Baker,Carla Schlarb,Frederic Sirasky,1989 *Three Jewish Plays* David Mamet,1987 *Splitsville USA* Christopher F. Zurn,2023-05-31 Splitsville USA argues that it s time for us to break up to save representative democracy proposing a mutually negotiated peaceful dissolution of the current United States into several new nations Zurn begins by

examining the United States democratic predicament a road most likely headed for electoral authoritarianism with distinct possibilities of ungovernability and violent civil strife Unlike others who share this diagnosis Zurn presents a realistic picture of how we can get to reform and what it would involve It is argued that Splitsville represents the most plausible way for American citizens to continue living under a republican form of government Despite recent talk of secession and civil war this book offers the most extensive treatment yet of the issues we need to think through to enable a peacefully negotiated political divorce Splitsville USA is a provocative conversation opener about the problems that have gotten us into our current political pickle and how to get out of it by seizing the reins of our own constitutional destiny The book will appeal to readers of political science American politics history political philosophy and law along with all general readers interested in the future of democracy in the United States

The Supremes Mark Ribowsky,2009 Biographer of Phil Spector He's a Rebel among others Ribowsky takes a dishy insider look at Berry Gordy's making of the Supremes with some nasty swipes at Diana Ross while elevating Flo Ballard as the trio's martyr In his detailed look at how Berry engineered his Motown empire thanks to his smart sisters and a lot of luck and fortuitous pairing of talent Ribowsky

nicely intersperses some hindsight reflections by the main players such as the brothers Brian and Eddie Holland of the legendary songwriting team with Lamont Dozier with comparative accounts by Mary Wilson Ross and others in order to sift the truth from the legend While the author constantly snipes at Ross for her popping eyes and naked ambition it was largely her single minded drive that garnered attention to the trio s early incarnation as the Primettes and her high girl woman singing voice that established the Supremes distinctive sound Moreover Ross s influence on Gordy and his faith in her future solo stardom motivated him to keep pushing the group into the limelight in spite of other girl groups that had a bigger top hit following such as Martha Reeves and the Vandellas In this engaging vivacious account Ribowsky energetically and thoroughly underscores the Supremes significance as one of the first crossover successes July Copyright Reed Business Information a division of Reed Elsevier Inc All rights reserved *Splitsville* Richard Dresser,2006 New York Magazine ,1988-05-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
