History as Apocalypse Thomas J. J. Altizer,1985-06-30 History as Apocalypse is a reenactment of the history of the Western consciousness from the Homeric and Biblica revolutions through Finnegans Wake This occurs through a historical literary and theological analysis of the Christian epic tradition While attention is focused primarily upon Dante Milton Blake and Joyce the Classical and Biblical foundations of the Christian epic are explored with the intention of discovering an organic unity in the evolution of the Western consciousness Our primary epics are identified as revolutionary breakthroughs not only as transformations of consciousness but also records of social revolutions The Christian epic is both a consequence and a primary embodiment of the decisive historical revolutions revolutions culminating with the ending of our historical evolution *Two Paths of the Morning Star* Michael Lindstrom,2025-04-03 Two Paths of the Morning Star Jesus vs Lucifer and the Light of God is a bold and illuminating journey into one of the greatest mysteries ever hidden in plain sight Why are both Christ and Lucifer called the Morning Star In this groundbreaking work author and spiritual teacher Michael unveils the ancient esoteric truth behind the Morning Star revealing it not as a title of opposition but of origin Drawing from scripture mysticism and spiritual science this book explores the soul s power of free will the dual paths of light and the cosmic choice between union and separation What if Christ and Lucifer were once the same archetypal light split by the choice to either return to Source or fall into self glorification What if you too carry the Morning Star within Through rich symbolism and powerful scriptural insight Two Paths of the Morning Star guides you beyond fear based religion and into the heart of divine truth It exposes the spiritual war not as a battle out there but as an inner initiation between ego and Spirit pride and

surrender the left hand and right hand path of light This book is not about worshiping darkness it is about exposing it It is not about diminishing Christ it is about understanding His glory more deeply And it is not about duality it is about integration truth and liberation You will discover The hidden meaning of Isaiah 14 and Revelation 22 Why Christ and Lucifer both bear the title Morning Star The symbolic fall of light and its redemption through love The spiritual science of light frequency and divine identity The soul s journey through illusion and back to Oneness This is a book for the seekers the mystics the misfits and the chosen Those ready to remember who they truly are divine light born to choose the path of Love **Power to Reign** Bishop Abdul K.
