## **Spiritual Directors:**

**Looking Into the Well** Maureen Conroy, 1995 Looking into the Well Supervision of Spiritual Directors is the first book length treatment of the supervision and development of spiritual directors     *Supervision of Spiritual Directors* Mary Rose Bumpus, Rebecca Bradburn Langer, 2005-11 A collection of essays by prominent practitioners of an emerging field the supervision of spiritual directors This book explores a wide variety of issues including gender and sexuality ethical dilemmas working with diverse racial ethnic constituents working with the differently abled and the parameters of supervision

*Spiritual Direction in Context* Nick Wagner, 2006-03-01 God created us to be lovers writes Nick Wagner in his introduction to *Spiritual Direction in Context* When we love we are in right relationship We are acting for justice The ministry of every spiritual director in any context is to serve as a guide into the depths of that love relationship Here in this provocative collection of essays respected leaders in the field of spiritual direction explore the myriad of contexts in which this relationship takes place and offers practical ways to respond to them As the popularity of spiritual direction grows directors are facing situations that monks and nuns for centuries the exclusive practitioners of this profession never had to face The essays in this book drawn from *Presence* the journal of Spiritual Directors International look deeply at spiritual direction in a number of contexts including the workplace with the aging in hospitals with women s groups with youth with the homeless and with those in mourning *Spiritual Direction in Context* is the third in the SDI series     *Spiritual Direction* Kevin G. Culligan, 2010-06-01 The revitalized ministry of spiritual direction is one of the surest signs of renewal in today s Church In *Spiritual Direction Contemporary Readings* seventeen leading writers and spiritual directors discuss the history meaning demands and practice of this ministry Through timely articles by such recognized authors as William Barry Sandra Schneiders Louis Cameli Kallistos Ware and John Wright one comes to see that spiritual direction belongs not to a spiritual elite but to the entire Church men and women clergy and laity members of religious communities Compiled especially for those entering spiritual direction either as directors or directees this book is an excellent introduction to an exciting ministry in today s Church A valuable feature of this book is a concluding section with recommendations for further readings Listing important articles and books on spiritual direction published in recent years this section helps readers to continue exploring this vital area of contemporary spirituality     ***Spiritual Direction and the Care of Souls*** David G. Benner, Gary W.

Moon, 2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key

principles and insights for spiritual formation spiritual direction offers significant resources for today's pastors counselors therapists chaplains and other caregivers attuned to the work of God in people's lives In this landmark volume editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction with particular attention to each tradition's definition of spiritual direction the process of authentic transformation the role of the spiritual director indicators of mature spirituality and other aspects of the spiritual direction process Chapters also provide psychological and clinical insight into how spiritual direction is similar to different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God

*Supervision of Spiritual Directors* Rebecca Bradburn Langer, Mary Rose Bumpus, 2005-11-01 With the increased interest in the practice of spiritual direction both from people feeling called to be spiritual directors and from those seeking direction this book addresses the need to train the supervisors of spiritual directors This collection of essays is one of the first books in the field that help with the training of supervisors Written by spiritual directors who have years of experience in supervision between them this book engages some of the leading voices in the field in an exploration of a wide variety of issues including gender and sexuality ethical dilemmas working with diverse racial ethnic constituents working with the differently abled the parameters of supervision the supervision of beginning directors and more An excellent textbook for those who feel called to the role of supervisor as well as an important book for those who are already practicing in the field

**An Introduction to Spiritual Direction** Chester P. Michael, 2004 An Introduction to Spiritual Direction is a clear nuanced and practical handbook for spiritual directors and directees that examines what it means to be spiritually whole and the process that gets us there It is based in part on the two year training course that the author conducts at Spiritual Direction Institute the teachings of the depth psychologist Carl Jung and the Christian traditionalists among them St Francis de Sales Ignatius of Loyola Teresa of Avila and John of the Cross It is further conjoined with sections on the qualities of the good director and directee with fascinating forays into the nature of temperament and psychological type The core of the book is devoted to its larger question the actual growth and acquisition of spiritual wisdom where the stages pitfalls remedies rewards as well as the importance of spiritual direction especially during times of crises are examined in numerous comprehensive sections Dovetailed with chapter notes and questions index and extensive bibliography An Introduction to Spiritual Direction deserves recognition by directors directees counselors students and practitioners of psychology and religious educators It is a great starting point for spiritual exploration

