The Gift of Spiritual Direction Wilfrid Stinissen, 1999 It is a truism that we live in a time of renewed spiritual self search and reflection the response some suggest to a feeling of meaninglessness or superficiality in one s spiritual life Many people search for someone who will listen guide and encourage them but entrusting one s very soulcare to another calls for a gifted guide Written for all those who in any way are involved in spiritual direction and pastoral care or wish to prepare for the same Stinissen s book discusses the qualities essential for such counselors advisers and is meant to renew and strengthen the Church s role as a primary source for meaningful spiritual therapy Among the themes explored are listening dialogue false and real feelings of guilt difficulties in prayer discerning God s will Every person longs to be able to expose himself to another human being in his full reality writes Stinissen with his light and his darkness and to be accepted and loved just as he is To that end he emphasizes the important role and responsibility of a spiritual director or soul friend In addition to reflecting on specific qualities or qualifications of the director Stinissen discusses some of the specific questions a director is likely to be asked by the directae and helpful ways of responding in various situations

Stinissen, 1999 **Holy Listening** Margaret Guenther, 1992-01-25 Guenther uses the images of the spiritual director as host teacher and midwife to describe the ministry of spiritual direction today She pays particular attention to spiritual direction for women and addresses such down to earth questions as setting time and privacy The stories of real people bring the practice of spiritual direction alive In the pages that follow I will attempt to describe the shape that spiritual direction might take for people of our time aware that the subject is an elusive one I am speaking to the beginner those persons lay or ordained with or without formal theological training who find themselves drawn to this ministry Perhaps they feel the stirring of their own unacknowledged gifts Or perhaps they wonder about receiving direction whether it is a ministry available to ordinary people or reserved for the especially holy I hope some dark corners will be illuminated and some questions answered Care of Mind, Care of Spirit Gerald G. May, 1982 **Short Term Spiritual Guidance** Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person s growth Bidwell s work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God s presence Focusing on how God is already active in the directee s life allows the participants to identify God s action and respond in ways that collaborate with that identified movement of the Spirit

May, 2009-03-31 Although secular psychology addressed a great deal about how we come to be the way we are and how we might live more efficiently it can offer nothing in terms of why we exist or how we should use our lives writes Gerald May in this classic discussion of the nature of contemporary spiritual guidance and its relationship to counseling and psychiatry For millions turning for answers to the world of the spirit May shows how psychiatry and spiritual direction are alike how they complement one another and how they ultimately diverge Sacred Companions David G. Benner, 2004-07-23 We need companions on our spiritual journey In this inviting guide David G Benner introduces readers to

the riches of spiritual friendship and direction explaining what they are and how they are practiced Through prayerful guided attunement to God's activity sacred companions provide care for the soul and Benner models the kind of traveling companion who can move us toward deeper intimacy with God
