impossible At such times the aunt always wrinkled up her pleasant little forehead into a V upside down and trotted off to her kitchen or her buttonholes or whatever was the present task sighing helplessly She tried to be the best that she could always but one couldn't help one's figure especially when one was partly dependent on one's family for support and dressmakers and tailors took so much money It was bad enough to have one stout figure to fit in the family without two and the aunt always felt called upon to have as little dressmaking done as possible in order that Luella's figure might be improved from the slender treasury Clothes do make a big difference she reflected And sometimes when she was all alone in the twilight and there was really nothing that her alert conscience could possibly put her hand to doing for the moment she amused herself by thinking what kind of dress she would buy and who should make it if she should suddenly attain a fortune But this was a harmless amusement inasmuch as she never let it make her discontented with her lot or ruffle her placid brow for an instant But just now she was all of a tremble and the V in her forehead was rapidly becoming a double V She watched Luella's dismayed face with growing alarm
