The crafting of the book was designed to provide practical training for the pastors church leaders or church planters in apologetics homiletics theology and leadership with orality methods of teaching and preaching the Word of God It is my prayer that after a person complete the Stories of Glory An Orality Journey Through the Bible course they will acquire an increased knowledge and understanding of the biblical metanarrative God's covenantal love His faithful commitment to the redemption of His people and His longing for an authentic relationship with each one of us I also hope that they will gain greater confidence to embrace their significance in God's grand story with the ability to think through life situations from a biblical worldview and apply the beauty of God's unconditional love to their lives To God be the glory Amen May the grace of the Lord Jesus Christ and the love of God and the Following Jesus Christ Kate I. Igwe, 2014-01-27 Crowds of fellowship of the Holy Spirit be with you all 2 Cor 13 14 NIV people follow Jesus Christ for different reasons Many follow Him because they want Him to solve their problems They stop following Him once their problems are solved or not solved Only a few follow Him out of genuine love and total surrender to His lordship and salvation Following Jesus Christ is written to groom disciples who will deny themselves take up their cross daily and follow Jesus Christ all the way seek first the kingdom of God and His righteousness develop personal relationship with the Lord and enjoy the ministry of the Holy Spirit thereby living victoriously every day The Person of Melchizedek Daniel Oyegun, 2008-07 In writing the Epistle to the Hebrews the Apostle reckons Melchizedek to be the Immortal Priest of God in heaven a Divine spirit being one who has lived with God from the beginnings of time till date and who will remain His priest forever and not Canaanite king priest as many presume He declares him to be without origin having neither beginning to his days or end to his life and thus still alive to this day as you read this Indeed by scripture he was not created and is the head of the order of Melchizedek his Divine order and heavenly priesthood to which God enjoins Jesus saying to him before all in heaven you are a priest forever in the order of Melchizedek The Person of Melchizedek principally provides the reader with insight regarding the otherwise shrouded identity of Melchizedek the priest Amid all the speculations in the world today regarding Melchizedek this is a shining light giving accurate revelation and truth of God's very own priest Daniel Oyegun is an Entrepreneur and a lay minister of God's word He is called an Apostle of God with the gift of stirring up the Nations in the things that pertain to God he is married and lives in Nigeria with his wife and child Speaking in Tongues Alexander O. Malcolm, Elois Wilform-Malcolm, 2014-01-16 Meditations on Life and LivingBorn Out of Love for God are basic but simple testimonials in story format with Scripture as the catalyst and theme for their birth How many times have you sat alone somewhere just reflecting on the simplicity of lifehow blessed you are from where you came compared to where you are now Author Elois Wilform Malcolm brings these everyday things to life It will seem as though you are right there by her side witnessing what she does in her own mind seeing feeling understanding her point of view as she correlates biblical Scriptures into her reflections and how your understanding of Scripture can be a driving force for you own life Meditations on Life and LivingBorn Out of Love for God will allow you to relive your past reflect on the glory of your present and marvel at your future when you realize the joy happiness contentment and peace of mind you attain through a life with God You will see where you were before salvation understand who you are in your salvation and strive to be even better through salvation You will see how Scriptures are being brought to light through everyday life situations Wait till you read catchy titles such as Throw Down Your Rocks The Fragrance of Christ or Wake Up Everybody You will find excitement in the directions each testimonial meditation will take you Reading these meditation will bring about purpose for studying the Bible which is not to know the Bible but to know God The Bible is not a book of rules but a book of principles which are clearly and simply brought out through these meditations We get to know God through His Word His spirit our experiences and through prayer May you be blessed **Iovful** Journeying with God/joy in Celebrating God's Life 5' 2005 Ed., ACCULTURATED ACQUITTANCE1God's Partial Salvation beyond All or nothing thought 2nd edition, **The Comforter** Sergius Bulgakov, 2004-06-09 Sergius Bulgakov is widely considered to be the twentieth century s foremost Orthodox theologian and his book The Comforter is an utterly comprehensive and profound study of the Holy Spirit Encyclopedic in scope The Comforter explores all aspects of the doctrine of the Holy Spirit as they are viewed in the Orthodox tradition and throughout church history The book has sections on the development of the doctrine of the Spirit in early Christianity and on the development of the doctrine of procession in the patristic and later Byzantine periods It also touches on the place of the Holy Spirit in the Trinity and explores Old and New Testament notions of the Spirit of God A concluding chapter deals with the mystical revelation of the Holy Spirit Made available in English through the work of Boris Jakim today's premier translator of Russian theology and philosophy into English Bulgakov s Comforter in this edition is a major publishing event **Exposing the Secrets of Sin** Abozos Abiodun, 2019-11-30 It is guite alarming and overwhelming the rate at which many even the so called Christians and non Christians of this generation are wallowing in sin in spite of one s decision to let go of sin In fact all effort of prayer fasting and abstinence to keep away from sin seems not to be working One thing however is that once one fails to understand the nature of sin the working power of sin in one s life it will be very difficult to break from it Hence Exposing the Secrets of Sin

is a book that has been written in depth and inspired by the Holy Spirit to expose the secrets of sins and its effects on humans This is because sin has become a yoke sting cankerworm burden and spirit that if one fails to understand its nature activities and effects one might remain in sin forever This book is therefore God's gift to you in all matter relating to sin which has been eating deep into your soul Why not take your time read digest and apply the words of this book to your life and see yourself overcoming the power and spirit of sin in your life Happy reading The Practical Steps to the Deeper Spiritual Life Larry Mehaffey, 2012-01-23 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a mans life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to Romans-Galatians Zondervan, 2011-01-04 Continuing a Gold Medallion Award winning legacy the completely revised God Expositor's Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor's Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and
