As you're inspired and trained to become an unwavering spiritual champion, you'll also learn how you got to this point in your life. The specific issues that rob you of happiness and holiness: How to overcome doubt and lack of faith, How to remain steadfast in suffering, conflict, and adversity. The most powerful weapons for restoring your soul to happiness. The keys to opening yourself to the gifts of the Holy Spirit. **Excellence of Soul** J. Wayne Rodrigue, 2015-05-27 How many times have you made a decision or told someone something only to regret doing it as the words were coming out of your mouth? The apostle Paul was no different from us in this regard. He stated in scriptures that what he wanted to do he did not do, and what he did not want to do he found himself doing in spite of himself. The apostle Paul discovered ways to address this seemingly insurmountable obstacle to his growth as a Christian, and so will you in this book. In *Excellence of Soul*, I will share from the Bible what it says about the soul and how you can learn to control your emotions in every situation of life. This book is full of biblical truths and experiences from over twenty-five years of seeking answers to one of the most important areas of the Christian walk. Please join me in finding growth and healing. *Uncommon Virtue* Fr. Raoul Plus, 2022-03-22 Fr. Raoul Plus, one of the most popular Catholic authors of the twentieth century, explains how the practice of everyday virtues—gratitude, moderation, patience, suffering, pity for the afflicted, making good use of time—is essential to producing supernatural benefits. Filled with inspiring real-world examples of heroic men and women throughout history, this book teaches you how to develop the essential habits you need to become a saint in these times. You'll learn how to develop an attitude of gratitude like the saints in Heaven and how to cultivate a spiritual life that will make you more productive. Through these true stories of valor, you will pick up the necessary wisdom to work out your salvation through the grace of the sacraments in accordance with your state in life. This commonsense approach to Catholic spirituality will help you become the saint you are meant to be. Although some souls are chosen to manifest heroism, Fr. Plus poses the question: In our times, should

not all souls be chosen souls or become such This book will show you how to help authentically transform the world whether in sickness or in health Every Christian can be a redeemer a savior a repairer with Christ In fact reflects Fr Plus they must be He ll also show you the benefits of Thanking God for growth in adoring love and for opening your heart to increased blessings Cultivating interior silence and fostering receptivity to the gift of contemplation Forfeiting time in order to reflect and focus on what is most important Avoiding cowardice boldly living the gospel and enduring persecution Offering up daily trials for our country learning to overcome fear and making sacrifices with joy Making reparation to the Eucharistic Heart of Jesus who is often forgotten and unloved **Faith, Flourishing, and Agnosticism** T.
