*The Spiritual Human* Elise Fee, 2012-09-25 Preface As with everything in my life now this book is the product of inspiration inspiration that bubbled up within me first as a few poems appearing in my blog then as nudges to submit some of my poetry to contests which resulted in winning a third place award and publishing contract and finally as visions of how to organize this book Why poetry That s a great question and certainly one I ve asked myself I ve always enjoyed writing but typically it was prose with the occasional silly rhyming poem created for a niece s birthday For a year I enjoyed writing my daily blog sharing my thoughts and perspectives on life So it came as a surprise to me when suddenly poetry started flowing from my fingers seeking expression and form I watched as the poems easily conveyed emotions energies and concepts in ways that my prose didn t When the vision came for the organization of the book I marveled at the way life had arranged everything so perfectly 90% of the poems I had written would work together to create a guide book a poetic guide to life on Earth By using poetry to convey complex concepts via simple stories and analogies *The Spiritual Human* would offer readers a practical yet melodious resource on how to do life successfully as a human being We begin by delving into the human scene that we all experience followed by an exploration of our diverse and many times confusing emotions Then we journey into self love which is a prerequisite for everything that follows When we value and love ourselves we are ready to learn new tools and techniques for cultivating awareness and a new perspective on life so we can begin to enjoy life Then it s time to reach out toward others to expand our circle of love even wider With a supportive loving community in place we are ready to understand what it is to have true intimate soul love with a partner And as we live from a place of love for ourselves our community and our life mate we can step even deeper into the ocean of love as we begin to understand how we are all connected that in fact we are all one Finally we grasp what it means to live peacefully and happily following our internal knowing and accepting life just as it is We learn how to merge the human and the spiritual aspects of ourselves to live fully as a spirit in a human body to be a spiritual human I offer this poetic guide to life on Earth as a gift of love from my heart to yours I hope that you feel the words touching your soul penetrating your every cell and awakening the vibrant magnificent essence at your core It is your divine birthright to be happy to feel fulfilled to love and be loved to know peace in every circumstance and to delight in being alive I invite you to use this guide book to transform your life empower yourself and live your joy With my deepest love Elise

*The Authority of Female Speech in Indian Goddess Traditions* Anway Mukhopadhyay, 2020-08-27 Contemporary debates on mansplaining foreground the authority enjoyed by male speech and highlight the way it projects listening as the responsibility of the dominated and speech as the privilege of the dominant What mansplaining denies systematically is the right of women to speak and be heard as much as men This book excavates numerous instances of the authority of female speech from Indian goddess traditions and relates them to the contemporary gender debates especially to the issues of mansplaining and womansplaining These traditions present a paradigm of female

speech that compels its male audience to reframe the configurations of masculinity This tradition of authoritative female speech forms a continuum even though there are many points of disjuncture as well as conjuncture between the Vedic Upanishadic puranic and tantric figurations of the Goddess as an authoritative speaker The book underlines the Goddess's role as the spiritual mentor of her devotee exemplified in the Devi Gita and re-situates the female gurus in Hinduism within the traditions that find in Devi's speech ultimate spiritual authority Moreover it explores whether the figure of Devi as Womansplainer can encourage a more dialogic structure of gender relations in today's world where female voices are still often undervalued

*Webster's New International Dictionary of the English Language, Based on the International Dictionary 1890 and 1900* William Torrey Harris, Frederic Sturges Allen, 1911

*Encountering Eve's Afterlives* Holly Morse, 2020-02-06 *Encountering Eve's Afterlives* A New Reception Critical Approach to Genesis 2-4 aims to destabilize the persistently pessimistic framing of Eve as a highly negative symbol of femininity within Western culture by engaging with marginal and even heretical interpretations that focus on more positive aspects of her character In doing so this book questions the myth that orthodox popular readings represent the true meaning of the first woman's story and explores the possibility that previously ignored or muted rewritings of Eve are in fact equally valid interpretations of the biblical text By staging encounters between the biblical Eve and re-writings of her story particularly those that help to challenge the interpretative status quo this book re-frames the first woman using three key themes from her story sin knowledge and life Thus it considers how and why the image of Eve as a dangerous temptress has gained considerably more cultural currency than the equally viable pictures of her as a subversive wise woman or as a mourning mother The book offers a re-evaluation of the meanings and the myths of Eve deconstructing the dominance of her cultural incarnation as a predominantly flawed female and reconstructing a more nuanced presentation of the first woman's role in the Bible and beyond

**Am I The One You Are Looking For?** James L. Crawford,2021-03-16 It was in those days when year after year everything turned to mud One day in a depressed state of mind I gave up If there is a God would he help me Time passed by Months turned into one long day Nothing changed Then one day I called in sick stayed home and laid down I fell asleep and a vision appeared I was in a dark room sitting in a wooden chair facing a closed door Then a light shown under the door A fear came over me Someone was on the other side of that door The door opened slowly and a warm bright light flooded the room A man dressed in a white robe stepped forward stood in the doorway and asked me Am I the One You Are Looking For I fell to my knees and crying I said Yes The last thing I saw was a small little boy holding hands with this man as they walked up the dirt path That was me and He was the Christ the Son of the Living God In that moment I decided to leave what the world calls society and entered into a world of spirituality that only those who enter it can understand I pray you the reader may someday walk the one and only path that leads you into the world of spirituality and leads you out of the darkness of today s society and addictions God bless you and may the Lord have mercy on you James L Crawford Author
