The Development of an Iron Age and Roman Settlement Complex at The Park and Bowsings, near Guiting Power, Gloucestershire: Farmstead and Stronghold Alistair

Marshall,2020-07-31 Excavations near Guiting Power in the Cotswolds reveal evidence of occupation until the late 4th century AD a relatively undefended middle Iron Age farmstead was abandoned followed by a mid to later Iron Age ditched enclosure This latter site perhaps became dilapidated with a Romanised farmstead developing over the traditional habitation area *Catalogues of Sales* Sotheby Parke Bernet & Co,1981

A Brief Introduction to Egyptian Coins and Currency Peter Watson,2019-02-04 There are many books that discuss the coins from specific periods of Egyptian history but there are none that consider the coins from the whole of that history This work aims to provide such an account covering the currency from ancient times through the Ptolemaic Roman Byzantine Arabic and Ottoman periods to modern times An important feature of the work is the illustration of a selection of about 150 coins and banknotes that represent the major types throughout that history Adjunct to this selection of these illustrations is a key that provides further numismatic detail about each of the coins in it A difficulty with Egyptian coinage is that it includes inscriptions in many languages Some notes in the key to the coins and in the appendices are provided to give a little help in this In addition to providing a chronological account of the currency the coins and notes are related to aspects of the daily lives of the people of each period and also to some aspects of the development of the state particularly its architecture

Bosworth Richard Mackinder,2022-01-30 An intriguing addition to the history of Bosworth battlefield clearly based on painstaking research and beautifully illustrated throughout Leicestershire Historian The Wars of the Roses came to a bloody climax at the Battle of Bosworth on August 22 1485 In a few hours on a stretch of otherwise unremarkable fields in Leicestershire Richard III Henry Tudor and their Yorkist and Lancastrian supporters clashed This decisive moment in English history ought to be clearly recorded and understood yet controversy has confused our understanding of where and how the battle was fought That is why Richard Mackinder s highly illustrated and personal account of the search for evidence of the battle is such absorbing reading Mackinder shows how archaeological evidence discovered by painstaking work on the ground has put this historic battle into the modern landscape Using the results of the latest research Mackinder takes the reader through each phase of the battle from the camp sites of the opposing armies on the night before through the movements of thousands of men across the battlefield during the fight and the major individual episodes such as the death of the Duke of Norfolk the intervention of Lord Stanley and the death of Richard III At each stage he recounts what happened where it happened and what physical evidence has survived A vivid

impression of the battle emerges from the narrative which is closely linked to the landscape that was fought over on that fateful day The Everything Coin Collecting Book Richard Giedroyc,2006-11-15 Are you one of the 125 million coin collectors in the United States Whether you re a beginner or an avid collector The Everything Coin Collecting Book is your accessible reference for this exciting and profitable hobby Written by a well known numismatic authority this is only authoritative guide written in an approachable style for every reader Read The Everything Coin Collecting Book and you ll learn about Starting and maintaining a collection Coin terminology Grading and authenticating coins Rarity and coin values Covering it all from starting a collection to selling and trading like a pro this is the all in one guide you need to maintain a successful collection and trade for profit **Spink & Son's Monthly Numismatic Circular** ,1971 *Monthly Catalog, United States Public Documents* ,1937
