Stewards Not Owners Bill Wichterman, Dana Wichterman, 2025-03-11 The book Stewards Not Owners goes beyond beyond the traditional Christian concept of tithing giving 10% of our income to encourage readers to consider a new paradigm that everything our time talents treasures relationships belong to the Lord but they are still ours for us to use with joy and creativity Stewardship is a word we don't hear very often until our church needs to build a new building But does Scripture say more about stewardship than that Is there more to managing our money for God's kingdom

than we realize In *Stewards Not Owners* Dana and Bill Wichterman challenge conventional views on wealth and giving encouraging Christ followers to put all their financial muscles to work for the Lord Rather than focusing on simply giving away 10 percent of their income Dana and Bill challenge readers to activate 100 percent of their wealth and wealth creating potential for kingdom goals The Wichtermans also reveal How to incorporate your faith into your financial decisions Why God calls us to save while cautioning us against hoarding The need for financial openness and transparency in our faith communities How faithful Christians are inadvertently funding companies and initiatives that actively work against biblical values How to creatively use your charitable giving to build Christ centered businesses Strategies for aligning your personal wealth building goals with your heavenly calling to expand God s kingdom Drawing on years of personal research relationships and experience Dana and Bill also share the inspiring stories of twenty four individuals who have fully embraced a lifestyle of radical stewardship Surrendering all your finances to God doesn t have to mean living a dull joyless ascetic life As you ll discover in *Stewards Not Owners* you can enjoy God s financial blessings while still using them to expand His kingdom and lead a life of true abundance and eternal significance

Gum,2022-02-22 One of the great challenges of life is to limit distractions in order to focus on what matters the most Regardless of how much or little we have issues of money threaten to sidetrack us If we have a lot of money we fear losing what we possess We are tempted to put our hope in our wealth instead of God If we don t have so much we stress about not having enough to provide for our families and are often consumed with the desire for more Financial Faithfulness seeks to

change your view of money by showing you how to use it in God's best interest. When it comes to managing money, this question is crucial. What is required from me to be a faithful steward? As you begin to see riches from a biblical perspective, you can experience the financial freedom and peace of mind that everyone desires but few find. Hamilton and Daniell have creatively taught us how to weave together the threads of lineage that create family legacy. They have also clarified the vision of what family leaders look like: who are the master weavers of such threads. This all leads toward teaching us how to create and guide our families and those we serve to seven and more generations of successful, generative and flourishing lives as individuals and as family. We owe their work a deep debt of gratitude and a bow of appreciation. James Jay E. Hughes Jr., Author *Family The Compact Among Generations*. Mark Daniell and Sara Hamilton have written a book that will become a real reference for families wishing to establish a long-term strategy for building an enduring legacy for generations. It contains a wealth of ideas, strategy prescriptions, case histories, and anecdotes that will give the family leader and members of the tribe a true guide to building a system that will endure the test of time. I recommend it to families in Asia and beyond. Dr. Victor K. Fung, Chairman, Li and of the hard and soft issues that families face.
