writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work *Battles of the Spirit: Understanding Spiritual Warfare* Adelia C. Beilby, Paul Rhodes Eddy, 2012-12-01 The topic of spiritual warfare is an issue of ongoing interest in a number of sectors of the contemporary church This four view work brings together leading theologians and ministry leaders to present major views on spiritual warfare in dialogical fashion all authors present their views and then respond to each of the other views Contributors include Walter Wink with Gareth Higgins and Michael Hardin David Powlison Gregory Boyd C. Peter Wagner and Rebecca Greenwood This volume

provides a balanced irenic approach to a much discussed and often controversial topic Offering a model of critical thinking and respectful dialogue it highlights the differences between contributors discusses a full range of important topics on the subject and deploys biblical as well as theological arguments *Spiritual Warfare* John Labriola,2015-10-29 *Spiritual Warfare* is intended to be a basic training manual for beginner Christians The man or woman of God needs to be equipped with the knowledge and understanding of the fight Christians are in and the weapons and tools available in order to wage effective spiritual warfare in our everyday lives for the advancement of the kingdom of God in these last days It is important to understand the constant spiritual battle Christians are in who one is in Christ Jesus the nature of God and His love and the nature of the enemy and his tactics *Spiritual Warfare* is set up as a study book with Scriptures and references so the reader can independently look up and study the Scriptures This allows for the verification of these teachings and as the reader studies these Scriptures he or she may gain a greater understanding of the Word of God and spiritual warfare As Christians take up arms in this battle it is God who always leads us in His triumphal procession in Christ Jesus and through us everywhere spreads the fragrant knowledge of Him Jesus 2 Corinthians 2 14 Followers of Christ are to be ambassadors of the light of the gospel of Jesus Christ to the world and it is Gods will for such followers to be well equipped for a victorious outcome **Understanding the Heavens** Curtis Wilson,2022-06-03 *Understanding the Heavens* is a balanced look into spiritual warfare and some areas that often go unnoticed This writing includes a careful examination into how our flesh the world and Satan combine forces to keep us from serving God to our fullest potential *Understanding the Heavens* digs into how the enemy uses strongholds offenses and distractions to accomplish the goal of keeping believers from an ongoing vibrant relationship with Christ and advancing the kingdom of God It also instructs the reader on how to fight with an intentional strategy for personal corporate and evangelistic warfare Hopefully taking you on a journey from spiritual passivity into a proactive heart for war Finally we include an in depth assessment of our weapons such as angels praying in the Spirit and fasting *The Art of Spiritual Warfare* Frequency Revelator,2019-11-16 Although we are living in a physical world there are spiritual battles that we are engaged in with demonic forces in the spirit world Every believer is engaged in a three front war against the devil the world system and his own flesh whether or not we are aware of it The battlefield is in the spirit realm yet the outcome of these spiritual battles have an effect on the destinies of people in the natural realm This battle takes place in the invisible spiritual realm where the stage is set and battle lines have already been drawn against us by demonic forces It is a battle waged against us by Satan and his diabolical cohorts of the dark world If you are to live a victorious life and prevail in these trying times in which we live it is imperative that you learn how to engage in spiritual warfare lest you fall prey to the whims and vagaries of the devil Sadly today there is near universal paucity in practice in understanding of matters of spiritual warfare as dozens are of believers are still sailing their boats through shallow streams of spiritual understanding where spiritual warfare is concerned It is disheartening to note that dozens of believers seem to be

