"Thoughts for Each Step... Every Day" John Graham, 2011-06-10 Humanity must have food and drink each day in order to survival Humanity must pause for a time of rest each day in order to maintain the strength to perform the task of the following day Humanity must enter into some type of relationship with another person each day unless he began to feel isolated and inferior Just as the physical and psychological aspects of man must have certain

needs met each day so must the spirit of man We may go with the flow for awhile but deep within the confines of humanity is the soul And that soul must experience and enjoy a renewal Such renewal is found in a daily relationship with the Creator of life Man must pause from his daily routine and purposefully focus on the Word of God which in turn will enrich encourage and enable him to face each circumstance and condition that a days activities may confront him The Bible declares they that wait upon the Lord shall renew their strength they shall mount up with wings as eagles they shall run and not be weary and they shall walk and not faint Isaiah 40:31 KJV Within the pages of this daily devotional you will find strength stability and satisfaction awaiting you each step of every day

The Church of the Perfect Storm Leonard Sweet, 2010-09-01 The church is heading into a perfect storm of cultural forces Will you sink beneath the waves or ride the winds of the Spirit An array of cultural forces is coming together to present the church with unprecedented challenge and unequalled opportunity Such category 5 realities as postmodernism postChristendom attacks on belief in God and the threat of global warming have coalesced to make a perfect storm that will leave people uncertain of their place in the world and all they have previously believed in Like the disciples when Jesus calmed the storm the church can cower and cry out for relief Or when everything is spinning and whirling in the wind the church can go out to meet the storm embrace the gale and pass out kites From the Circuit Rider review Like other books Sweet has written and compiled The Church of the Perfect Storm is thought provoking and compelling The material flows in such a way that allows readers to grasp the gravity of the situation However as with most futuristic material there is also a sense in which readers may want to know Okay now what Where do we need to steer this ship Are mainline and evangelical churches so off course as to fail to weather the rising tides that are here and soon coming Readers of this volume may enjoy the description of a post Christendom world but they may also want to know more about the prescription for the days ahead Click here to read the entire review

Honeycutt,2021-08-24 Our days are filled with a variety of known and lurking fears Christians who name Jesus as Lord on Sundays are inundated with stories real and imagined inducing fear and caution throughout the week random violence health concerns the perceived threat of people different from us and economic worries to name a few News sources and national political leaders manipulate these fears in a fashion that threatens and sometimes usurps the church s ultimate trust in Christ A pastoral assumption at the core of this national anxiety is the looming fear of death spawning various supplemental protections that have little to do with the promises of Christ This fear of death and the false promises claiming to shield us from such may prompt us to nudge the One we call Lord to the margins of daily life or even solely to the afterlife a savior we ll all meet in heaven one day but whose quaint teachings have little to do with problems we re now facing In this book gifted storyteller Frank G Honeycutt calls on his many years of pastoral experience to examine one of the most stunning and overlooked theological claims of the New Testament how baptism radically unites followers of Christ in his death and resurrection In baptism we have already died Romans 6 Disciples commence life in the kingdom on this side of the grave Believing this with theological rigor and trust relieves personal and corporate anxiety about any day in the future when a believer stops breathing The Single Mom's Devotional Carol Floch,2011-08-25 When Carol Floch realized that her marriage was about to end and that she was about to join the ranks of moms left to raise their children on their own she could not stop crying She mourned her shattered hopes and grieved the loss of the family she had always dreamed of But mostly she cried for her children Into Carol s grief regret and fear God s Spirit came with a message from Psalm 84 Build your nest near my altar and I will be your children s source of security protection provision and blessing In The Single Mom s Devotional Carol tells her story and shares with the sisterhood of single moms how they can build their family s nest in the protective shadow of God s presence Single mothers whether on their own after a divorce or a husband s death will discover how to find true life in Christ and allow the strength of that inner life to be the compass by which they navigate an unpredictable future Near God s altar the cross of Christ is where single moms will discover life through relinquishment power through dependence and hope through surrender Anchored at the foot of the cross readers will find daily security and hope as they nourish their souls and nurture their children at a place near God s altar The Gospel of Christ , **Church Ahead** Bruce G.
