

Spiritual But Not Religious An Oar Stroke Closer To The Farther Shore

Peter Tyler, Richard Woods

Spiritual But Not Religious An Oar Stroke Closer To The Farther Shore:

Spiritual But Not Religious? Reid B. Locklin, 2005 Can spirituality be separated from the complications of religious institutions Convert and theologian Reid Blackmer Locklin thinks not Combining personal experience with insights from Hindu and Christian traditions Locklin offers *Spiritual But Not Religious* a guide to institutional commitment in a world characterized by religious pluralism

Teaching Civic Engagement Forrest Clinger Reid B. Locklin, 2017-08 Teaching Civic Engagement offers a new conceptual model an examination of theoretical questions and concerns and a variety of concrete teaching strategies to assist faculty in engaging questions of civic belonging and social activism in religion classrooms The book explores the civic relevance of the academic study of religion

Seeking Transcendence Joseph C. Manzella, 2025-06-23 Seeking Transcendence examines the various paths taken by those who have detached themselves from their traditional institutional religious roots but are seeking non traditional paths to spiritual experiences Called the nones or non affiliated in popular mass media these include a significant number of Western folks who maintain a belief in God or at least consider themselves spiritual but not religious Each chapter of the book explores these trends with a specific theme as well as a case study based on the author's ethnographic observation of alternative spiritual communities and practices in North America and Western Europe Ultimately this book shows how contemporary alternatives to traditional institutional religion appeal to nones presenting the relevance of new religious movements and more secular spiritual paths to transcendence

The Spirituality of the English and American Deists Joseph Waligore, 2022-12-19 The deists have been misunderstood as Enlightenment thinkers who believed in an inactive deity Instead the deists were spiritually oriented people who believed God treated all his children fairly Unlike the biblical God the deist God did not punish entire nations with plagues curse innocent people or order the extermination of whole nations In deism for the first time in modern Western history God became good The Spirituality of the English and American Deists How God Became Good explores how the English deists were especially important because they formulated the arguments that most of the later deists accepted Half of the English deists claimed they were advocating the Christianity Jesus taught before his later followers perverted his teachings Joseph Waligore call these deists Jesus centered deists Ben Franklin Thomas Jefferson and John Adams studied these Jesus centered deists and had similar beliefs While some of the most prominent American Founders were deists deism had little or no influence on the religious parts of the Constitution and the First Amendment Deism did not die out at the end of the Enlightenment Instead under different names and forms it has continued to be a significant religious force Informed observers even think a deistic spiritual outlook is the most popular religious or spiritual outlook in contemporary America

The Wiley Blackwell Companion to Latinoax Theology Orlando O. Espin, 2023-04-03 The new edition of the standard resource for those teaching or learning Latinoax theology Now in its second edition The Wiley Blackwell Companion to Latinoax Theology remains the most up to date fully ecumenical collection of scholarship in the field Bringing together

The Bloomsbury Guide to Christian Spirituality Peter Tyler, Richard Woods, 2012-08-30 A scholarly yet accessible introduction to Christian Spirituality What is Christian Spirituality How does it relate to non Christian traditions Where does it arise from and where is it going These are some of the key questions addressed in this innovative new guide from Bloomsbury The Bloomsbury Guide to Christian Spirituality is written by foremost academics in their fields who distill their knowledge for a wide intelligent audience They do this with huge skill and attention to the needs of modern readers Appealing equally to those studying the tradition for religious formation or those wishing to acquaint themselves with this fascinating subject this guide is destined to become an essential text in the field

Faith for the Heart Groome, Thomas H., 2019 Faith for the Heart makes a special outreach to the spiritual but not religious to the nones and the believers without belonging with rich resources for their faith journey Catholic signals that all are welcome to draw upon its treasury of the Church s spiritual resources regardless of faith identity

Praying for Our Adult Sons and Daughters John & Therese Boucher, 2012-10-01 No one ever stops being a mom or a dad So when our children become adults we still worry about them and want to care for them One way we can still care for them is to lift them up in prayer When we do so God s love for them and for us is unleashed We are able to replace our concern with a love that comes from the heart of God Our Father moves mountains of worry and discouragement leaving new refreshment and delight in its place This book is designed for parents who want to pray for their adult sons and daughters

