the Lord I remember standing in my living room stunned It took me a few days to be able to answer him I replied with a shaking Yes He then took me in a vision to the gates of hell I could smell the sulfur and feel the heat The gates were huge thick black iron they swung open as I approached I was standing on stepping stones just big enough for my feet and lava swirled around the stones I heard the Lords voice Dont be afraid Carolyn I have a net around you and yours I looked and saw a large net all around me I continued along the stones and then I saw it a hand reached desperately to me out of the lava I grabbed a hold and pulled for all I was worth The vision ended From that vision I learned there are people all around us who are in the own personal hells We are to set the captives free The Lord gave me a way to help It is called Spiritual Body Mapping and it works It is an amazing way to quickly diagnose and target the strengths as well as areas that need to be addressed in an individuals life As you read this book I pray for the spirit of wisdom and revelation to enlighten you God Bless you Carolyn Steidley      Cell Phone Spirituality Kevin Goodrich O.P.,2005-10-25 Some books just analyze and separate This one synthesizes and puts back together things that never should have been separated while fully recognizing the busyness and endless options of our lives Trust Kevin Goodrich to be a solid and very creative spiritual guide Fr Richard Rohr O F M Center for Action and Contemplation Albuquerque New Mexico Canon Goodrich offers in Cell Phone Spirituality a simple yet not simplistic primer on the Christian spiritual life His creative approach applies incarnational theological insights to the circumstances of everyday life Those interested in promoting the ministry of the laity in the world and the concept of discipleship will find it a useful tool The Rt Rev Michael G Smith Bishop of the Episcopal Diocese of North Dakota Through Father Goodrich s eyes I could see how items such as cell phones that I have found as distractions can be seen as means of connecting us both to each other and to God Cell Phone Spirituality rings true to me as it offers practical suggestions on how one can talk to God in our 24 7 techno savvy culture Becky Garrison Senior Contributing Editor The Wittenburg Door I found Cell Phone Spirituality to be a fun read with a modern twist on how to stay connected to your spirituality and to God especially in our fast paced world I really like how Goodrich designed the book to be used for personal growth or for small group discussions Can t wait to share it Stacey Reid Busy Mother of Five A book for anyone who wants to grow spiritually and become closer to God      Delightfully Terrible Allen L. Margolis,2018-08-22 Welcome to the spirit world Allow me to introduce you to the universe of metaphysics Based on my personal experiences this book explains the fundamental concepts of psychic phenomena While in the spirit world my thoughts and emotions were shared first by my friend Ruth and later by others as though we had one mind I felt their fears and desires their awe and adventurous spirit They knew mine as well Yet back in our body we could only communicate through the spoken word We journeyed to the land of the dead danced in the eternal light delved into spirit worlds none of us dreamed existed Specters of the dark side guided us through their realms Shaman in the twilight wolf wilderness Spirit Bird in the Valley Of The Birds Joel the medieval Irishman in the Record Of All Time Ruth and I thought our travels together were wondrous accidents until it happened again and again Each experience was more complex and powerful than the last Our journeys were never planned nor did we discuss beforehand places we had discovered while there alone Neither of us wanted to plant subconscious hints as to where we should go or what we should do But once we were there we led each other to our secret places dimensions and past lives of which the other person had no knowledge This book tells of my experiences on the astral planes with Ruth alone and with other travelers It also includes explanations of metaphysical topics such as astral travel channeling and metaphysical energy This should help you to understand the goings on during my journeys as well as afford you a sound base for further investigations Take my hand and let us begin our voyage      Spirit of Americana James Carl Anderson,Polly Purnell,2011-07-15 Spirit of Americana presents a sometimes humorous sometimes serious scenario of rural communities especially The Ridge in middle Tennessee This book explains how such a setting can promote freedom and democracy especially in America and possibly in other countries as well Spectators were entertained watching a tug of war between Old Jack a big mule and a new 1935 Ford coupe Many of the same people were saddened a few months later when the contest sponsor and his mother died the same day of pneumonia an epidemic rampaging through The Ridge Twin coffins were hauled to a hillside graveyard on a flat bed log truck How did this widow and her seven little children survive the great depression of the 1930 s Since making moonshine whiskey was illegal in the 1930 s how did federal state and county law enforcement officers cut down a huge still on Moonshine Island without making a single arrest Furthermore how did one of the nation s most wanted criminals serve as a deputy sheriff in the same community in later years Spirit of Americana provides some logical answers to these puzzling questions Necessity being the mother of invention explains how a resident of this poverty stricken ridge harnessed his waterfall to generate electricity for his home using automobile and bicycle parts The Tennessee Valley Authority TVA and the Rural Electrical Association REA followed this same method a few years later

