Restore Such a One Lance M. Bacon, 2024-08-01 Widespread deficiencies in spiritual formation see an increasing number of ministers buckle under the significant burdens common to the task There are seasons when a powerful triad of the flesh the world and the devil converge Eph 2 2 3 cf Jas 3 15 and 1 John 2 16 Misdirected attempts to fulfill emptiness find worth or heal longstanding wounds ensue Widespread instances of sexual immorality result Sound exegesis and analysis of theological doctrine presents an allowance in certain cases for ministerial restoration However this necessitates an intimate and intricate approach that differs significantly from the varied solutions churches and denominations offer Few restoration programs bring a biblical response to bear Remarkably rare are restoration programs that look to correct causal factors and commit to congregational care This program orients itself on an understanding of brokenness and the need for holistic re formation The latter requires fallen ministers to progress beyond biblical confession and repentance to partner with the Holy Spirit and key authorities such as an overseer mentors Christian mental health professionals and a designated congregation The unitive goal is a sanctifying psychopathology that properly diagnoses spiritual and emotional health eradicates the adverse influences of emotional cultural and spiritual factors and redirects self oriented patterns of thought and behavior

Encouragement from the Psalms Dr. B,2023-06-12 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord *Dedham Pulpit, Or, Sermons by the Pastors of the First Church in Dedham, in the XVIIth and XVIIIth Centuries* Ebenezer Burgess,1840 *Tending to the Holy* Bruce G. tradition with the commonplace practices of pastoral ministry Bruce and Katherine Epperly utilize a variety of spiritual disciplines especially Benedictine Celtic Ignatian Rhineland and process spiritualities to provide a framework for helping clergy nurture the awareness of God creative imagination and personal well being in every aspect of their ministerial lives Practicing God's presence in the ordinary tasks of ministry inspires wholeness spiritual transformation vision imagination endurance and healthy self differentiation in ministry Commitment to joining spiritual practices with the routine and repetitive tasks of ministry provides an important antidote to unhealthy stress burnout and loss of vision in ministry By seeing their congregational leadership in terms of spiritual transformation imaginative practice and relational interdependence ordinary ministerial practices can become ways pastors can deepen their relationship with God Growing out of their work with pastors at every season of ministry as well as combined ministerial experience of nearly sixty years Bruce and Katherine Epperly invite pastoral leaders to complement and expand on their understanding of spiritual leadership pastoral excellence and self care integrating traditional and contemporary spiritual practices with the concrete arts of ministry