**Embodied Spirits** Sherry Bryant-Johnson, Therese Taylor-Stinson, Rosalie Norman McNaney, 2013-03-10 First book addressing the concerns and issues of people of color in spiritual direction These essays speak of how we have incorporated our contemplative practices into our family life our urban non religious background how we have been nurtured

in struggles for health and life through our contemplative prayer practices and our courage to survive and even thrive in the midst of dire circumstances We speak of the unfolding bridge between faith and culture our conflicts with an Interspiritual journey with a Christian foundation our sexuality our journey to healing and authenticity and how we are taking this practice that began in the first centuries of the church with the desert mothers and fathers to the present and into the future with spiritual direction through the Internet across the world from the Introduction     *The Way of Spiritual Direction* Francis Kelly Nemeck, Marie Theresa Coombs, 1993 It may well become a classic in this important area of spirituality It is the reader's opinion that if you read only one book on this subject this year *The Way of Spiritual Direction* should be the one John G Durbin STL     An Open Place Daniel Schrock, Marlene Kropf, 2012-11 Written from an ecumenical standpoint as a practical aid for moving those experienced in individual spiritual direction toward group practices This book responds to the movement to expand spiritual direction beyond the classic on with one model Group spiritual direction has the potential to offer the rich experience of individual spiritual direction to a much wider audience yet very little has been written to provide guidance for starting such groups This book responds to that challenge It outlines ways that a diverse and ecumenical group of spiritual directors worked to initiate groups in multiple contexts It examines the many variables among directors directees even meeting spaces that affect and enliven this ministry And it summarizes pitfalls success and discoveries     **Spiritual Direction and Spiritual Directors** Joseph Paul Kozlowski, 1997-12 *Spiritual Direction and Spiritual Directors* is a collection of teachings from four spiritual masters who have a world wide reputation in the field of spiritual development St Teresa of Avila St John of the Cross Thomas a Kempis and St Francis de Sales i     **Holy Listening** Margaret Guenther, 1992-01-25 Guenther uses the images of the spiritual director as host teacher and midwife to describe the ministry of spiritual direction today She pays particular attention to spiritual direction for women and addresses such down to earth questions as setting time and privacy The stories of real people bring the practice of spiritual direction alive In the pages that follow I will attempt to describe the shape that spiritual direction might take for people of our time aware that the subject is an elusive one I am speaking to the beginner those persons lay or ordained with or without formal theological training who find themselves drawn to this ministry Perhaps they feel the stirring of their own unacknowledged gifts Or perhaps they wonder about receiving direction whether it is a ministry available to ordinary people or reserved for the especially holy I hope some dark corners will be illuminated and some questions answered     Spiritual Direction Gordon T. Smith, 2014-03-07 God gives us companions on our journey A spiritual director is one such companion offering spiritual guidance Whether you are a director a directee or simply someone who wants to learn more about this ancient ministry this comprehensive introduction to the art of both giving and receiving spiritual direction will be a helpful guide     **Spiritual Direction: A Guide for Sharing the Father's Love** Fr. Boniface Hicks, Fr. Thomas Acklin, 2017 The need for spiritual direction or the accompaniment of a spiritual guide is becoming more prominent in a world where so many are suffering from so many wounds With a harmonious

integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction and the insight of the psychological sciences. Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction. *Spiritual Direction: A Guide for Sharing the Father's Love* fortifies priests, religious, and lay faithful who embrace the ministry of spiritual direction and accompany the wounded; assist men and women in hearing the voice of God and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him. This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one-on-one relationship with a spiritual director. Together with concrete guidelines and numerous examples from personal experience, this book refers extensively to Sacred Scripture as the foundation for spiritual direction. Furthermore, since the practice of spiritual direction goes back to the first centuries of the Church, the authors turn for guidance to the Doctors of the Church, the writings of the saints, and the papal magisterium in developing and supporting their insights. *Spiritual Direction* will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy.

**The Reluctant Spiritual Director** Fleetwood Range, 2008-10-27 Spiritual direction is a particular way of walking the path of spiritual discovery in close company with another person. *The Reluctant Spiritual Director* speaks to both the prospective spiritual director uncertain of his or her call and the prospective directee uncertain of the benefits. This book answers the most basic questions about spiritual direction: What is it? How does it work? Who does it? Would spiritual direction help me? Am I being called into this ministry myself? Though spiritual direction is an ancient Christian spiritual practice, it has only recently been rediscovered by mainstream Christianity because of the widespread longing for something more.

**Handbook for Spiritual Directors** Julie M. Douglas, 1998 *Spiritual Direction and the Metamorphosis of Church* Brenda K. Buckwell, 2020-11-10 The practices in this easy-to-implement book are for all who are seeking new ways for opening God-sized potential of faith leadership and being in community together through the art and practice of spiritual direction. From the most learned to seekers and students of faith looking for authentic community, this book will provide a pathway of discovery through the metamorphosis process of spiritual formation.

Ethics and Spiritual Care Karen Lebacqz, Joseph D. Driskill, 2000 The issue of spiritual care is complicated by the fact that there is no single understanding of what constitutes spirituality. This book lays out the terrain within which the ethics of spiritual care might be developed. The authors begin by reviewing several approaches to spirituality and their implications for ethics. They also explore the changing shape of clergy ethics and the recent suspicion about applying standards from traditional professional ethics.

Spiritual Direction Sue Pickering, 2014-09-16 Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance. This guide aims to equip clergy and laity engaged in this task or in training for it.

*Spiritual Direction* Ruffing, Janet K., RSM, 2000 Explores issues that arise in the advanced stages of spiritual direction from both a practical and theoretical perspective.
