## **Spirit Man:**

**SPIRITMAN (You Are Existing In Other World)** Parlin Smith, 2018-02-22 The Book SPIRITMAN is an esoteric research by Parlin Smith that proves that a human being is a reflection of a Spirit that exists in the abstract realm homing in the body of a man This spirit has relationship with other realms and it is sensitive to lots of immoral living which could displease it to harbor a man The emptiness of human being without his Spirit man opens his spiritual realm doors to welcoming lots of evil spirits and demons that could convert and render his live into an environment known as Soil spirit The importance of Spirit man ranges from accelerating a man s success peaceful and healthy living Spirit man when balanced smooth and expands the relationship of its physical man with God *The Reality of the Spirit Man* Olusola A.

Areogun, 2012-04-04 Man is a spirit who has a soul and dwells in a body There is the reality of the physical man which most men know some know the reality of the soul in a measure but only a few men have become aware of the reality of the spirit man It is the spirit of man that gets born again filled with the Holy Spirit and through which God wants to contact his children This book deals with a number of issues including training that spirit man the sound mind and dealing with wounded spirits which will enlighten your heart on how to truly operate in the life of God that is in you as a believer in Christ and fulfill your God given dreams in life **The Tripartite Nature of Man, Spirit, Soul, and Body** John Bickford Heard, 1866

**Spiritual Warfare** David Cassady, 2008-07 I remember when I was in the Marine Corps and just prior to going to Viet Nam I was given training to prepare me for what was ahead I was taught who the enemy was and about his weapons and tactics I was also taught the weapons and tactics I would employ against that enemy As Christian soldiers we too must learn who our enemy is and what weapons we are to use against him The less we know about our enemy the better he likes it A lack of knowledge concerning our enemy places him at a tremendous advantage as if being invisible was not enough Warfare provides a profile of the real enemy of mankind his weapons and tactics as well as the weapons we are to use against that enemy Warfare is an attempt to bring light and truth into a world of darkness and deception It is realized that many will be exposed to areas of satanic demonic deception they were heretofore ignorant of Although it is not my intent to cover all aspects of the subject of demonology I do want to cover a wide range of topics I also want to stress that when dealing with this subject many tend to operate at one of two extremes They take this whole thing with a casual somewhat unconcerned attitude or they get into bondage over thinking there is a demon under every rock My intent is to bring as much balance to this subject as I can May the God of all Grace and Mercy give you understanding Knowing The Spirit Eastwood

Anaba, 2012 This is the first book in the series entitled The Spirit The subtitle of this book is Knowing the Spirit In this book and the subsequent ones in the series I will apply John 6 63 to some aspects Jesus victorious life on earth The verse reveals the secret behind Jesus Miracle and the claims He made about His deity In order for the Holy Ghost to play an active role in our lives we must know Him in the same way Jesus knew Him I have a strong feeling in my Spirit that the next few years will

be characterised by conspicuous activities of the Holy Ghost The flesh has dominated believers for a long time and the time for the Spirit to take control is now Believers are largely ignorant of the relationship between Jesus and the Holy Ghost Those who experience the baptism of the Holy Ghost limit His power to just speaking in other tongues and prophesying Knowing the Holy Ghost and understanding His ways of operation help us to benefit from His power and glory *The Mystery of Jesus Christ Revealed* Mark Moonsamy,2013-08-06 Understanding who we are in Christ Jesus **Hafed, prince of Persia: his experiences, being spirit communications received through D. journey of intellectual discovery and personal liberation      Demonic Spirits Have Invaded Human Bodies Donald R. Evans, 2024-07-06 Denying Jesus Christ the Son of the Living God is the greatest mistake the entire world has made in the past and present and will continue to make in the future Without Jesus Christ as Lord and Savior in one's life how can a person live coexisting with spirit beings known as demons wicked spirit persons who have inhabited the earth the entire time mankind has been on earth Yet the world lives as though we don't coexist with spirit beings and to reject or deny the only person whom these spirit beings obey is like living without a cause People the world in general it's imperative to acknowledge that demon spirits have invaded human bodies Demonic forces whom we can't see nor control are in control of multitudes of human lives which have persons in spiritual warfare with invisible demons as enemies in mankind and fighting a battle within themselves and against others like themselves These demons which are also named evil spirits are in human bodies as demon control spirits sometimes called devils as they became dominant spirit forces Demons have been assigned to us in the body of humankind to harm kill and destroy lives by any means Demons have been assigned to our children to possess as their own to harm steal or destroy lives and family livelihood The power of Jesus Christ's name provides protection for all mankind in the spirit realm believers as well as nonbelievers      Leading the Young People with the Word and the Spirit Witness Lee, 2024-03-25 In leading the young people there are two indispensable aspects spiritual knowledge and spiritual life The spiritual content we impart into our young people must be related to both aspects and we should not lean too much toward one or the other we must be balanced According to God's law in the universe everything is balanced Thus in our service with the young brothers and sisters we should keep the principle of being balanced we should give the young people knowledge and life in such a way that these aspects interact with each other      *Your Forces And How To Use Them* Prentice Mulford, This edition contains all essays that Prentice Mulford published before in six different volumes That makes more than seventy valuable and extremely useful writings on how results may be obtained in Art Business and Health through the force of thought and silent power of mind      *Some Important Points of Primitive Christianity* George Bull, 1816 *Achievers Handbook 3.doc* Ikechukwu Joseph,      **Best Kept Secrets of the Gospel of Jesus Christ** Lawrence D. Gardner, 2006-02-28 I had a religion professor at Brigham Young University who often asked What is the best kept secret of The Mormon Church After declaring all answers amiss he would make this statement The best kept secret of The Mormon Church is the Gospel of Jesus Christ Over the years of teaching gospel doctrine I have found his statement to be all too true Despite their best study efforts and the abundance of scriptural resources many members do not understand some fundamental and extremely important doctrines I invite you to feast with me upon the meat of more exalted concepts      **The Spiritual Origins of Eastern Europe and the Future Mysteries of the Holy Grail** Sergei O. Prokofieff, 1993 And however paradoxical it may seem today the Grail mood is in the fullest sense to be found in Russia And the future role that Russia will play in the sixth post Atlantean epoch a task of which I have so often had to speak rests firmly upon this