inept at spiritual warfare for the most part and are deficient in understanding of spiritual weapons the Lord gave to the Church with which to fight our enemy Despite its significance in the Christendom today spiritual warfare is the very area where Christians have little understanding and a main reason why they don't achieve the desired results from the Lord is because they never engage the enemy in warfare It is for this reason that this publication has been brought into the limelight as a key weapon in the Body of Christ to unpack the divine revelations of strategic spiritual warfare This book does not just devise the stratagems Christians can use to fight against satanic forces but also unpacks the divine concept of strategic warfare A strategy is an intelligently formulated plan of action that is used to stay ahead of those who are competing against you It gives you an upper hand or competitive edge over your opponents Strategic warfare therefore implies understanding the art of warfare or how to fight battles in the spirit realm against satanic forces and influences It connotes to how to fight battles in the spirit realm against satanic forces and influences and how to cast out demons either from the bodies of their victims or from the environment in your sphere of contact The truth is that winning the battle is not an outcome of physical muscles or disposition of weapons but an art This means that it requires a strategic thinking and spiritual intelligence to successfully engineer and win battles in the spirit realm In this publication Apostle Frequency Revelator therefore unpacks the divine revelation that Spiritual warfare is an art that involves developing an understanding of who your enemy is how he operates what strategies he uses to fight against you what his warfare base or strongholds are and what his strengths weaknesses opportunities and threats are At a broader length it incorporates a wide spectrum of spiritual acts such as understanding the spirit realm in which the devil operates how to manoeuvre and navigate your way in the spirit world how to cast out demons how to obtain a legal precedent against the accuser the devil before the High Court of Heaven as well as how to plead cases accusations and petitions lodged against believers before the Courts of Heaven At a strategic level spiritual warfare involves undertaking such strategic acts as taking over new territories for Jesus reclaiming territories that have been taken over by enemy through the paradigm of ignorance as well as strategically occupying political financial media and all other territories that are deemed critical in the proliferation of the Gospel This is what God expects you to do as a heavily armed warrior in His kingdom

Triumphant in Spiritual Warfare Evangelist Ruth King, 2012-04-03 The book is about believers understanding the spiritual warfare that is taking place daily and how to adequately use strategies to help destroy evil forces that are happening in their lives Spiritual Warfare is real and it must be understood dealt with handled properly The reality of spiritual warfare needs to be taken seriously How to effectively combat forces through the power of prayer fasting and reading God's word The Christian must take authority in their walk with God as they experience opposition Reading this book will further help in understanding the things needed to be successful during spiritual warfare

Basic Training for Spiritual Warfare Steven Wiederwax, 2018-10-15 The Personality of God is the first book in a planned series called the Basic Training for Spiritual Warfare The Personality of God is based on Paul's writing to the

Corinthians 1 Cor 14 12 and 2 Cor 3 18 and his comparison of looking into a mirror we see unclearly the face of God and how it becomes clearer and more distinct as we are changed into the image of God This reflection we see is of the spiritual image of God and not his physical image This truth begs for the answer to what is God s spiritual nature or what are the personality traits of God that comprise this nature The Personality of God strives to answer this question by addressing the nature of God as it is revealed in the Bible Using both historical and modern Bible commentaries on scripture that documents God s personality the traces the evolution of thought concerning God s individual personality traits is explored Additionally where appropriate the book cites Biblical dictionaries and lexicons to explore the original Hebrew and Greek meanings of the various words to describe God s personality and the challenges facing the translators of the various Bible versions faced in accurately portraying what was written by the authors of the different books of the Bible Isaiah wrote that God teaches us and that we learn precept upon precept line upon line upon line a little here and a little there Is 28 10 Thus the Personality of God is intended to help teach us new precepts that our knowledge of God may increase The Personality of God is intended to help Christians to a greater knowledge and understanding of what it means to be more like God For Pastors and Sunday School teacher in can be used as a reference to help strengthen and encourage their congregation and students of becoming a strong witness for Christ

Spiritual Warfare the History of Biblical Warfare Mancel Brewington,2018-08-13 This is an important study on the subject of spiritual warfare As the time approaches for Jesus return the spiritual battles between God and evil are very real and present An invisible spiritual battle is certain and all are involved in this warfare The best option for understanding this eternal battle is the Bible The Scriptures are filled with a theology of spiritual warfare God s victory over evil in Christ is a part of God s redemptive plan Rev Brewington will help the reader better understand the reality of this warfare but also shows the reader how to defend his or her life family and church from these present dark influences SPIRITUAL WARFARE is a general introduction to the biblical history of spiritual warfare and a study of how the Bible reveals the mysteries surrounding the subject He wants all to know In reality the Christian life is not the exiting from all warfare but the entering into an awareness of a new reality and kind of warfare Most can relate to the experience of unwanted personal conflicts and spiritual struggles One of the best ways to understand and combat these conflicts is to understand the many mysteries of spiritual warfare in light of the entire Revelation of God and then put His truth into action These things I have spoken to you that in Me you may have peace In this world you will have tribulation but be of good cheer I have overcome the world John 16 33 Strengthening the souls of the disciples exhorting them to continue in the faith and saying We must through many tribulations enter the kingdom of God Acts 14 22
