an extensive introductory essay     The Spiritual Event of the Twentieth Century Jesaiah Ben Aharon,1993-01-01 Jesaiah Ben Aharon is a co founder of the anthroposophical kibbutz Harduf in which diverse initiatives are linked together in new social and economic forms In 1986 he was invited to teach Rudolf Steiner s educational ideas in a teacher training college in Tel Aviv Through attempting to utilize and unite the spiritual paths in his research Jesaiah Ben Aharon was led to concentrate on the beginning of the second third of this century especially the 12 years 1933 45 This period can be said to encompass the Spiritual Event of the Twentieth Century Through coming to a fully conscious comprehension of this event we may gain the courage needed to renew and enliven anthroposophy as the universal human language of our age     **The New Experience of the Supersensible** Jesaiah Ben-Aharon,2007 According to Rudolf Steiner s spiritual science the greatest spiritual event of our time is the renewal and reawakening of our human suprasensory relationship to the higher spiritual worlds The force that leads to this development called by various names in different cultural and religious traditions is called the Christ impulse by Anthroposophy in accordance with Christian terminology Because of new naturally endowed suprasensory faculties human beings are increasingly able to experience and perceive through an act of grace the great spiritual force of the Christ impulse This experience is said to be a naturally given initiation and today we increasingly hear of such suprasensory experiences Today however a healthy approach to these natural phenomena requires us to comprehend suprasensory experiences with full awareness and clear thinking This book builds an all important bridge between the naturally given suprasensory experience and its conscious cognition As a result empirical suprasensory research can investigate the different aspects of Christ s etheric becoming and appearance in a way that both methodically and experientially fulfils the justified cognitive and scientific requirements of our age This new paperback edition adds a new introductory chapter     The Twilight and Resurrection of Humanity Yeshayahu (Jesaiah) Ben-Aharon,2020-05-26 This unique work the fruit of many decades research and experience throws new light on the supersensible history and karma of the Michaelic movement since Rudolf Steiner s death It describes that movement s evolution and transformation in the etheric world during the twentieth century from the world changing apocalypse of the 1930s and 40s through to the beginning of its incarnation on Earth at the end of last century The book also focuses on developments in the practical and social work of building the community of the School of Spiritual Science which embodies the new Michaelic movement in our time As Ben Aharon indicates the Michaelic movement is searching for creative courageous and enthusiastic souls to foster a strong community that develops from one decade to the next as a living organism Based on the continuous resurrection of anthroposophy this community strives to create a fully conscious meeting and communication with the school of Michael and Christ in the etheric world in a form that is appropriate and demanded by the times The transcripts of these lectures bring together the author s experiences with anthroposophy over the last 42 years in the light of present communications from the spiritual world It is based on contemporary spiritual investigation and individual lived experience From the Contents The

How can our souls unite with the etheric Christ experienced in the etheric world since the end of the last century What steps should we take in the second century of the age of Michael to unite with Him At the centre of humanity's evolution stands the Mystery of Golgotha through which the Christ impulse entered the earth Anthroposophy said Rudolf Steiner was given at the beginning of the last century to prepare for the second major Christ event the etheric Second Coming beginning in 1933 This Event is the portal that leads to the mighty and transformative happenings taking place in the etheric world right now enabling us to meet the etheric Christ Michael and Anthroposophia At the heart of this book is an existential question Early in his anthroposophical work Ben Aharon came to realize that without the light of spiritual science the meeting with the etheric Christ remained simply a personal experience Likewise without the new life forces streaming from the etheric Christ anthroposophy was merely a body of knowledge frozen in time Both needed each other But how was that mutually enlivening bridge to be built Speaking candidly of his personal spiritual path and inner struggles of consciousness Ben Aharon tackles this fundamental dilemma as a prelude to the forthcoming second edition of his book The New Experience of the Supersensible Contents include The Ur Phenomena of the Modern Christ Experience Paul's Christ Experience and the Birth of Christian Platonism The Michaelic Yoga The Platonic Aristotelian Essence Exchange at the End of the Twentieth Century The Meeting with the Etheric Christ The Abyss and the Event of the Threshold The Knowledge Drama of the Second Coming The Meeting with Michael The Meeting with Anthroposophia **Searching for the Spirit of the West** Luigi Morelli, 2023-05-29

