The Black Swan, 1928 **Doing Nothing** Tom Lutz, 2024-06-04 From the author of *Crying* a witty wide ranging cultural history of our attitudes toward work and getting out of it Couch potatoes goof offs freeloaders good for nothings loafers and loungers ever since the Industrial Revolution when the work ethic as we know it was formed there has been a chorus of slackers ridiculing and lampooning the pretensions of hardworking respectability Reviled by many heroes to others these layabouts stretch and yawn while the rest of society worries and sweats Whenever the world of labor changes in significant ways the pulpits politicians and pedagogues ring with exhortations of the value of work and the slackers answer with a strenuous call of their own To do nothing as Oscar Wilde said is the most difficult thing in the world From Benjamin Franklin's air baths to Jack Kerouac's dharma bums Generation X slackers and beyond anti work ethic proponents have held a central place in modern culture Moving with verve and wit through a series of fascinating case studies that illuminate the changing place of leisure in the American republic *Doing Nothing* revises the way we understand slackers and work itself

The Letters of Gertrude Stein and Carl Van Vechten, 1913-1946 Gertrude Stein, Carl Van Vechten, 2013 This monumental collection of correspondence between Gertrude Stein and critic novelist and photographer Carl Van Vechten provides crucial insight into Stein's life art and artistic milieu as well as Van Vechten's support of major cultural projects such as the Harlem Renaissance From their first meeting in 1913 Stein and Van Vechten formed a unique and powerful relationship and Van Vechten worked vigorously to publish and promote Stein's work Existing biographies of Stein including her own autobiographical writings omit a great deal about her experiences and thought They lack the ordinary detail of what Stein called daily everyday living the immediate concerns objects people and places that were the grist for her writing These letters not only vividly represent those details but also showcase Stein and Van Vechten's private selves as writers Edward Burns's extensive annotations include detailed cross referencing of source materials **Wilde in the Dream Factory** Kate Hext, 2024 *Wilde in the Dream Factory* studies the influence of Oscar Wilde's work on American cinema and culture with close readings of Wilde's works alongside screwball comedies and film noir of the 1930s and 40s **Cinematic Fictions** David Seed, 2012-01-01 The phrase cinematic fiction has now been generally accepted into critical discourse but is usually applied to post war novels This book asks a simple question given their fascination with the new medium of film did American

novelists attempt to apply cinematic methods in their own writings From its very beginnings the cinema has played a special role in defining American culture Covering the period from the 1910s up to the Second World War Cinematic Fictions offers new insights into classics like *The Great Gatsby* and *The Grapes of Wrath* discussing major writers critical writings on film and active participation in film making Cinematic Fictions is also careful not to portray cinema as a single or stable entity Some novelists drew on silent film others looked to the Russian theorists for inspiration and yet others turned to continental film makers rather than to Hollywood Film itself was constantly evolving during the first decades of the twentieth century and the writers discussed here engaged in a kind of dialogue with the new medium selectively pursuing strategies of montage limited point of view and scenic composition towards their different ends Contrasting a diverse range of cinematic and literary movements this will be compulsory reading for scholars of American literature and film
