Growing Up Queer Mary Robertson,2018-11-27 LGBTQ kids reveal what it's like to be young and queer today *Growing Up Queer* explores the changing ways that young people are now becoming LGBT identified in the US Through interviews and three years of ethnographic research at an LGBTQ youth drop in center Mary Robertson focuses on the voices and stories of youths themselves in order to show how young people understand their sexual and gender identities their interest in queer media and the role that family plays in their lives The young people who participated in this research are among the first generation to embrace queer identities as children and adolescents This groundbreaking and timely consideration of queer identity demonstrates how sexual and gender identities are formed through complicated ambivalent processes as opposed to being natural characteristics that one is born with In addition to showing how youth understand their identities *Growing Up Queer* describes how young people navigate queerness within a culture where being gay is the new normal Using Sara Ahmed's concept of queer orientation Robertson argues that being queer is not just about one's sexual and or gender identity but is understood through intersecting identities including race class ability and more By showing how society accepts some kinds of LGBTQ identified people while rejecting others *Growing Up Queer* provides evidence of queerness as a site of social inequality The book moves beyond an oversimplified examination of teenage sexuality and shows through the voices of young people themselves the exciting yet complicated terrain of queer adolescence

Politics of the Oberammergau Passion Play Jan Mohr,Julia Stenzel,2023-04-26 This collection provides a comprehensive overview of the Oberammergau Passion play and its history from the 19th century onwards Specialists in

theatre and performance studies comparative literature theology political studies history and ethnology initiate an interdisciplinary discussion of how Oberammergau has built a trademark from tradition A typological and historical outline of this development is followed by detailed analyses of the blending of spaces temporalities and cultures through which Oberammergau as an institution is stabilized while at the same time remaining open to the dynamics of historical change The authors comprise the formation of a theatrical public sphere literary imaginations and layers of authenticity in modern practices of distributed communication that culminate in the notion of tradition as trademark This collection is analysed from a wide spectrum of cultural historical perspectives ranging from literary studies theatre and performance studies to theology political studies and ethnology