How can the West rediscover its authentic spirit Exploring the period from 1899 to 1945 from the end of the US frontier and the writing of The Wonderful Wizard of Oz to the conclusion of World War II and the dropping of the atom bomb Luigi Morelli traces the events that led the United States to become the world's dominating imperial force America he demonstrates is deeply connected to Britain Germany and Eastern Europe particularly Russia Yet despite their tragic collective histories there is hope for the future if only America can claim its true task Searching for the Spirit of the West challenges many of the falsehoods that pass for mainstream history Utilizing a wealth of documented evidence from the research of overlooked historians economists social and spiritual thinkers the author takes a symptomatic view of the past revealing hidden longer term trends This approach offers a new understanding of events such as the rise of Nazism the Great Depression the new Deal and even the roles of banking and clandestine brotherhoods in world history Morelli also appraises The Wonderful Wizard of Oz in parallel with America's cultural achievements Through imagination L Frank Baum's contemporary fairy tale enables us to intuit the true mission of the West and its potential contribution to world culture now and in the future *Spiritual Science in the 21st Century* Yeshayahu Ben-Aharon, 2017-10-09 With love humour and brilliant

*The Future is Now* Sevak Gulbekian, 1999 Rudolf Steiner spoke at various times of a period that encompasses the end of the twentieth century and the beginning of the new millennium He described it as a time of great spiritual struggle in which forces of destruction would wage war on benevolent forces and how the future of culture and civilization would depend on the outcome In his many statements on this matter Steiner warned in particular members of the Anthroposophical Society and movement that they would be called on to develop vital spiritual capacities that are becoming increasingly critical for human progress In these eighteen essays contributors offer their thoughts on the question of where anthroposophy in its earthly manifestation now stands and to what extent it is fulfilling its tasks This commentary on the challenges ahead offers us all a chance to reassess prepare and wake up This compilation features eighteen essays by Jesaiah ben Aharon Mario Betti Terry Boardman Peter Bridgmont Gilbert Childs Dor

Karsten Massei, 2025-09-25 Over time I realized that Sophia has long since united herself with the human being It became apparent to me that her sphere of being has become the sphere of the human soul With a strong emphasis on personal inquiry Karsten Massei provides a unique guide to inner pathways that lead to Sophia using spiritual writings meditations and imagery He reveals Sophia as a goddess who embodies diverse aspects of ancient creative deities such as Isis Gaia Athene and Persephone who have accompanied humanity through the ages Though each journey toward her is personal they share a common goal to deepen our understanding of life and infuse it with wisdom This book invites readers to awaken their own direct experience of the spiritual being known as Sophia Drawing on his personal spiritual investigations and inspired by figures such as Hildegard of Bingen and Jacob Boehme who both encountered Sophia consciously Massei explores her relevance to our time and her significance for the modern soul Who is Sophia How can we come to know her And what can we do to develop our own insights and relationship with her These are the questions at the heart of this profound and timely work The gateway to Sophia is wide open I was surprised that nothing obstructed my entry into her intrinsic sphere except my reticence or perhaps my sense of inadequacy or lack of trust Her light illumines our souls whether we wish it or not

*Love* Pietro Archiati, 2025-04-21 What our world needs most of all today is love because the deepest albeit often unacknowledged human longing of our time is the longing for true love Pietro Archiati The word love has become so hackneyed that it can mean almost anything Yet the concept or idea of love remains one of most unfathomable mysteries of human life Here in five carefully sculpted chapters Pietro Archiati takes up the challenge to illuminate and expand upon our understanding of this most fundamental and unique quality of human existence beginning with the great themes of Love and Hate the salt and pepper of life and concluding with Realism and Idealism Is it really possible to love the whole of humanity And how do we balance individual freedom with the ideal of fraternity Along this journey the author asks and addresses numerous questions such as What are the causes of sympathy and antipathy and is love more than a feeling What do masculine and feminine really mean today and what role does sexuality play in freedom What value is the heart without the head and the head without the heart And what do the great religions in particular Islam and Christianity have to say on these subjects Archiati tackles the difficult and problematic topics of Love and Sexuality Love and Death and Love and Reason As a special focus he investigates the logic of the heart and what it can mean for humanity s future development

**Spirit-empowered Christianity in the Twenty-first Century** Vinson Synan,2011 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well If any generation ceases to accentuate this emphasis the movement likely will forfeit the right to be recognized as such When the Pentecostal message is preached published and proclaimed through triumphant song an atmosphere is sustained for people to experience anew and again the reality of salvation holiness charismata wholeness and hope Such a revival will be biblically based rationally sound traditionally accurate and experientially real Spirit Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa OK in April 2010 These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century For example one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive Another portion will highlight Charismatic adaptations for reaching this present age discussing issues of social and economic justice prosperity and suffering challenges to urban ministry the future of the next generation Oneness Pentecostalism and missiological aims in North America **The Spiritual Event of the Twentieth Century** Yeshayahu (Jesaiiah) Ben-Aharon,2025-05-05 On the eve of the 33rd anniversary of its publication The Spiritual Event of the Twentieth Century remains an exceptional work On the one hand the author offers a pioneering first hand testimony of Rudolf Steiner s prophetic statements regarding the new Christ Revelation On the other he presents his own findings based on Imaginative consciousness of the Spiritual Event of the
