SPIES WITHOUT CLOAKS

THE KGB'S SUCCESSORS

# Spies Without Cloaks

**Eugene Huskey**

## **Spies Without Cloaks:**

**Spies without Cloaks** Amy Knight, 1997-12-22 This book offers a compelling and comprehensive account of what happened to the KGB when the Soviet Union collapsed and the world's most powerful and dangerous secret police organization was uncloaked As Amy Knight shows the KGB was renamed and reorganized several times after it was officially disbanded in December 1991 but it was not reformed Knight's rich and lively narrative begins with the aborted August 1991 coup led by KGB hard liners and takes us through the summer of 1995 when the Russian parliamentary elections were looming on the horizon The failed coup attempt was a setback for the KGB because it led to demands from Russian democrats for a complete overhaul of the security services As a result the KGB's leaders were fired its staff reduced and its functions dispersed among several agencies Even the elite foreign intelligence service was subjected to budget cuts But President Yeltsin was reluctant to press on with reforms of the security services because he needed their support in his struggle against mounting political opposition Indeed by the spring of 1995 the security services had regained much of what they had lost in the wake of the August coup Some observers were even saying that they had acquired more power and influence than the old KGB This story told by one of the foremost experts on the Soviet Russian security services and enriched by face to face interviews with security professionals in Moscow is crucial to understanding Russian politics in transition It will fascinate scholars policymakers and general readers interested in the fate of the KGB

**Spies Without Cloaks** Amy Knight, 1996-01-01 A researcher in Russian political history Amy Knight offers a compelling and comprehensive account of what happened to the KGB when the Soviet Union collapsed and the world's most powerful and dangerous secret police organization was uncloaked Knight shows that although reorganized and renamed several times since its disbandment in 1991 the organization still is alive and well with more power than ever

**The Russian Military Resurgence** René De La Pedraja, 2018-11-21 The transition from the Soviet to the post 1991 Russian military is a fascinating story of decline and reinvention The Soviet army suffered a slow demise dissolving in 2000 and only gradually reforming based on radically different principles The First Chechnya War 1994 1996 was the lowest point for the Soviet military but the Second Chechnya War 1999 2004 saw the initial stirrings of the new Russian army The Five Day War with Georgia in August 2008 was its first major success and marked Russia's return to world power status Lively accounts and maps describe the actions of these wars along with the Crimea operation of 2014 the separatist struggles in eastern Ukraine and the ongoing Russian intervention in Syria

Russian civil-military relations and the origins of the second Chechen war Szászdi, Lajos F., 2008-08-29 This book has relevance for those interested in understanding Russia's course in international relations under the leadership of Vladimir Putin This book will inform the reader and is especially relevant in light of the events of 2008 in the Caucasus and the war in Georgia in particular The author explains the ideology of Neo Eurasianism which in turn inspires the policy thinking of the Kremlin Also studied is Putin's origins in the KGB from the previous posts of Secretary of the Security Council

