Hite,2013-03-27 This is a book of history ethics and philosophy It is a record of teachings passed down through the generations from the East and the West It contains the fullness of the sealed covenant established between man and the laws of the universe As we evolve as a race we take things out of our lives because we better understand who we are and what we have achieved The divine refers to the laws of nature and the universe that guide us in our everyday lives The creator that guides our everyday lives is not something that we should worship or pray to out of fear or love it is something that remains unseen and works in natural forces to explain all the events that happen on Earth It is merely a force and it is not necessary to belong to a group to experience the light The path to the light is straight and broad The creator of the universe is a divine and intellectual force by which all things came into being The sealed covenant is a pact between all of humanity to the world around us and the universal laws that guide our everyday lives to come together and love one another and come to make the world a better place for all people This shall usher in the evolution of religious traditions and humanity to a new age of prosperity      **A true interpretation of the Witch of Endor ... Vande Kappelle,2022-04-21 As the Bible indicates our lives are a construction zone for our bodies are temples of the divine Spirit Formed initially in the image of God human beings lost intimacy with God through corruption rebellion or neglect In response the divine Creator loves us back into relationship providing means of grace to help restore us to wholeness beginning with our body and continuing through our mind soul and spirit As buildings need cleaning maintenance and ongoing care so our inner temple needs spiritual stimulus cleaning and care Rebuilding the Temple is the fourth book in Vande Kappelle s series on spirituality and the arts Books in this series reinforce the essential principle underlying all authentic spirituality Go deep in any one place and you

will meet the infinite aliveness that is God for God is everywhere Whereas earlier books consider the connection of spirituality with creative arts such as poetry film music theater drama dance and modern literature this volume takes readers on a journey through classic Christian literature beginning with the Bible and continuing through inspirational works written by diverse spiritual mentors such as Augustine Dante Luther Calvin Teresa of vila George Fox Blaise Pascal Henri Nouwen A W Tozer John McLaren John Shelby Spong Richard Rohr and Marcus Borg Reading their works reminds us that Christian literature is most practical and inspirational when it takes a narrative approach to theology interpreting the spiritual journey through the ongoing stories of people and communities rather than trying to capture timeless truths analytically or through rational argumentation Like its companion texts Wading on Water Deep Splendor and Deeper Splendor this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection **Spiritual**

**Warfare: Rules of Engagement** Ron Hordyk, 2015-01-14 For though we live in the world we do not wage war as the world does The weapons we fight with are not the weapons of the world On the contrary they have divine power to demolish strongholds 2Cor 10 3 4 Today the church has neglected to teach about the spiritual realm for fear of being judged archaic It has denied a key Scriptural truth that the whole world is under the control of Satan The church has forgotten that angels were created to serve Gods people It has also rejected the authority Christians have as ambassadors of Christ Finally the church has sacrificed its power to impact the world in order to gain credibility with the world People have chosen the religion of science Consequently if science and Scripture disagree even people within the church believe science to be the truth There are three main pillars in science observable repeatable and irrefutable Any scientific fact must fulfill these pillars to be presumed true Since the spiritual realm is invisible and not observable science deems that this realm does not exist When the spiritual realm manifests itself in an event science excuses the anomaly to be something they have yet to understand The Scriptures teach that Christians have overcome sin Satan and the world Through the Holy Spirit we can discern both the spiritual realms presence and its activities We are not called to be demon slayers but we are called to engage the enemy in order to bring freedom and wholeness to people The Bible teaches that a war exists between Satans kingdom and Gods kingdom Every war has Rules of Engagement The purpose of this book is to identify the spiritual realm recognize its methods of operation and ultimately learn the rules that enable us to effectively engage our enemy Satan **Foundations: A**