bringing electricity from huge dams and generators to many houses on The Ridge and elsewhere The Ridge did not lack military heroes during two World Wars as well as wars in Korea Vietnam Kuwait Iraq and Afghanistan Some came home alive Some did not Freedom was not cheap The Ridge residents believed in America maintaining its freedom **The Spirit of Attack** Bruce Gordon,2014 SCRAMBLE In a couple of minutes my wingman and I would be airborne on another adventure Sometimes we intercepted an airliner sometimes a misplaced B 52 bomber and sometimes Russian bombers probing our defenses Russian warships MIG fighters or troops in contact in Vietnam calling for napalm only yards from their positions Twice it was UFOs Unidentified Flying Objects This book is a series of short stories supported by more than 90 photographs The first part has my own stories later stories were contributed by my fellow pilots The last story is from WW II of our P 38 fighters attacking the Romanian oil fields and getting badly mauled by defending Romanian fighters and a Romanian pilot s view of the battle Only the spirit of attack borne in a brave heart will bring success to any fighter aircraft to matter how highly developed the aircraft may be That quote from Adolf Galland an Ace of the German Luftwaffe in WW II was the motto of our 317th Fighter Interceptor Squadron in Alaska The fighter pilot is a hunter and his quarry is the most dangerous in the world men who want to kill him The best defense is a good offense ATTACK The US Air Force had a program called Every Man a Tiger A tiger does not kill impulsively or in anger but plans his attack carefully and strikes with cool ferocity We were tigers Fighter pilots tell stories around the bar but they seldom write them down These stories were written by the fighter pilots themselves Come with me and hear of the beauty of flight the mortal danger of electrical power failure at night in a snowstorm and the thrill of attack with 20mm cannons firing right under your feet The Divine Defense Robert Jeffress,2010-06-02 It s what you can t see that can hurt you The temptation that regularly assaults you the depression or illness that pulls you down the discord in your relationships the private doubts you harbor about God These are not just a natural part of life they re battles in a behind the scenes war against your faith family and future From a balanced perspective Robert Jeffress lifts the curtain of everyday existence to reveal these invisible but very real battles in the war Satan wages against followers of Christ like you Because you don t have to be spiritual road kill Using the spiritual armor of Ephesians 6 The Divine Defense outlines six practical strategies you can use through every day to defeat Satan s vicious and destructive plan Recognize and replace destructive thoughts the belt of truth Do what you know you should do the breastplate of righteousness Make God s business your business boots of the gospel of peace Move forward in spite of doubts the shield of faith Remember your power to win the helmet of salvation Strengthen your resolve to resist the sword of the spirit Together these strategies form The Divine Defense that will help you live victoriously in the unshakable power of God Speaking to Teenagers Doug Fields,Duffy Robbins,2008-11-04 Get ready for a crash course in effective communication More than just a book on how to do talks Speaking to Teenagers combines the experience and wisdom of two veteran youth ministry speakers along with insightful research and practical tools to help you develop messages that engage students with

**Mortal Spirit** Brian Gleason, 2001-11 Mortal Spirit takes us on a compelling journey from naivete to wisdom from instinct to heightened consciousness In an age dominated by psychopharmacological and solution focused treatments for human discontents many of us have turned to spiritual teachings for succor Yet here too we often do not find the answers we desire Human development and spiritual evolution are part of a continuum of self transcendence Mortal Spirit is the recognition of our ever evolving nature The power of Brian Gleason's message is in his willingness to challenge the sacred cows of both psychology and spirituality

Gleason cogently argues that until we accept the biological realities of our beingness we will forever flounder in a fantasy world of hoped for immortality To be fully alive in this very moment is the highest spiritual challenge We cannot get there through traditional psychotherapy or classical spiritual practices alone Gleason's elegant work opens us to a new paradigm called spiritual somatics Here we learn that the human energy field must embrace all the potent forces of the universe in a developmentally appropriate sequence Both pleasure and pain must be fully experienced on this path The capacity to tolerate strong emotions is fundamental to self transcendence Spiritual somatic theory suggests that body and spirit must develop in harmony for personal evolution to unfold *Reason and Revelation* Richard H. Akeroyd, 1991 **Doing the Supernatural**

**Misunderstood God** Darin Hufford, 2025-05-01 The Misunderstood God tells the truth about who the Creator is This book analyzes what religion says about God's heart and personality and measures it up to what God calls Himself Love It simplifies a generation's tangled perceptions of God by taking a journey through the sixteen aspects of love described in one of the most well known Bible passages in the world 1 Corinthians 13 also known as the love chapter So many Christians have been bombarded with confusing teachings and doctrines that their understanding of God resembles a tightly tangled ball of Christmas tree lights This book takes that twisted mess and replaces it with one soft warm light of truth that anyone can embrace God is love