and Director of the FSB and his rise to power in the crucial year of 1999 when he became Russian Prime Minister The author highlights the continuing trend of appointing high ranking officers of the Russian intelligence community to senior positions in the government studying this in the context of Russian civil military intelligence relations The author reached the conclusion back in 2003 that the members of Russian intelligence hold the reins of power above the civilian and military elements of the Russian government The author returns to the Kosovo Crisis of 1999 discussing also the motives that led the Kremlin and Putin to invaded Chechnya for a second time in a decade Parallels can be drawn to the 2008 Russian invasion of Georgia and the roots of the Neo Eurasianist ideology that is behind the two invasions are examined This book will help the reader understand Russia s current and future distribution of power in the Caucasus the Balkans and the world at large Moscow s search for a multipolar world and its opposition to U S hegemony *The Struggle to Save the Soviet Economy* Chris Miller,2016-10-13 For half a century the Soviet economy was inefficient but stable In the late 1980s to the surprise of nearly everyone it suddenly collapsed Why did this happen And what role did Soviet leader Mikhail Gorbachev s economic reforms play in the country s dissolution In this groundbreaking study Chris Miller shows that Gorbachev and his allies tried to learn from the great success story of transitions from socialism to capitalism Deng Xiaoping s China Why then were efforts to revitalize Soviet socialism so much less successful than in China Making use of never before studied documents from the Soviet politburo and other archives Miller argues that the difference between the Soviet Union and China and the ultimate cause of the Soviet collapse was not economics but politics The Soviet government was divided by bitter conflict and Gorbachev the ostensible Soviet autocrat was unable to outmaneuver the interest groups that were threatened by his economic reforms Miller s analysis settles long standing debates about the politics and economics of perestroika transforming our understanding of the causes of the Soviet Union s rapid demise Parameters ,1998 **Presidential Power in Russia** Eugene Huskey,2016-09-16 This is the first major assessment of the role of the presidency in Russia s difficult transition from communist rule Huskey analyzes the establishment and functioning of the Russian presidency as an institution and in relation to the other leading institutions of state the government parliament courts and regional authorities Although this is not a biography of the first president Boris Yeltsin his allies and his rivals loom large in the study of a critical phase in the creation of a new Russian political system *Politics and the Russian Army* Brian D. Taylor,2003-06-09 Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army s behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a

common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country s political leadership whether tsar general secretary or president is fundamentally illegitimate

**The Kremlin's Noose** Amy Knight,2024-05-15 In *The Kremlin's Noose* Amy Knight tells the riveting story of Vladimir Putin and the oligarch Boris Berezovsky who forged a relationship in the early years of the Yeltsin era Berezovsky later played a crucial role in Putin s rise to the Russian presidency in March 2000 When Putin began dismantling Boris Yeltsin s democratic reforms Berezovsky came into conflict with the new Russian leader by reproaching him publicly Their relationship quickly disintegrated into a bitter feud played out against the backdrop of billion dollar financial deals Kremlin in fighting and international politics Dubbed the Godfather of the Kremlin by the slain Russian American journalist Paul Klebnikov Berezovsky was a successful businessman and media mogul who had an outsized role in Russia after 1991 Worth a reported 3 billion by 1997 Berezovsky engineered the reelection of Yeltsin as president in 1996 and negotiated an end to the 1995 96 Chechen war Despite his own wealth power and influence once he became Putin s enemy Berezovsky was forced into exile in Britain where he waged a determined campaign to topple Putin Kremlin authorities responded with bogus criminal charges and demanded Berezovsky s extradition Death threats soon followed In March 2013 after losing a British court battle with another Russian oligarch Berezovsky was found dead at his ex wife s mansion outside London Whether he died from suicide or murder remains a mystery *The Kremlin's Noose* sheds crucial new light on the Kremlin s volatile politics under Yeltsin and Putin helping us understand why democracy in Russia failed so badly Knight provides a fascinating narrative of Putin s rise to power and his authoritarian rule told through the prism of his relationship with Russia s once most powerful oligarch Boris Berezovsky

**Rigged** David Shimer,2021-10-05 The definitive history of the covert struggle between Russia and America to influence elections why the threat to American democracy is greater than ever and what we can do about it This is the first book to put the story of Russian interference into a broader context Extraordinary and gripping The New York Times Book Review Russia s interference in the 2016 elections marked only the latest chapter of a hidden and revelatory history In *Rigged* David Shimer tells the sweeping story of covert electoral interference past and present He exposes decades of secret operations by the KGB the CIA and Vladimir Putin s Russia to shape electoral outcomes melding deep historical research with groundbreaking interviews with more than 130 key players from leading officials in both the Trump and Obama administrations to CIA and NSA directors to a former KGB general Throughout history and in 2016 both Russian and American operations achieved their greatest success by influencing the way voters think rather than tampering with actual vote tallies Understanding 2016 as one battle in a much longer war is essential to comprehending the critical threat currently posed to America s electoral sovereignty and how to defend against it Illuminating how the lessons of the past can be used to protect our democracy in the future *Rigged* is an essential book for readers of every political persuasion

