Pregnant Bodies,

Fertile Minds Wendy Luttrell, 2014-05-22 Focusing on fifty girls enrolled in a model public school program for pregnant teens Luttrell explores how pregnant girls experience society's view of them and also considers how these girls view themselves and the choices they've made Also includes an 8 page color insert *The Papon Affair* Richard Joseph Golsan, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company Introductory Psychology for Teachers Edward Kellogg Strong, 1922 Emotional Life - Managing Your Feelings to Make the Most of Your Precious Time on Earth Doreen Davy, 2014-03-28 Emotional Life explains how we can harness our own emotional power in order to live happier healthier and more fulfilling lives **Criminal Law, Feminism and Emotions** Latika Vashist, 2025-01-29 This book critically engages criminal law issues relating to sexuality and violence in order to argue that an attention to emotions can produce a more nuanced and more adequate feminist account of legal subjectivity Although the relationship between law and feminism has resulted in a vast body of work the issue of emotions has not been foregrounded in feminist legal scholarship in India Indeed many feminists have argued that reason and not emotion must provide the foundational basis for all laws and legal reforms an argument that has led to a division of the legal and the psychic or the emotional into separate and distinct zones Challenging this separation the book engages a range of recent criminal law cases and legislations in India in order to advocate for a feminine law that embraces its inherent cracks and contradictions Drawing on psychoanalytic theory the book takes up a range of issues surrounding sexuality and violence in order to propose a shift from viewing law as reason to seeing law as the terrain of messy and contradictory emotional continuums where legal subjects are viewed in their psychic dimensions and where law itself is opened up to its own unconscious desires Foregrounding emotions in this way the book argues can offer new insights into the operation of criminal law and new orientations for feminist ways of responding to and engaging with it This book will be of interest to scholars and students working in the areas of criminal law legal feminism and gender studies **Living Large: Mastering Your Power Of Intention (formerly titled Watch Where You Point That Thing)** Lola Jones, 2018-06-15 The followup book to Things Are Going Great In My Absence this book takes you beyond the old paradigm of seeking and working on yourself into what do I want to create now that life is great Lola Jones has created another groundbreaking book that people read over and over and get more each time Child and Adolescent Psychopathology for School Psychology Terry Diamanduros, P.
