Kinghorn, 2002-11 In the course of his teaching Jesus compared the Holy Spirit's working to the wind You hear the sound of it but you do not know whence it comes or whither it goes John 3:8 Although the source of the wind lies beyond human understanding its effects can clearly be seen all around us Using heartwarming firsthand illustrations Kenneth C Kinghorn unfolds a clear explanation of the Spirit-filled life Through the Holy Spirit there is unending joy and comfort meant for every individual who is earnest and receptive to a spiritual revival The author points out that life today brings many demands upon us Each of us admits that we need something beyond ourselves We want solutions that reach down to the root issues of life and offer meaning to us in the inner sanctuary of our souls Fresh Wind of the Spirit provides an answer for those seeking a renewed zest to live in our hectic and often impersonal world

The Holy Spirit James Fairbrother Edwards, 1918 **Forming Intentional Disciples** Sherry Weddell, 2012-07-05 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples These are times of immense challenge and immense opportunity for the Catholic Church Consider these statistics for the United States Only 30 percent of Americans who were raised Catholic are still practicing Fully 10 percent of all adults in America are ex-Catholics The number of marriages celebrated in the Church decreased dramatically by nearly 60 percent between 1972 and 2010 Only 60 percent of Catholics believe in a personal God If the Church is to reverse these

trends the evangelizers must first be evangelized in other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him This work of discipleship lies at the heart of Forming Intentional Disciples a book designed to help Church leaders parish staff and all Catholics transform parish life from within Drawing upon her fifteen years of experience with the Catherine of Siena Institute Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world Learn about the five thresholds of postmodern conversion how to open a conversation about faith and belief how to ask thought provoking questions and establish an atmosphere of trust when to tell the Great Story of Jesus how to help someone respond to God s call to intentional discipleship and much more And be prepared for conversion because when life at the parish level changes the life of the whole Church will change
