*The Spirit Of Envy*, 2013-09-30 The anointing blessings and success do not only attract friends admirers and allies but enemies as well They invite hostility from envious people who would do anything to disrupt your joy and sense of fulfillment The anointing does not attract harmless and beautiful butterflies but stinging and noisy bees It draws your way the attention of enemies who have the capacity to hurt you like bees It does not attract nice people to decorate you with praise and make you feel good This book is a timely tool in the hands of those who are obedient to God's will and are facing envy and opposition from the people around them Don't be surprised if doing the will of God produces envy in others Everybody will not applaud you for doing the right thing and for producing great results In this season of the Love Revolution you are likely to think that everyone loves you and take things for granted Walking in love but at the same time protecting yourself from the envy of those who seek to destroy you is a balance you must attain **The Holy Spirit of God** Donald W.