**Torture and Democracy** Darius Rejali,2009-06-08 This is the most comprehensive and most

comprehensively chilling study of modern torture yet written Darius Rejali one of the world's leading experts on torture takes the reader from the late nineteenth century to the aftermath of Abu Ghraib from slavery and the electric chair to electro-torture in American inner cities and from French and British colonial prison cells and the Spanish American War to the fields of Vietnam the wars of the Middle East and the new democracies of Latin America and Europe As Rejali traces the development and application of one torture technique after another in these settings he reaches startling conclusions As the twentieth century progressed he argues democracies not only tortured but set the international pace for torture Dictatorships may have tortured more and more indiscriminately but the United States Britain and France pioneered and exported techniques that have become the lingua franca of modern torture methods that leave no marks Under the watchful eyes of reporters and human rights activists low level authorities in the world's oldest democracies were the first to learn that to scar a victim was to advertise iniquity and invite scandal Long before the CIA even existed police and soldiers turned instead to clean techniques such as torture by electricity ice water noise drugs and stress positions As democracy and human rights spread after World War II so too did these methods Rejali makes this troubling case in fluid arresting prose and on the basis of unprecedented research conducted in multiple languages and on several continents begun years before most of us had ever heard of Osama bin Laden or Abu Ghraib The author of a major study of Iranian torture Rejali also tackles the controversial question of whether torture really works answering the new apologists for torture point by point A brave and disturbing book this is the benchmark against which all future studies of modern torture will be measured The Red Flag David Priestland, 2016-05-03 The best and the most accessible one volume history of communism now available A far reaching vividly written account Foreign Affairs In The Red Flag Oxford professor David Priestland tells the epic story of a movement that has taken root in dozens of countries across two hundred years from its birth after the French Revolution to its ideological maturity in nineteenth century Germany to its rise to dominance and subsequent fall in the twentieth century Beginning with the first modern Communists in the age of Robespierre Priestland examines the motives of thinkers and leaders including Marx Engels Lenin Stalin Castro Che Guevara Mao Ho Chi Minh Gorbachev and many others Priestland also shows how Communism in all its varieties appealed to different societies for different reasons in some as a response to inequalities and in others more out of a desire to catch up with the West But paradoxically while destroying one web of inequality Communist leaders were simultaneously weaving another It was this dynamic together with widespread economic failure and an escalating loss of faith in the system that ultimately destroyed Soviet Communism itself At a time when global capitalism is in crisis and powerful new political forces have arisen to confront Western democracy The Red Flag is essential reading if we are to apply the lessons of the past to navigating the future Detailed and scholarly but written in lively prose this is a rich satisfying account of the most successful utopian political movement in history Publishers Weekly starred review

*Encyclopaedia of Contemporary Russian* Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 The

Encyclopedia is an invaluable resource on recent and contemporary Russian culture and history for students teachers and researchers across the disciplines      **Citizens and State Surveillance in Hungary and Romania** Paul Tap,2025-04-30

This book explores the impact of personality traits on people s acceptance of state surveillance used for national security purposes So far state surveillance has been analysed in relation to institutional factors technological infrastructures or specific contexts This book shifts the focus from institutional and systemic characteristics to individual traits It shows the extent to which people s personality traits explain the acceptance of state surveillance The book provides a comparative analysis of Hungary and Romania to outline the differences between two former communist countries The key results illustrate that highly conscientious people those who are active in their communities and the well informed persons accept state surveillance more      **The Perversion Of Knowledge** Dr. Vadim J. Birstein,2009-09-09 During the Soviet years

