

In rows of lush, deep green,
spinach thrives in spring's gleam.
Leaves gather light, tender and mild,
Nature's own verdant child.

Rich in iron, a hearty fare,
In salads tossed with care.
Garden beds where dew drops cling,
Silent growth as robins sing.

Phillips, Robert Phillips, 2006-04-15 Robert Phillips is a prominent member of America's neglected transition generation of poets those born in the late 1930s and early 1940s His work has been included in many anthologies and textbooks He gathers for his seventh full length collection his best poems of the past six years from dramatic monologues to personal lyrics While most are free verse there are also sonnets a villanelle a ballade an abecedarian found poems prose poems haiku and clerihews Divided into three sections *Fire and Obsession* *A Little Light* *Music and Rituals* this new volume reveals Phillips's playfulness and good humor his high intelligence and his musicality Good Poems Various, 2003-08-26 Every day people tune in to *The Writer's Almanac* on public radio and hear Garrison Keillor read them a poem And here for the first time is an anthology of poems from the show chosen by the narrator for their wit their frankness their passion their utter clarity in the face of everything else a person has to deal with at 7 a m The title *Good Poems* comes from common literary parlance For

writers it's enough to refer to somebody having written a good poem. Somebody else can worry about greatness. Mary Oliver's *Wild Geese* is a good poem and so is James Wright's *A Blessing*. Regular people love those poems. People read them aloud at weddings; people send them by e-mail. *Good Poems* includes poems about lovers, children, failure, everyday life, death, and transcendence. It features the work of classic poets such as Emily Dickinson, Walt Whitman, and Robert Frost, as well as the work of contemporary greats such as Howard Nemerov, Charles Bukowski, Donald Hall, Billy Collins, Robert Bly, and Sharon Olds. It's a book of poems for anybody who loves poetry, whether they know it or not.

The Night Guard at the Wilberforce Hotel Daniel Anderson, 2014-04-21 In his third collection of poems, Daniel Anderson ponders and celebrates the images, sounds, and tastes of contemporary life. The poems in *The Night Guard at the Wilberforce Hotel* navigate the evanescent boundaries between the public and the private self. Daniel Anderson's settings are often social but never fail to turn inward, drowning out the chatter of conversation to quietly observe the truths that we simultaneously share and withhold from one another, even as we visit friends, celebrate a young couple's union, or eavesdrop on the conversations of others. These twenty poems include meditations on teaching, hangover, undergraduates, wine tasting among snobs, and engaging the war on terror from the comfort of the suburbs. They are alternately driven by ornamental language that seeks to clarify and crystallize the beauties of our common world and the poet's faith that fellowship ultimately trumps partisanship. Even as they weigh and measure the darkness of the heart and the sometimes rash and stingy movements of the mind, the poems refrain from pronouncing judgment on their characters. As much as they ponder, they also celebrate in exact, careful, and loving terms the haunting and bracing stimuli from which they originate.

Love Poetry Out Loud Robert Alden Rubin, 2007-01-01 Presents a collection of one hundred poems about love, organized into such categories as silly love songs, loves me not and failure to communicate, and includes poems by Shakespeare, Emily Dickinson, and Seamus Heaney.

Ballyhoo Hastings Hensel, 2019-04-02 A poetry collection that grapples with the tragicomic nature of language, memory, love, work, and the performative self. Though at times whimsical and witty, the poems in *Hastings Hensel's Ballyhoo* inhabit the world beyond and between the punchline. In tightly controlled meditations on language's limits and its necessity, as well as on the many forms that humor takes—comedy, laughter, farce, clowning, parody, and more—Hensel navigates fine lines between joy and sadness, jokes and cruelty, reality and illusion, and irony and sincerity. Universal in scope, the 47 poems in *Ballyhoo* are richly idiomatic and evocative. They are also frequently grounded in the southern Atlantic coast, with its particular ecology, characters, history, and myth. The pleasure in reading these poems comes from the original connections Hensel makes between the literary and the gritty: an elegy set in a bait shop, Twelfth Night's Feste delivering a monologue in a bar, a villanelle about a murder on a cruise ship. These intelligent, insightful poems remind us of the frail but important relationships between comedy, memory, and identity. *Ballyhoo* offers a sobering examination of the tragicomic nature of the world.