unconquerable Grail mood in the Russian people Rudolf Steiner Nov 3 1918 Although Eastern Europe has been part of Christian humanity for more than a thousand years its task and spiritual identity remain a mystery the answer to which cannot be found unless we look behind outer historical events to the spiritual meta historical dimensions of history This momentous work breathtaking in its scope and detail represents just such a penetrating esoteric study of Eastern Europe in the light of Rudolf Steiner s spiritual research Prokofieff shows how from the earliest times the future conscience of humanity flowed from hidden mystery centers in Hibernia to the eastern Slavic peoples As a result qualities of compassion patience and willingness for sacrifice developed in their souls creating a truly Christian Grail mood Despite incalculable suffering from the persecutions by the Mogul hordes of the thirteenth century to the Bolshevik experiment of the twentieth century this quality has become an unconquerable force in the depths of their being In illuminating the maya of outer history Prokofieff reveals the forces that have been at work to hinder the progress and future intentions of humankind Those adversarial forces have created a karma of materialism that the eastern Slavic peoples have taken upon themselves out of their exalted willingness for sacrifice Will we be able to use the present opportunity granted by this sacrifice to fulfill the primary purposes of the present cultural epoch Serious study of this book intended for students of spiritual science can lead to a profound awakening to the challenges that face humankind today

What My Pen Thinks Parlin Smith, 2019-12-06 WHAT MY PEN THINKS Volume 1 is a book that contains some selected verses of wise words that can be easily quoted or used as references whenever one needs thinking source s mostly when vast task or assignment lies ahead In this book you will be rewarded with amazingly refined positive reasoning that conquered basic phenomenal streaming around the circling of human challenges and fears probing our domestic involvements This book is also useful in other aspect of social responsibilities that demands our verbal responses that even trigger other active reactions This book promotes and craft around wisdom understanding wealth riches and skill as common ingredients that salt our lifespan to the book of life histories

Repentance Ed Marr, 2004-08 This work is written with a law enforcement officer s investigative mindset and from the perspective of a prisoner I discovered through a survey of Christian bookstores that no books were exclusively on or about repentance but most only touched on the topic The only author who had anything to say about repentance beyond a mere mention was Charles G Finney in Finney s Systematic Theology This 600 page work transformed my thinking and influenced my investigation This book discusses spiritual leadership without bashing any spiritual leader It points out carnality without castigating any particular ministry or denomination Hundreds of illustrations will familiarize the reader with revelations about repentance and carnality These illustrations like parables contain revolutionary truths that are true to Scripture reason and life so that Repentance The Doctrine of God may become one harmonious revelation Warning As you read this book you will encounter deep seated carnality residing within the blackened depths of your soul and it will not want to be exposed But take heart Almighty God will accompany you on this journey for the complete regeneration of your soul

HEALING & DELIVERANCE FROM NEGATIVE EMOTIONS THAT MAKE YOU SICK Hlompho Phamodi, 2018-03-21 In my ministry of deliverance and healing I have dealt a lot with people with various areas of bondages sicknesses oppression and even possession but if there is one area where the Lord keeps leading me into is the area of unresolved emotional issues that seem to be a door for demons to inflict people with sicknesses and bondage I write this book to minister to your soul and emotions to uproot any negative issues from their foundations We are emotional creatures and cannot afford to let our inner life to ruin our lives physically I invite you to open up and allow me to pray with you as we deal one by one with any negative emotions that are making you sick or keeping you bound
