Cole, 2007-08-16 Often the most misunderstood and therefore ignored member of the Trinity the Holy Spirit deserves our attention and understanding God the Father and God the Son rightfully garner much explanation and exploration and God the Holy Spirit ought to be given the same studiousness curiosity and scholarship In this addition to Crossway's Foundations of Evangelical Theology series Dr Graham Cole has written a work that offers a comprehensive theology of the Holy Spirit This book shows the ultimate selflessness of the Holy Spirit as the member of the Trinity who always works for the glory of God the Father and God the Son and the good of the

saints Ideal for pastors teachers and students of theology this book is a superb theology of the Holy Spirit Part of the Foundations of Evangelical Theology series **New Dictionary of Biblical Theology** T Desmond Alexander, Brian S Rosner, 2020-05-21 In recent years our knowledge of the individual parts of the Bible has increased greatly but our understanding of how they fit together has not kept pace In particular the relationship between the Old and New Testaments has been a neglected field of study The latest in IVP's developing family of New Dictionaries the New Dictionary of Biblical Theology is an essential tool for students preachers and ministers as well as for scholars and others seeking a better grasp of the Bible's teaching The aim of this prestigious dictionary is to integrate the various biblical books and themes into the overarching story of the Scriptures The volume embodies three perspectives on biblical theology which are reflected in its structure **The Letter to the Ephesians** Peter Thomas O'Brien, 1999 From a foremost authority on the New Testament comes a major new commentary on Ephesians a letter of truth love and unity to our superficial world This newest volume in the Pillar New Testament Commentary series provides a rich exposition of Ephesians one of the most significant documents ever written Using the fruits of recent biblical research Peter O'Brien shows how Ephesians sums up God's magnificent plan of salvation in Christ and spells out his divine purpose for believers today A model of the scholarly excellence characteristic of the entire PNTC series which now features a striking new jacket design O'Brien's Ephesians will become the standard work on this profoundly influential book Publisher Two Views on Women in Ministry Zondervan, 2010-02-23 The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates Two Views on Women in Ministry furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one's strengths weaknesses and complexities Egalitarian equal ministry opportunity for both genders represented by Linda L Belleville and Craig S Keener Complementarian men and women fill distinctive ministry roles represented by Craig L Blomberg and Thomas R Schreiner This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format Each author states his or her case and is then critiqued by the other contributors The fair minded interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion What Are Spiritual Gifts? Kenneth Berding, Many Christians have tried to discover their spiritual gifts only to find the process frustrating and complicated Rarely in our search do we actually ask what should be our central question What are spiritual gifts Kenneth Berding believes we have misunderstood spiritual gifts which has led to a misguided search His convincing and readable study suggests that the Holy Spirit does not give special abilities the conventional view but rather calls us and places us into various ministries to build up

Unfettered Spirit Robert D. Cornwall, 2013-06-21 All too frequently studies of the gifts of the Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It s much easier to simply close the doors and windows than it is to deal with the wind John 3 8 After all they ve seen the wind blow out the candles disarrange the altar vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is *Unfettered Spirit* Spiritual Gifts for the New Great Awakening Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a