with the kind of power that makes a real difference in matters of the heart This book Gives parents hope encouragement and a renewed commitment to pray and to relate lovingly to their adult sons and daughters Addresses the desire to be a better parent and shows how parents can best pray for specific needs Provides questions for reflection and sharing at the end of each chapter as well as instructions for a particular prayer skill that will help readers grow as a loving parent **ÁSanto!** Edwin David Aponte,2012 An overview of Latino a spiritualities today Protestant Catholic Pentecostal and non Christian and the challenges they bring to Christian theology and ministry Given the context of increasing religious pluralism and a burgeoning interest in religions religiosity and spirituality within the United States and the knowledge that by the mid twenty first century an estimated 100 million Americans will claim Latin origin an understanding of the varieties of Latino a spirituality becomes essential This book focuses on the ways in which Latinos and Latinas participate in the pursuit and practice of the spiritual or holy santo as part of their lived religion In seven chapters Aponte explores various understandings of santo and its participation in daily life rites of passage and worship The Wiley Blackwell Companion to Latino/a Theology Orlando O. Espin,2015-09-08 Latino a Theology The one volume Companion to Latino a Theology presents a systematic survey of the past present and future of Latino a theology introducing readers to this significant US theological movement Contributors to the Companion include many established scholars of the highest caliber together with some new and exciting voices within the various theological disciplines A mixture of Catholic Protestant and Evangelical scholars they discuss the publications and contributions of theologians who reflect from and participate in the faith and realities of US Latino a communities Providing unparalleled breadth and depth in the discussion of the key issues each chapter begins with a summary of the theological publications and thought within Latino a theology and then proceeds to develop a constructive contribution on the topic This invaluable and unique Companion edited by one of the foremost Latino theologians currently working and writing in the field is fully ecumenical comprehensive and wholly representative of the wide range of ecclesial and theological traditions It will become both an important resource for scholars and an unparalleled introduction to the entire discipline **Christian Spirituality** Author, Richard J. Woods,2015-03-04 Studying Christian Spirituality David B. Perrin,2024-04-23 Studying Christian Spirituality proposes a framework to discover how spirituality can be understood beyond the conventional boundaries that religions have established Its nine chapters discuss a wide variety of issues and questions which include definitions of spirituality the impact of models of God human spiritual development the importance of context historical criticism anthropology interpretation of texts and art and examples of spiritual practice David B Perrin clearly explains the traditional relationships between Christian spirituality and theology and history He also proposes greater connections with the human sciences such as philosophy psychology phenomenology and sociology and reshapes the classical approaches to Christian spirituality its texts practices and experience This interdisciplinary volume is an essential reference for scholars and students at all levels who desire to develop a deeper understanding of Christian spirituality s research

methods and its relevance to the world today Seeds of Hope Tim Muldoon,2008 Seeds of Hope asks what kind of Church we are inviting young people to join and then analyzes the contemporary social and spiritual landscapes in search of signs of hope for the future of the Church BOOK JACKET Celebration of Ignorance P E S Kartha,2021-12-17 COLLAGE OF DELIGHTFUL ESSAYS The Celebration of Ignorance comprises 30 essays derived from many contrasting themes such as travel reminisces the multifaceted profile of Yoga hilarious childhood memories the age and pedigree of water the current status of a Spiritual pilgrimage and more A few of the essays discuss serious issues like Beliefs and Behaviour Even so they are presented in a cheerful pleasant style with a sprinkle of humour A few such threads are Knowledge Island and the sea of human ignorance Formal vs informal education Global warming Kerala School of Mathematics The golden features of Sanskrit the threatened cultural base and the festivals of Kerala The Indian Culture amongst others A few of the representative essay titles are Snowball Comets Inc Breakfast Penance Fascinating Story of Our Calendars Does A Butterfly Trigger Storms Joy Onam e Onam A Day That Changed The World This is a good read as well as a good gift to your dear ones

Song Divine Catherine Cornille,2006 From T S Eliot to Bede Griffiths many a Christian thinker has found in the Bhagavad Gita a source of genuine spiritual insight and inspiration As Christians continue to explore the text in a spirit of dialogue new points of theological interest are discovered and new insights gained into the meaning and importance of the text for Christian thought and practice In this collection of Christian commentaries on the Bhagavad Gita Christian theologians and scholars of Hinduism offer a variety of different perspectives on the text using a diversity of commentarial approaches and styles from close textual analysis and exegetical comparison to a more general theological reflection on the text from comparison of the Gita with a particular Christian classic to a focus on specific religious categories such as detachment incarnation and eschatology While some contributions focus mainly on the similarities between Christian thought and the Gita others also engage differences in a mutually critical and constructive way Each of these commentaries thus offers a distinctive lens through which Christians may read the Bhagavad Gita and points to the endless possibility and promise of inter religious hermeneutics or the religious reading of a sacred text from another religious tradition **Rahner Beyond Rahner** Paul G. Crowley,2005-11 One hundred years after the birth of Karl Rahner the contributors to this book ask whether and how Rahner's theology can address new religious and cultural realities in the twenty first century particularly those realities found on what has come to be called The Pacific Rim O Stretching from California and Latin America and across the Pacific Ocean to Asia this geographic region manifests an incredible cultural and religious diversity but also many points of intersection and interpenetration resulting in new forms of religion and spirituality The theological categories generated by Rahner such as the anonymous Christian and even the notion of a world church meet steep challenges when read in contexts very different from that of Germany and the theological currents of the OAtlantic O At the same time the encounter between Rahner and the Pacific Rim results in fresh readings of Rahner not previously imagined not only in places like China and

