Storytelling and Spirituality in Judaism Yitzhak Buxbaum,1994-09-01 The purpose of this book is to elevate stories and storytelling in people s esteem so they will understand their holiness and appreciate them at their full worth There are those who enjoy stories and storytelling but in the back of their minds think After all they re only stories But in the same way that the Western Wall of the Temple is not just a wall a mere pile of stones neither are the stories of the Torah or of the tzaddikim just stories Holy stories are the light of the world When we understand that when both tellers and listeners know they are engaged in sacred activity we will hold stories and storytelling more dear The teller will tell with the tongue of faith the listeners will hear with ears of faith and the circle of holiness will be closed from the Introduction **Studies in Jewish**

The Jewish Encyclopedia: Italy-Leon ,1925 *Mystical Union in Judaism, Christianity, and Islam* Moshe Idel,Bernard McGinn,2016-10-06 Mystics who have spoken of their union with God have come under suspicion in all three major religious traditions sometimes to the point of condemnation and execution in the case of Christianity and Islam Nevertheless in all three religions the tradition of unio mystica is deep and long Many of the spiritual giants of these three faiths have seen the attainment of mystical union as the heart of their beliefs and practices Despite its importance mystical union has rarely been investigated in itself apart from the wider study of mysticism and even more rarely from the aspect of comparative studies especially those based upon broad and expert knowledge of the inner life of the three related monotheistic faiths This text brings together essays that equally explore the broader idea of unio mystica as well as the mystic traditions within each religion *The Menorah* ,1894 **Spirit Possession in Judaism** Matt Goldish,2003 Goldish has edited an extremely important collection of essays that promises to radically transform the way many people view Judaism One of the volume s most useful features is its wide historical scope This collection explores different forms of possession including dybbuk malevolent possession the best known phenomenon and lesser known types such as ibbur impregnation gilgul reincarnation and maggid angelic mentor

Happiness in Premodern Judaism Hava Tirosh-Samuelson,2003-12-31 It is not common to think that Jews were interested in happiness or that Judaism has anything to say about happiness On the contrary the concept of happiness was a central concern of Jewish thinkers Hava Tirosh Samuelson shows that rabbinic Judaism regarded

itself primarily as a prescription for the attainment of happiness and that the discourse on happiness captures the evolution of Jewish intellectual history from antiquity to the seventeenth century These claims make sense if one understands happiness as human flourishing on the basis of Aristotle s thought in the Nichomachean Ethics Linking virtue knowledge and well being Aristotle s analysis of happiness can be traced in Jewish understanding of human flourishing as early as the Greco Roman world but the fusion of Greek and Judaic perspectives on happiness reached its zenith in in the Middle Ages in the thought of Moses Maimonides and his followers Even the controversies about Maimonides ideas could be viewed as discussions about the meaning of happiness and the way to attain it within Judaism Much of this book then concerns the reception of Aristotle s Ethics in medieval Jewish philosophy This book shows how a certain notion of happiness reflects the intellectual culture of a given period including cultural exchanges among Judaism Islam and Christianity Demonstrating the discourse on happiness as a dramatic interplay between Wisdom and Torah between philosophy and religion between reason and faith Hava Tirosh Samuelson presents to specialists and non specialists alike a fascinating tour of Jewish intellectual history

Meditation and Judaism DovBer Pinson,2004 Meditation and Judaism is a comprehensive work on Jewish meditation encompassing the entire spectrum of Jewish thought_from the early Kabbalists to the modern Chassidic and Mussar masters the sages of the Talmud to the modern philosophers Both a scholarly in depth study of meditative practices and a practical easy to follow guide Meditation and Judaism is for anyone interested in meditating the Jewish way The word meditation calls to mind the traditional obvious associations that society has accumulated Meditation and Judaism attempts to broaden our view of meditation demonstrating that meditation is prevalent within so many of the common Jewish practices While there are many paths that lead in the same direction the ultimate destination of meditation is a metamorphosis into a more G dly and spiritual person This scholarly work is sourced in authentic Jewish thought yet it has been written in a manner that will appeal to the modern reader It is an enlightening read for the scholar and the layman alike

"Not by Might, Nor by Power" Moshe Menuhin,2017-03-07 With a new introduction by Adi Ophir An early and fierce critique of Zionism from a Jewish child of Palestine who argued against nationalism and injustice Born in 1893 Moshe Menuhin was part of the inaugural class to attend the first Zionist high school

in Palestine the Herzliya gymnasium in Tel Aviv He had grown up in a Hasidic home but eventually rejected orthodoxy while remaining dedicated to Judaism As a witness to the evolution of Israel Menuhin grew disaffected with what he saw as a betrayal of the Jews spiritual principles This memoir written in 1965 is considered the first revisionist history of Zionism A groundbreaking document it discusses the treatment of the Palestinians the effects of the Holocaust the exploitation of the Mizrahi Jewish immigrants and the use of propaganda to win over public opinion in America and among American Jews In a postscript added after the Six Day War Menuhin also addresses the question of occupation This new edition is updated with an introduction by Israeli philosopher Adi Ophir putting Menuhin s work into a contemporary historical context Passionate and sometimes inflammatory in its prose and met with controversy and anger upon its original publication under the title *The Decadence of Judaism in Our Time* Menuhin s polemic remains both a thought provoking reassessment of Zionist history and a fascinating look at one observer s experience of this embattled corner of the world over the course of several tumultuous decades