Russian science was touted as one of the greatest successes of the regime Russian science was considered to be equal if not superior to that of the wealthy western nations The Perversion of Knowledge a history of Soviet science that focuses on its control by the KGB and the Communist Party reveals the dark side of this glittering achievement Based on the author s firsthand experience as a Soviet scientist and drawing on extensive Russian language sources not easily available to the Western reader the book includes shocking new information on biomedical experimentation on humans as well as an examination of the pernicious effects of Trofim Lysenko s pseudo biology Also included are many poignant case histories of those who collaborated and those who managed to resist focusing on the moral choices and consequences The text is accompanied by the author s own translations of key archival materials making this work an essential resource for all those with a serious interest in Russian history      **Europe Today** Ronald Tiersky,Erik Jones,2011-06-10 A fifth edition of this book

is now available This elegantly written and comprehensive book is the only text that combines a unified set of both country case studies with sustained analysis of the European Union The contributors an authoritative group of Americans and Europeans explore the new Europe west and east using intertwining themes of domestic politics European integration and European security In this fourth edition all existing chapters have been thoroughly revised and updated and completely new chapters have been added on France Italy Poland the global economic crisis economic governance law and politics migration and security Cosmopolitan in outlook realistic in analysis this unique text will lead readers toward a coherent view of Europe today      **How Russia Really Works** Alena V. Ledeneva,2006-10-26 Ledeneva explores practices in politics business media and the legal sphere in Russia in the 1990s      **Putin's Kleptocracy** Karen Dawisha,2015-09-22 The raging question in the

world today is who is the real Vladimir Putin and what are his intentions Karen Dawisha s brilliant Putin s Kleptocracy provides an answer describing how Putin got to power the cabal he brought with him the billions they have looted and his plan to restore the Greater Russia Russian scholar Dawisha describes and exposes the origins of Putin s kleptocratic regime She presents extensive new evidence about the Putin circle s use of public positions for personal gain even before Putin

became president in 2000 She documents the establishment of Bank Rossiya now sanctioned by the US the rise of the Ozero cooperative founded by Putin and others who are now subject to visa bans and asset freezes the links between Putin Petromed and Putin s Palace near Sochi and the role of security officials from Putin s KGB days in Leningrad and Dresden many of whom have maintained their contacts with Russian organized crime Putin s Kleptocracy is the result of years of research into the KGB and the various Russian crime syndicates Dawisha s sources include Stasi archives Russian insiders investigative journalists in the US Britain Germany Finland France and Italy and Western officials who served in Moscow Russian journalists wrote part of this story when the Russian media was still free Many of them died for this story and their work has largely been scrubbed from the Internet and even from Russian libraries Dawisha says But some of that work remains

**Pluralism by Default** Lucan Way,2021-05-04 Pluralism by Default will change the way we understand the emergence of democracies and the consolidation of autocracies Chrystia Freeland author of Plutocrats Exploring sources of political contestation in the former Soviet Union and beyond Pluralism by Default proposes that pluralism in new democracies is often grounded less in democratic leadership or emerging civil society and more in the failure of authoritarianism Dynamic competition frequently emerges because autocrats lack the state capacity to steal elections impose censorship or repress opposition In fact the same institutional failures that facilitate political competition may also thwart the development of stable democracy A tour de force brimming with theoretical originality and effective use of in depth case studies It will enrich our understanding of post communist politics and help reshape the way we think about democracy authoritarianism and regime change more broadly M Steven Fish author of Democracy Derailed in Russia The Failure of Open Politics

Transition from Communism in China Edwin A. Winckler,1999 Looks at China s transition in comparison to other transitions from communism going beyond comparisons of whole countries to comparisons of institutional sectors and compares differing theoretical approaches to regime type and regime change Subjects include Leninist adaptability in China and Taiwan military dimensions of regime transition economic crisis and market transition in the 1990s principal agent analysis of fiscal decentralization state birth planning and reconstituting the arts and sciences Annotation copyrighted by Book News Inc Portland OR

### **Spies Without Cloaks Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Spies Without Cloaks has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Spies Without Cloaks has opened up a world of possibilities. Downloading Spies Without Cloaks provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Spies Without Cloaks has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Spies Without Cloaks. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Spies Without Cloaks. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Spies Without Cloaks, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Spies Without Cloaks has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Spies Without Cloaks Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
