Message* Julia R. Azari, 2014-03-18

Presidents have long invoked electoral mandates to justify the use of executive power In *Delivering the People's Message* Julia R Azari draws on an original dataset of more than 1 500 presidential communications as well as primary documents from six presidential libraries to systematically examine choices made by presidents ranging from Herbert Hoover in 1928 to Barack Obama during his 2008 election Azari argues that Ronald Reagan's election in 1980 marked a shift from the modern presidency formed by Franklin Delano Roosevelt to what she identifies as a more partisan era for the presidency This partisan model is a form of governance in which the president appears to require a popular mandate in order to manage unruly and deeply contrary elements within his own party and succeed in the face of staunch resistance from the opposition party Azari finds that when the presidency enjoys high public esteem and party polarization is low mandate rhetoric is less frequent and employs broad themes By contrast presidents turn to mandate rhetoric when the office loses legitimacy as in the wake of Watergate and Vietnam and during periods of intense polarization In the twenty first century these two factors have converged As a result presidents rely on mandate rhetoric to defend their choices to supporters and critics alike simultaneously creating unrealistic expectations about the electoral promises they will be able to fulfill **Daily Report,**

**Foreign Radio Broadcasts** United States. Central Intelligence Agency, 1961 **Ripples Of Hope** Joshua

Gottheimer, 2009-04-21 *Ripples of Hope* brings together the most influential and important civil rights speeches from the entire range of American history from the colonial period to the present Gathered from the great speeches of the civil rights movement of African Americans Asian Americans gays Hispanic Americans and women *Ripples of Hope* includes voices as diverse as Sister Souljah Spark Matsui and Harvey Milk which taken as a whole constitute a unique chronicle of the modern civil rights movement Featuring a foreword by President Bill Clinton and an afterword by Mary Frances Berry this collection represents not just a historical first but also an indispensable resource for readers searching for an alternative history of

American rhetoric Edited and with an introduction by former Clinton speechwriter Josh Gottheimer the stirring speeches that make up this volume provide an important perspective on our nation s development and will inform the future debate on civil rights

*Desperate Passage* Ethan Rarick,2008-02-04 Drawing on fresh archaeological evidence recent research on topics ranging from survival rates to snowfall totals and heartbreaking letters and diaries made public by descendants a century and a half after the tragedy Ethan Rarick offers an intimate portrait of the Donner party and their unimaginable ordeal a mother who must divide her family a little girl who shines with courage a devoted wife who refuses to abandon her husband a man who risks his life merely to keep his word But Rarick resists both the gruesomely sensationalist accounts of the Donner party as well as later attempts to turn the survivors into archetypal pioneer heroes The Donner Party Rarick writes is a story of hard decisions that were neither heroic nor villainous Often the emigrants displayed a more realistic and typically human mixture of generosity and selfishness an alloy born of necessity

The State, the Nation, and the Jews Marcel Stoetzler,2008 The State the Nation and the Jews is a study of Germany s late nineteenth century antisemitism dispute and of the liberal tradition that engendered it The Berlin Antisemitism Dispute began in 1879 when a leading German liberal Heinrich von Treitschke wrote an article supporting anti Jewish activities that seemed at the time to gel into an antisemitic movement Treitschke s comments immediately provoked a debate within the German intellectual community Responses from supporters and critics alike argued the relevance meaning and origins of this new antisemitism Ultimately the Disput

## **Splintered Party Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Splintered Party has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Splintered Party has opened up a world of possibilities. Downloading Splintered Party provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Splintered Party has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Splintered Party. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Splintered Party. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Splintered Party, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Splintered Party has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
