Cohen, 2011-12-06 Share in the wisdom of the model of leadership tap into your own potential for greatness. Leaders are not simply born; they are molded through life's victories and failures, triumphs and defeats. No one exemplifies this process better than Moses, the most important and celebrated character in the Hebrew Bible. Faced with great internal and external challenges, he was sculpted into a great leader not only by circumstance but also by his own determination and devotion to his people. In this powerful and probing examination of the enduring texts in the biblical tradition, scholar and popular teacher Dr. Norman Cohen examines Moses's journey to leadership and what he can teach you about the vision, action, and skills you need to be a successful leader. Cohen relives Moses's development from lonely shepherd to founder of a nation, emphasizing the salient points you can use to enrich the different leadership roles you are called on to play in your daily life whether it be in business, religion, politics, education, or other arenas. Drawing from Moses's life, you will learn to articulate your expectations of others as a group and as individuals. Empower those around you to lead more responsible, ethical lives.