Mexico but even Los Angeles Anchored by a seminal essay by Francis X Clooney S J Harvard contributors include Thomas Sheehan Stanford Catherine Bell Santa Clara and George Griener S J Berkeley Each essay examines the possibilities and limitations of Rahner's theology in this newly configured Pacific world Christian Life and Practice Owen C. Thomas, 2009-01-01 This book is a study of the Christian life and the practice of Christians and the church from an Anglican perspective It begins with an analysis and explication of the structure and process of the Christian life before God in the church and the world involving a five fold rule of life and the relation of this to spiritual direction This is followed by an analysis and critique of the current spirituality movement which arose in the 1970s and which has come to dominate and mislead the churches A sequel to the latter explains the origin of the spirituality movement in the current Romantic movement that arose in the 1960s and has influenced all aspects of our culture with ambiguous results Next there is a critique of contemporary parish ministry as practiced in residential parishes that at best ministers only to the private lives of its members followed by a fictional story of such a residential parish that suggests a new departure in parish ministry Then there is a critique of preaching in the Episcopal Church that is generally considered to be poor and a proposal of a way to overcome this The concluding three chapters treat a fundamental problem in our approach to private prayer and a way to resolve this a proposal for a way to overcome the current impasse in the Anglican Communion concerning homosexuality and a meditation on the responsibility of Christians in public life *Vernacular Catholicism, Vernacular Saints* Reid B. Locklin, 2017-03-27 Finalist for the 2018 Best Book in Hindu Christian Studies presented by the Society for Hindu Christian Studies At the turn of the twenty first century Selva J Raj 1952 2008 was one of the most important scholars of popular Indian Christianity and South Asian religion in North America *Vernacular Catholicism Vernacular Saints* gathers together for the first time in a single volume a series of his groundbreaking studies on the distinctively vernacular Catholic traditions of Tamil Nadu in southeast India This collection which focuses on four rural shrines highlights ritual variety and ritual transgression in Tamil Catholic practice and offers clues to the ritual exchange religious hybridity and dialogue occurring at the grassroots level between Tamil Catholics and their Hindu and Muslim neighbors Raj also advances a new and alternative paradigm for interreligious dialogue that radically differs from models advocated by theologians clergy and other religious elite In addition essays by other leading scholars of Indian Christianity and South Asian religions Michael Amaladoss Purushottama Bilimoria Corinne G Dempsey Eliza F Kent and Vasudha Narayanan are included that amplify and creatively extend Raj's work **Augustine and World Religions** Brian Brown, John Doody, Kim Paffenroth, 2008-01-01 *Augustine and World Religions* examines Augustine's thought for how it can inform modern inter religious dialogue Despite Augustine's reputation as the father of Christian intolerance one finds in his thought the surprising claim that within non Christian writings there are some truths in regard even to the worship of the One God This it seems hints at a deeper level of respect and dialogue between religions because one engages in such dialogue in order to better understand and worship God The

essays here uncover provocative points of comparison and similarity between Christianity and other religions to further such an Augustinian dialogue Church Paul Lakeland, 2009-11-01 Drawing on the wisdom and teaching experience of highly respected theologians the Engaging Theology series builds a firm foundation for graduate study and other ministry formation programs Each of the six volumes Scripture Jesus God Discipleship Anthropology and Church is concerned with retrieving carefully evaluating and constructively interpreting the Christian tradition Comprehensive in scope and accessibly written these volumes used together or independently will stimulate rich theological reflection and discussion More important the series will create and sustain the passion of the next generation of theologians and church leaders Paul Lakeland's recent award winning books on the place of the laity in the contemporary Roman Catholic Church have prepared him well to take on this ecclesiology from below While paying close attention to the classical marks of the Church Lakeland's focus is on what we can learn about the nature of the Church as living communion by examining the values and practices of ordinary believers Following the advice of Bernard Lonergan Lakeland adopts a resolutely inductive approach to ecclesial reflection He explores ten questions that the Church must address both those that affect the internal workings of the faith community and those that have to do with its relationships to other groups religious and secular Finally he offers a constructive proposal for a contextual ecclesiology of the U S Catholic Church that utilizes the images of hospice pilgrim immigrant and pioneer
