Releasing Spiritual Gifts Today James W Goll, 2016-01-18 God wants you to experience the great wonder of moving in and through His grace on a daily basis That's why this book isn't just about how to discover your spiritual gifts or even how to receive them it's about how to release them Give them away The Spirit is demonstrating God's supernatural power through His church today as realms of His glory are released on a global basis All of God's gifts are still fully operational and every single believer is designed to flow in the river of God fulfilling his or her destiny In **Releasing Spiritual Gifts Today** you'll learn the way the Holy Spirit moves and how He operates through spiritual gifts Then you'll explore the nine most widely recognized gifts These are not the only gifts God gives His children but they are vital to understand and then activate according to His leading for the fulfillment of the Great Commission This book is filled with examples of how spiritual gifts have been used in action both within the pages of the Bible and in contemporary times God desires to pour out His gifts on His people today in even greater degrees of impact and authority Discover what the Lord wants to do for you and through you by releasing spiritual gifts in a mighty outpouring of His love grace and power

The Great Commission William Mashao, I consider this book to be a vital contribution to the body of Christ While we often embrace gifts of the Spirit such as prophecy healing and apostolic ministry in church we often neglect one of the most

important gifts that grows the Church which is soul winning The Great Commission is not an option that believers can choose whether to do or not It is the obligation of every believer to preach the gospel in every season and to every lost soul This book provides a clear and sound explanation of the importance of growing the kingdom of God by fulfilling the Great Commission It outlines the Great Commission starting with the command to go ye to the world and preach the gospel to the lost It also emphasizes the importance of discipling the souls won to ensure that they conform to the image of Christ and become representatives of the Kingdom on earth Disciple-Church & The Great Commission Desire Mbayo,2018-06-04 The angel who visited Mary this young lady who is engaged to Joseph came to bring her the good news that she will be pregnant and will give to the world a son whom we call Emmanuel that is to say God with us The birth of Jesus Christ was a subject of joy for all nations according to Isaiah s prophecy There was a joy not only on Earth but first in heaven the shepherds the Angels were in joy at the announcement of the news by the Angel Gabriel The Angels returned to heaven singing and praising the Creator because the Savior had just born This is the same joy that is felt when a sinner repents It is the image of the new birth that occurs in the heavenly government Christ illustrates it in the parable of the lost sheep There had a party when this sheep was found *The Great Commission Connection* Raymond F. Culpepper, Editor,2011 **Great Commission Spirituality** E.D. Burns,2024-07-09 Christ s Faithfulness for Our Fruitfulness Amid life s constant change and uncertainty the call to serve in the Great Commission can often feel overwhelming and isolating How can one maintain steadfastness and joy through the pressures and obscurities of such a calling The answer is found not in the strength of our own efforts but in a deep transformative truth often overlooked due to its simplicity life in Christ In *Great Commission Spirituality* E D Burns skillfully unfolds the peace giving assurance of our union with Christ This weighty truth provides not only the foundation but also the force behind our endeavors allowing us to labor with confidence even in barren fields By emphasizing that Christ lives in and works through us Burns reassures readers that true fruitfulness in ministry comes from abiding in Christ who orchestrates our work by his Word and perfect timing This resource offers a robust theological framework paired with practical applications This book encourages any layperson church leader or missionary burdened by their vocation and calling to rediscover the joy of serving in reliance on Christ Whatever your season of life or place of service may this renew your vision and strengthen your soul with the unchanging truth of Christ s life within you Spiritual Gifts and the Great Commission Edward F. the Commission The core of this Commission is being disciples who make disciples for Christ by the Spirit and the Word of God Obeying the Great Commission is not only the focal task of the Church but the way the Spirit transforms believers to be like Christ and grow towards His fullness It exposes many misconceptions and misapplications that have seriously hampered the fulfilment of this Commission and how to treat them It shows the principles and the core processes that are required for its proper realization
