Beware lest any Man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ. Col. II. 8. [By - Portier.] MAN., 1828 **The Apocalypse Explained According to the Spiritual**

Sense Emanuel Swedenborg, 1892 Why the Earth Must Die Eugene I. Michael-Uhuegbu, 2020-09-10 The book laments how the entire world has increasingly turned to open satanism It shows how and why the Anti Christ spirit in various religious apologies is on the rampage today trying to assert itself on the earth and dominate the entire creation Satan on the other hand with his cohorts is behaving arrogantly in empty loftiness In these pretensions some of these satanic cohorts have unleashed satanic inspired butchery of men and women in the name of religion and in savage acts that are a total expression of the nature of the devil Satan who also is called Lucifer His followers claiming religion and serving God have intensified their fight against Christ and His followers for the world to truly know they are satanic inspired and anti Christ But they are acting out that script which the Lord God Jesus has foretold long time ago and said shall come to be Yeah the earth and the heavens are about to be judged and destroyed and all the people on the entire surface of the earth cannot escape it Though they build homes in the sky though they make cities in the outer space to escape the reach of God He will find them out and bring everyone to His judgment The entire earth and all the worlds and the heavens belong to Him and He has decreed the end of all things Yeah all things ungodly not only on earth but also in the outer space shall perish All the elements must be destroyed
