Spirit Song:

Spirit Song Marc Gidal, 2016 This volume explains how a multi faith community in Brazil uses music both to combine and segregate three Afro Brazilian religions Batuque Umbanda and Quimbanda It is a book length study in English about music in Afro Brazilian religions which have synthesized African religions folk Catholicism Amerindian traditions and in some cases European Spiritism *The Spirit and the Song* Chris E. W. Green, Steven Félix-Jäger, 2024-09-16 The Spirit and the Song Pneumatological Reflections on Popular Music explores pertinent pneumatological issues that arise in music It offers three distinct contributions first it asks what if anything music tells listeners about God s Spiritedness Can the experience of music speak to human spiritedness the world s transcendentality or a person s own self transcendence in ways nothing else does or can Second this book explores how the Spirit functions within and even determines culture through music Because music is a profound human expression it can find itself in a rich dialogue with the Spirit Third and finally this book explores the contested status of music in Christian spiritual traditions It deals with music as inspired by the Spirit music as participation in Spiritedness and music as temptation of the flesh As such this book also engages music s placement in Christian spiritual traditions The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music **Traditional Inuit Songs from the Thule Area** Michael Hauser, 2010 Transcriptions and investigations of traditional songs from the Thule Area recorded by Erik Holtved in 1937 and Michael Hauser and Bent Jensen in 1962 Further investigations with music examples of traditional songs from the Uummannaq Upernavik Areas the Baffin Island Areas and the Copper Inuit Areas **Songs of Ethiopia's Tesfaye Gabbiso** Lila W. Balisky, 2018-10-19 Tesfaye Gabbiso prominent Ethiopian soloist began composing song texts and tunes as a young lad in the early 1970s during a period of social and political upheaval in Ethiopia This national ferment strengthened a creative surge among a generation of youth as the Ethiopian revolution 1974 91 was taking hold An explosion of indigenous spiritual songs was one result The indigenous song style was in contrast to the imported and translated European hymnody that had earlier been sung in Ethiopia s evangelical churches Because of his testimony both in life and song Tesfaye was imprisoned for seven years during the revolution during which time he continued to compose and sing Thus his songs reflect suffering endurance and hope in the Babylons Meantime and Zions of life experience The human voice in song rooted in the flow of the missio Dei is perhaps the greatest testimony that may be lived out whether in a prison cell or in the larger complex world A special feature of this book is the inclusion of 104 of Tesfaye s songs Cassettes 1 7 in English translation This study is valuable as a cross cultural textbook offers rich lyrics and embodies a challenge to Christian commitment in the arts *The Way of Song* Shawna Carol, 2003-06-18 Anyone who s gotten so mad they could scream or let out a mellow sigh of relief knows that the voice is a powerful tool for releasing emotions In this beautifully written guide singer and teacher Shawna Carol shows how to harness the power of the voice as a means of self expression and spiritual growth Using her SpiritSong method Carol

encourages you to sing whether or not you have what is commonly considered a good voice Stripping away the mystique fear and perfectionism that so often surround singing she begins with simple breathing exercises and builds to simple toning followed by more complete songs The goal is a feeling of openness connection and freedom that comes from self expression The singing itself can be done with or without words alone or in a group Whether or not you can read music or even carry a tune The Way of Song illuminates a sure path to reconnecting with the joy and the power of singing
