**A Scientific Inquiry Into the Nature of God, the Spiritual, and Near Death Experiences** Stephen Blaha, 2002-06  
Who is God What is His nature Is there a scientific approach to understanding God Can we apply modern scientific thinking to God in the same way that theologians apply classical reasoning to God Are there spiritual phenomena Can we rationally analyze them How do we interpret the apparently spiritual nature of Near Death Experiences Can we explain how a blind person undergoing a Near Death Experience sees the operating table with his her mind and can describe the people there afterwards All of these questions are addressed in a clear straightforward way in this well written book A profound book that will appeal to thoughtful readers **Spirit Book Word** J. S. Porter, 2001 Sacred Fire Ronald Rolheiser, 2017-03-14 When one reaches the highest degree of human maturity one has only one question left How can I be helpful TERESA OF VILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow up to the contemporary classic *The Holy Longing* With his trademark acuity wit and thoughtfulness Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity In this new book Rolheiser takes us on a journey through the dark night of the senses and of the spirit Here we experience the full gamut of human life pleasure and fervor disillusionment and boredom But as Rolheiser explains when we embrace the struggle and yearning to know God we can experience too a profound re understanding to our daily lives What lies beyond the essentials the basics Rolheiser writes Where do we go once some of the basic questions in our lives have been answered or at least brought to enough peace that our focus can shift away from ourselves to others Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness Who am I Who loves me How will my life turn out Where do we go once the basic question in life becomes How can I give my life away more purely and more meaningfully How do I live beyond my own heartaches headaches and obsessions so as to help make other peoples lives more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In *Sacred Fire* Rolheiser s deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God *The 'Spiritual Death' of Jesus* William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity **The Greatest Books of Spiritual Wisdom** Martin Luther, John Stuart Mill, David Hume, James Allen, Ralph Waldo Emerson, Andrew Murray, Thomas Paine, Ludwig Feuerbach, G. K. Chesterton, Friedrich Nietzsche, Thomas à Kempis, Leo Tolstoy, Charles Spurgeon, Wallace D. Wattles, Prentice Mulford, St.
