The Art of Public Speaking Antony McLoan, 2021-12-04 Public speaking is the act of using spoken words to convey information or a message to an audience. Public speaking is part of public relations and business communication, attaching one's ideas or thoughts for others to understand. It can be anything from a meeting presentation to a press conference speech. This book is a great guide that will help you to overcome your fear of public speaking and open up to the world. The book will help you how to speak better in public and in front of groups, how to apply the principles of persuasion, how to deal with criticism and audience, as well as many useful tips and tricks that can help you turn difficult situations into a positive experience. The key idea of this book is that there are no such things as mistakes or failures when it comes to public speaking. Every mistake can be viewed as a new lesson, something that was learned after committing or saying something wrong in public. Use your mistakes for self-development. Another important idea is that public speaking is not limited only by speech delivery. The book contains ten steps for success in public speaking. This book is meant to help the people who have fear of speaking or their fear of public. The author will help you overcome your fears and open up the world for you. So start reading this book now and gain all the power to build relationships and be noticed. This book contains: **Because Public Speaking Makes Us Anxious Exits from the Comfort Zone**, **The Power of the Right Words Emphasize with the Audience**, **Submit a Project Improves Sales Self Esteem**, **Believe in what We Want to Exposed**, and much more. Public speaking is the act of using spoken words to convey information.
