Spirits And Other Stories:

Spirits, and Other Stories Richard Bausch, 1988 Spirits take many forms in these nine powerful stories Richard Bausch has created an enduring work of art Washington Post In the Spirit of Mcphineas Lata, and Other Stories Lauri Kubuitsile, 2012 In many of these stories there is a sense that things are not as they seem a woman's husband to be has a questionable past and a voluptuous stranger's beauty belies her malevolence Characters are shaped by the particular challenges of their context a young pregnant Mosarwa girl is forced to make a terrible decision and the barren wife of a wealthy Gaborone man is made to see an old woman with supposed powers of fertility Atmospheric and evocative these stories will entertain and transport you to the hot dusty heart of Botswana **Kaimu, Hell in a Bottle, The Spirit Drum, and other stories** Kyusaku Yumeno, 2025-01-04 Kaimu A Collection of Disturbing Dreams by Ky saku Yumeno is a compilation of surreal and unsettling short stories each revolving around dream like experiences The collection explores themes of disorientation the supernatural and the surreal with an eerie and reflective tone For example one story describes a diver encountering an eerie presence at the bottom of the sea while another features a pilot taking a plane ride against ominous superstitions A recurring motif throughout the stories is the thin boundary between reality and dream leaving the reader with lingering questions about the nature of consciousness and fate The collection reflects Yumeno's fascination with psychological exploration often delving into irrational fears and strange encounters creating an experience that is both mysterious and thought provoking This collection offers a unique glimpse into Yumeno's dark imagination and is well suited for readers who appreciate eerie dream like narratives with philosophical undertones LOVE OF LIFE AND OTHER STORIES JACK LONDON, 1912 **Anno Dracula 1899 and Other Stories** Kim Newman, 2017-01-24 A brand new collection of chilling stories by master of horror Kim Newman in which Jack the Ripper still stalks the streets Frankenstein's monster rises from the Arctic ice and the terrifying legacy of Dr Jekyll and Mr Hyde haunts fog shrouded London This volume also includes a brand new exclusive Anno Dracula story Yokai Town Anno Dracula 1899 which sets the scene for the forthcoming novel Anno Dracula 1999 Daikaiju *Stories of the Spirit of Justice* Jemar Tisby, 2025-01-07 New York Times bestselling author Jemar Tisby collects the true impactful stories of figures from across history from the well known to those often forgotten who resisted racism and created a legacy of hope and perseverance Each short biography is paired with an illustration to help inspire young readers to continue to work toward justice today We are living in the civil rights movement of our day But the challenges of the present call us to remember the past Throughout American history there has always been a resilient group of people who motivated by their faith resisted oppression and pushed for greater equality and liberty for all From well known figures like Dr Martin Luther King Jr Rosa Parks and Harriet Tubman to those time has nearly forgotten all these people tapped into an abiding spirit of justice to pursue the dignity of all people *Stories of the Spirit of Justice* is the companion book for young readers ages 8-12 to Jemar Tisby's *The Spirit of Justice* and tells the story of the

justice movement through short biographies of the figures who did the work With illustrations depicting the people profiled and practical tips connecting readers to the continued fight for justice this is essential reading for everyone who still dreams of a land where all are truly free Stories of the Spirit of Justice covers the colonial era to the present day includes inspiring takeaways from each person s life and a bibliography for further reading roots each story in the historical moment with descriptions of the state of justice in different eras in American history can be used by families and church or school groups to start meaningful conversations with kids

Eyes of the Mind and Other Stories Chopra Vinita,2019-01-24 The author on the one hand has written simple yet thoughtprovoking stories about minor turbulences in the work life balance of working women and on the other has given a heartrending account of those who had to sacrifice their personal needs and aspirations for the sake of others An empathetic connection with those who are physically challenged has been established in two of the stories Some stories written in the backdrop of the lives of civil servants make an interesting and informative reading Poor girl was swinging in the pendulum of hope and expectations on one end to disappointments and rejections on the other It seemed nobody cared for her feelings She was unable to gauge her own mother s intentions I as an outsider felt that there were some selfish and ulterior motives behind the seemingly genuine failures of the sincere attempts to get her married They do not know how zebra is different from a giraffe They have not seen the hues of nature How green is the green of the leaves and what it is like when the leaves turn yellow in autumn They have not seen the radiance of the rising sun or the glow of the full moon They have not experienced the pleasure of seeing the gigantic mountains or the vast oceans or the meandering clouds

Children's Books that Nurture the Spirit Louise Margaret Granahan,2003 Children develop in so many ways physically intellectually socially and spiritually Story is just one of the ways to foster and support a child s faith development They can find role models in the positive characters in literature and develop empathy for others when they see a different point of view presented Children s Books that Nurture the Spirit is an introduction to quality children s literature for spiritual development The most current and readily available children s literature is reviewed by the author In addition Granahan suggests ways for leaders to use and extend the literature
