Spiritual Direction Ruffing, Janet K., RSM, 2000 Explores issues that arise in the advanced stages of spiritual direction from both a practical and theoretical perspective

Holy Listening Margaret Guenther, 1992-01-25 Guenther uses the images of the spiritual director as host teacher and midwife to describe the ministry of spiritual direction today She pays particular attention to spiritual direction for women and addresses such down to earth questions as setting time and privacy The stories of real people bring the practice of spiritual direction alive In the pages that follow I will attempt to describe the shape that spiritual direction might take for people of our time aware that the subject is an elusive one I am speaking to the beginner those persons lay or ordained with or without formal theological training who find themselves drawn to this ministry Perhaps they feel the stirring of their own unacknowledged gifts Or perhaps they wonder about receiving direction whether it is a ministry available to ordinary people or reserved for the especially holy I hope some dark corners will be illuminated and some questions answered

The Practice of Spiritual Direction William A. Barry, William J. Connolly, 2012-09-11 The Classic Work on Helping People Become Closer to God Fathers Barry and Connolly see the work of spiritual direction as helping people to develop their relationship with God In thinking and practice they have absorbed the insights of modern psychotherapy but have not been absorbed by them This highly practical book reflects the authors experience at the Center for Religious Development in Cambridge Massachusetts where spiritual direction is available and where directors are trained

Spiritual Direction in Context Nick Wagner, 2006-03-01 God

created us to be lovers writes Nick Wagner in his introduction to *Spiritual Direction in Context* When we love we are in right relationship We are acting for justice The ministry of every spiritual director in any context is to serve as a guide into the depths of that love relationship Here in this provocative collection of essays respected leaders in the field of spiritual direction explore the myriad of contexts in which this relationship takes place and offers practical ways to respond to them As the popularity of spiritual direction grows directors are facing situations that monks and nuns for centuries the exclusive practitioners of this profession never had to face The essays in this book drawn from *Presence* the journal of Spiritual Directors International look deeply at spiritual direction in a number of contexts including the workplace with the aging in hospitals with women's groups with youth with the homeless and with those in mourning *Spiritual Direction in Context* is the third in the SDI series Holy Invitations Jeannette A. Bakke, 2000-10-01 Learn how to nurture your awareness of and response to God's love and guidance through the historical practice of spiritual direction *The Way of Spiritual Direction* Francis Kelly Nemeck, Marie Theresa Coombs, 1993 It may well become a classic in this important area of spirituality It is the reader's opinion that if you read only one book on this subject this year *The Way of Spiritual Direction* should be the one John G Durbin STL **Spiritual Direction and the Encounter with God** William A. Barry, 2004 Is what we call the encounter with God merely a depth experience of the psyche or does it have a specific theological character In this revised edition of his best selling book William Barry shows how it is possible to understand an encounter with the Triune God in this world and how that process can be interpreted and aided by a spiritual director Using the insights of John Macmurray and John Smith Barry describes how a relationship with God develops and how one can discern whether a particular experience is from God or not This understanding of religious experience comes from a theology of community communal discernment and ministry in the church This book will be helpful to spiritual directors educators and theologians as well as all educated seekers desiring a deeper relationship with God In this revised edition the author has added reflections on God's presence to suffering and evil and to evildoers updated the bibliography and freshened his examples for the 21st century reader

Dennis Billy,2010-01-01 Although most of us have probably already heard of spiritual direction we may not have a clear idea of what it is or exactly what to expect from it This pamphlet is designed to present the basic elements of this important ministry in the Church and to provide a general sense of what might take place during a typical session Pamphlet Spiritual Direction Henri J. M. Nouwen,1981 An Open Place Daniel Schrock,Marlene Kropf,2012-11 Written from an ecumenical standpoint as a practical aid for moving those experienced in individual spiritual direction toward group practices This book responds to the movement to expand spiritual direction beyond the classic on with one model Group spiritual direction has the potential to offer the rich experience of individual spiritual direction to a much wider audience yet very little has been written to provide guidance for starting such groups This book responds to that challenge It outlines ways that a diverse and ecumenical group of spiritual directors worked to initiate groups in multiple contexts It examines the many variables among directors directees even meeting spaces that affect and enliven this ministry And it summarizes pitfalls success and discoveries
