**Will Eisner's The Spirit Archives** Will Eisner, 2000 Collects stories from classic Spirit adventures in which a murdered detective fights crime from beyond the grave      *The Seminole Freedmen* Kevin Mulroy, 2007 Popularly known as Black Seminoles descendants of the Seminole freedmen of Indian Territory are a unique American cultural group Now Kevin Mulroy examines the long history of these people to show that this label denies them their rightful identity To correct misconceptions of the historical relationship between Africans and Seminole Indians he traces the emergence of the group's society from its eighteenth century Florida origins to the present day Freedmen and Seminoles enjoy a partially shared past This book shows that the freedmen's history and culture are unique and entirely their own As the first full length examination of the maroon community in Indian Territory and Oklahoma this book makes a vital contribution to studies of racial identity mixed race societies and African Americans in the West      *Gateway Heritage*, 1988      **Rabbi Leo Baeck** Michael A. Meyer, 2020-11-20 Rabbi educator intellectual and community leader Leo Baeck 1873 1956 was one of the most important Jewish figures of prewar Germany The publication of his 1905 *Das Wesen des Judentums* The Essence of Judaism established him as a major voice for liberal Judaism He served as a chaplain to the German army during the First World War and in the years following resisting the call of political Zionism he expressed his commitment to the belief in a vibrant place for Jews in a new Germany This hope was dashed with the rise of Nazism and from 1933 on and continuing even after his deportation to Theresienstadt he worked tirelessly in his capacity as a leader of the German Jewish community to offer his coreligionists whatever practical intellectual and spiritual support remained possible While others after the war worked to rebuild German Jewish life from the ashes a disillusioned Baeck pronounced the effort misguided and spent the rest of his life in England Yet his name is perhaps best known today from the Leo Baeck Institutes in New York London Berlin and Jerusalem dedicated to the preservation of the cultural heritage of German speaking Jewry Michael A Meyer has written a biography that gives equal consideration to Leo Baeck's place as a courageous community leader and as one of the most significant Jewish religious thinkers of the twentieth century comparable to such better known figures as Martin Buber Franz Rosenzweig and Abraham Joshua Heschel According to Meyer to understand Baeck fully one must probe not only his thought and public activity but also his personality Generally described as gentle and kind he could also be combative when necessary and a streak of puritanism and an outsized veneration for martyrdom ran through his psychological makeup Drawing on a broad variety of sources some coming to light only in recent years but especially turning to Baeck's own writings Meyer presents a complex and nuanced image of one of the most noteworthy personalities in the Jewish history of our age      [The Spirit that Gives Life](#) Joseph Francis Rishel, 1997 Since its foundation in 1878 as the Pittsburgh Catholic College the story of Duquesne University has been a remarkable one Now for the first time in 118 years the complete history of Duquesne has been compiled into this remarkable volume This book has grown out of several years of research and is not just the story of the growth of an urban

Catholic university Indeed this work confirms that Duquesne University's story is much more than that From its humble beginnings when the school provided education for hundreds of immigrants who might not otherwise have had such an opportunity to the post World War II era when Duquesne opened its doors to welcome and educate returning veterans to the 1950s and 1960s when the sports programs recognized the rights and talents of minority players long before most other schools had to the 1970s when Duquesne as it had before trusted in its mission and overcame incredible financial obstacles to not only survive but grow again to the 1990s when Duquesne has emerged as one of the leading Catholic institutions in the nation It is a dramatic story one that will be of interest not only to those affiliated with Duquesne University but to educators academic administrators social and regional historians and all those involved with Catholic higher education **Will**

**Eisner's The Spirit Archives: January 6, 1946 to June 30, 1946** Will Eisner,2000 **The Internment of Aliens in Twentieth Century Britain** David Cesarani,Tony Kushner,2013-02-01 These essays reveal the role of British intelligence in the roundups of European refugees and expose the subversion of democratic safeguards They examine the oppression of internment in general and its specific effect on women as well as the artistic and cultural achievements of internees

**The Global Pontificate of Pius XII** Simon Unger-Alvi,Nina Valbousquet,2024-08-01 In 2020 the Vatican opened its archives for the pontificate of Pius XII 1939-1958 the pope that led the Catholic Church during WWII the Holocaust and the beginning of the Cold War *The Global Pontificate of Pius XII* brings together historians who were among the first to consult the previously unseen Vatican materials These long awaited records allow for an expansion of the current historiography beyond the pope's biography Methodologically the volume works to transcend the rigidity of religious history and engage with new approaches in global transnational and postcolonial history to re introduce questions surrounding religion into modern post war historiography [Union catalog of serials currently received in the libraries of the University of](#)

**Encyclopedia of American Short Films, 1926-1959** Graham Webb, 2020-07-27 Short subject films have a long history in American cinemas These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon a newsreel possibly a serial and a short before launching into the feature film Shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts With the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies After the Second World War and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s      **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R.

Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries      *Light for a Cold Land* Peter Larisey, 1993-01-10 Lawren Stewart Harris artistic career began in the first decade of our century Well known for the nationalist inspired landscapes that he painted between 1908 and 1932 Harris turned resolutely in 1934 to the painting of abstractions He continued to create works that reflected his own modernist and mystical developments until the end of his life Canadians praise Harris landscapes and admire him as a planner of innovative and heroic sounding sketching trips into the North He is also recognized as the chief organizer of the Group of Seven A long list of younger artists he considered creative greatly benefited from Harris encouragement and often generous practical help many of them have been interviewed for this book In the lives of some Canadians Harris still functions as a guru like guide a role he was quite content to take on during his own lifetime because of the spiritual content of his art and aesthetic writings and the example of his optimistic vigorous and apparently untroubled life But Harris was not an untroubled life and *Light for a Cold Land* examines his personal crises and difficulties some of which caused important changes in his art The book also uncovers the painting styles artistic tensions and cultural dynamics of the German milieu in which Harris received his only formal art education His

student years in Berlin profoundly influenced not only his art but also his artistic politics and his philosophy It is ironic that in the art of this most articulate of Canadian nationalist painters there are extensive German influences Light for a Cold Land is the first art historical study of Lawren Harris that attempts to explore his life and all aspects of his career It is based on extensive work in archives libraries public art galleries and private collections in Canada as well as research in Germany and interviews with members of Harris family and many of his friends acquaintances colleagues and critics     **Resources on**
