Spirits Of The Age:

Alcohol in the Age of Industry, Empire, and War Deborah Toner, 2021-06-03 This book examines alcohol production consumption regulation and commerce alongside the gendered medical religious ideological and cultural practices that surrounded alcohol from 1850 to 1950 Through analyzing major changes in alcohol s place in society contributors demonstrate the important connections between industrialization empire building and the growth of the nation state They also identify the diverse actors and communities that built contested and resisted those processes around the world Overall this book proposes a new global framework that is vital to understanding how deeply alcohol was involved in central processes shaping the modern world It shows how empires were partly built through alcohol in both economic and ideological terms yet alcohol production trade and consumption were also sites for anti colonial resistance Contributors also discuss how alcohol regulations and public health discourses increasingly revealed the intent and reach of state power to monitor and police citizens as well as the legitimization of that power through nationalism Illustrated with over 50 images the book will be a valuable resource for students and researchers studying the history of alcohol as well as the cultural history of the 19th and 20th centuries more broadly

The Spirit of the Age Paul Ashton, Toula Nicolacopoulos, George Vassilacopoulos, 2008 Is it becoming more obvious today that the thinkers of the post Hegelian era were are not able to bear the greatness the immensity of the claims made by the human spirit Is our era the era of the faint hearted philosophy Celebrating 200 years since the publication of *The Phenomenology of Spirit* this volume addresses these questions through a renewed encounter with Hegel s thought

Turning to the Age of the Spirit Witness Lee, 2025-07-04 Today the Lord intends to turn the age He desires to turn to the age of the Spirit I have a deep conviction that the Lord s way hereafter is altogether in the Spirit We may love and fear the Lord desire a godly living that pleases Him and want to live according to the teaching of the Bible being well behaved in all things Such a living is similar to the teachings of Confucius but it is far from the central point revealed in the Scriptures The central point of the Bible shows that the Lord is the life giving Spirit He is leading us to turn from things outside of the Spirit to the Spirit Himself from rituals to the Spirit from knowledge to the Spirit and from the letter of the Bible to the Spirit He has enlivened and regenerated our human spirit and now He dwells in us to be our life and everything This is the central point of the Bible that the Lord wants to recover today
