America in Perspective Andrew S. Weeks,2000-08 Numerous books and pamphlets have been written on what the author calls the American theme However many of these publications are nothing more than a synopsis of American tragedy and government corruption This book has a larger more ideal ambition says the author In the truest sense America in Perspective is not as much a book about what s wrong with America as it is a book about what s right or will be right with America America in Perspective is a catchy book different than the masses The author writes of America

God's Holiness vs. Man's Lawlessness Carl Barrett, 2023-09-19 We will always obey our Lord at all costs This is the opposite of the spirit of lawlessness which despises authority and cultivates chaos division and destruction And there is no doubt that lawless and unrighteous acts are on the rise throughout this country In a time when unholiness is rampant in our homes schools communities churches and abroad there are alarming concerns about these escalating acts If we re not students of God s word growing in his grace and love as believers we can find ourselves vulnerable to the rise of unholiness because it can distort our minds heart and attitude It s important that God s children are on the front line in pursuing God s most divine nature of holiness and living as intentional followers of Christ Because make no mistake God the Father Christ the Son and the Holy Spirit are not pleased with all the unholy practices saturating our lives They are calling
