Sternberg,2009-10 While most former patrons have a favorite story to tell about Goudchaux s Maison Blanche not many know the personal tale behind this beloved institution In We Were Merchants Hans Sternberg provides a captivating account of how his parents Erich and Lea fled from Nazi Germany to the United States embraced their new home and together with their children built Goudchaux s into a Baton Rouge legend that eventually became Goudchaux s Maison Blanche an independent retail force during the golden era of the department store and by 1989 the largest family owned department store in America P 2 of cover **Commercial and Financial Chronicle and Hunt's Merchant's Magazine** ,1869 *Black Gotham* Carla L. Hall,2024-11-26 Art has a lot to answer for So says Sarah Bernhardt in Ronald Harwood s play *After the Lions* Harwood s own career can be summarized by that same quote as well Ronald Harwood s *Tragic Vision* offers the first critical analysis of prolific and award winning British author Ronald Harwood 1934 2020 Though he received an Oscar for *The Pianist* a knighthood and numerous other awards and nominations Harwood worked as a ghostwriter script doctor and veritable unknown for many years As he became successful many critics still misread his works and positioned him as a less fashionable counterpart to his lifelong friend Harold Pinter This study proposes a conceptual framework to approach his and others work based on the genre of tragedy offering a greater appreciation for and understanding of the Harwood canon *Merchants and Ministers* Kevin Schmiesing,2016-12-14 Two of the most influential forces in American history are business and religion *Merchants and Ministers* weaves the two together in a history of the relationship between businesspeople and Christian clergy From fur traders and missionaries who explored the interior of the continent to Gilded

Version (A.D. 1611): Hebrews. The Revelation of St. John Frederic Charles Cook,1881 *The Seventeenth-Century Customs Service Surveyed* William B. Stephens,2016-03-03 In January 1682 William Culliford a loyal and experienced officer in the King s customs service began an extraordinary journey under Treasury orders to investigate the integrity and efficiency of the customs establishments of southwest England and south Wales as part of a drive to maximize the Crown s income from customs duties on which it relied for much of its revenue Starting at Bristol Culliford eventually completed this daunting task in Cornwall over two years later in the spring of 1684 His report on each of the ports he inspected the primary source for this book revealed widespread smuggling and fraud in the context of a customs service both lacking in efficiency and riddled with corruption The book documents the varied frauds and wide ranging abuses uncovered and their facilitation by customs officers only too ready to collude with smugglers dishonest merchants and seamen and to accept bribes to ignore tax evasion It describes too Culliford s assessment of the administrative practices of each port inspected and his judgment on the levels of probity and efficiency of individual officers detailing his recommendations for procedural improvements and the treatment of the corrupt and incompetent and incidentally of those suspected of political and religious dissent Additionally the book presents a body of statistical data on the customs revenue actually collected at individual ports in the 1670s and 1680s and surveys the extent and nature of the maritime trade of the ports Culliford examined It thus not only throws light on the history of the customs service but provides a rare insight into the interactions of economic social and political issues in the later seventeenth century and makes a valuable contribution to the particular histories of the ports and maritime districts visited by this energetic and tenacious investigator *Fraser's Magazine* ,1839
