Stephen Baron

De Regimine Principum (1509)

Translated and edited
by P.J. Mroczkowski

Peter Lang

Stephen Baron De Regimine Principum 1509 Vol 5

Stephen Baron

Stephen Baron De Regimine Principum 1509 Vol 5:

De Regimine Principum Stephen Baron, 1990 This is the first modern edition of a Latin treatise published in London and in Paris between 1509 and 1520 The author once held the title of confessor to Henry VIII of England imaginably the most obstreperous of penitents Stephen Baron a Franciscan living at Cambridge advises Henry VIII on how to be a wise Christian king Using a triadic structure reminiscent of Dante he reviews the vices which beset a prince the virtues he should practise and the burdens which pertain to his exalted office Though rooted in the Scholastic tradition he is touched by the Erasmian elegances of early Tudor humanism The editor provides an introduction an English translation facing the original and an extensive commentary A preface and an epilogue set the work in the context of political thought through parallels with Thomas More

Europa, Wiege des Humanismus und der Reformation Amici Thomas Mori. Internationales Symposium, 1997 Der Band dokumentiert das unter dem Thema Europa Wiege des Humanismus und der Reformation vom 20 bis 27 Mai 1995 im Bildungszentrum Erbacher Hof Mainz veranstaltete 5 Internationale Symposium der Amici Thomae Mori Humanismus und Reformation in kulturgeschichtlicher allgemeiner Perspektive Thomas Morus und der englische Humanismus die Rezeption des Werks insbesondere der Utopia und der Biographie des Thomas Morus bis hin zur unmittelbaren Aktualität standen im Mittelpunkt der engagierten Vorträge und lebhaften Diskussionen Von den mehr als 40 gehaltenen Vorträgen werden hier 28 abgedruckt ein Spiegelbild der persönlichen religiösen und wissenschaftlichen Spannbreite und Offenheit einer kleinen internationalen res publica literarum Der Band enthält Beiträge in deutscher englischer und spanischer Sprache

Henry VIII in History, Historiography, and Literature Uwe Baumann, 1992 If this anthology on the literary appreciation of the life and times of Henry VIII can show how history historiography and the history of literature are woven together as threads in a tapestry if this book can show how varied the sources are from which historical images are fed especially those of significant historical figures then it will have surely fulfilled its purpose

The Politics of Counsel in England and Scotland, 1286-1707 Jacqueline Rose, 2016-12-01 Political advice or counsel was fundamental to theory and practice in medieval and early modern government This book charts continuity and change as counsel both influenced and was affected by warfare British unions and the Reformations as well as how it functioned in important reigns such as those of James III Elizabeth I and Charles I

Moreana, 1992 *Archiv Für Reformationsgeschichte*, 1993

History of Universities Mordechai Feingold, John Watts, 2019 This issue of History of Universities Volume XXXII 1 2 contains the customary mix of learned articles and book reviews which makes this publication such an indispensable tool for the historian of higher education Guest edited by Professor John Watts this volume focuses on the history of Corpus Christi College Oxford Corpus Christi College Oxford was founded in 1517 to advance humanistic learning in the service of God This collection of essays by some of the leading historians of late medieval and early modern England takes the early history of the College as a starting point to explore the intellectual social religious political and

cultural trends of the era of Renaissance and Reformation Ranging from the fifteenth century to the seventeenth and taking in the study of Greek and Hebrew the practices of antiquarianism charity and divine worship the experience of music punishment and the built environment the networks that connected the college to London and the government and the interactions of scholars with royal policy on religion these fifteen essays and three commentaries aim to expose the multiple perspectives from which an early modern college can be viewed and understood The relationship between Renaissance and Reformation and the social and cultural realities that accompanied these familiar concepts form one central theme in the papers the relationship between religious or educational institutions and the state form another Corpus Christi itself emerges as less innovative than its historic reputation as the first collegium trilingue might suggest but it becomes the gateway to a richer appreciation of the overlapping worlds of learning religion and public life in a time of rapid change

International Books in Print ,1997 **The Cumulative Book Index** ,1991 A world list of books in the English language **Richard II Playtexts, Promptbooks and History** Margarida Gandara Rauen,1998 **Goslicius' Ideal Senator and His Cultural Impact Over the Centuries** Teresa Bafuk-Ulewiczowa,2009 A monographic study of Laurentius Grimalius Goslicius political treatise *De Optimo Senatore* first edition Venice 1568 its place in Polish and European cultural legal and constitutional history and an analysis of its English translations The volume presents a detailed examination of the hypothesis put forward in 1904 the *De Optimo Senatore* was Shakespeare's source for the character of Polonius in *Hamlet* and the conjecture of a Polish connection behind the closing of the theatres in 1597 The author has accessed source materials preserved in Poland and hitherto not taken into account in mainstream Shakespeare research facsimile reproductions of original documents attached in an appendix which have enabled her to verify the validity of the claims but also to put forward new explanations for the Polish references in *Hamlet* narrow down the generally accepted interval for the dating of parts of the Q2 version of *Hamlet* and offer a new explanation for the Q1 Q2 problem This book adopts a broad interdisciplinary approach to Renaissance studies focused on one 16th century publication and will be of interest to scholars of translation studies and media research cultural legal and constitutional history and Shakespeareologists It presents Shakespeare and the English theatres as a European cultural phenomenon already in the dramatist's lifetime and suggests that a broader opening up to source materials preserved throughout Europe including non English speaking countries may bring startling new facts to throw light on many of the enigmas concerning Shakespeare and his oeuvre Page 4 of cover
