Corey's Mastering Spiritual Gifts Robert D. Corey, 2012-11. Over the years of my Christian education ministry in a number of different churches I have been troubled by the lack of use of spiritual gifts in the church body. To most churches credit they occasionally mention them and acknowledge that they exist but beyond that spiritual gifts are the orphans and lepers of the Christian walk. If you were to walk into the average church in America today and ask the first person you met to tell you about their spiritual gifts and how God is using them in their ministry most likely they couldn't tell you much. My interest in spiritual gifts started when I first got involved in discipleship years ago. The goal was to produce and reproduce mature believers that could minister effectively in the power of the Holy Spirit and bring forth fruit. I believe that inevitably the discipleship process must somehow incorporate the use of the spiritual gifts mentioned in Romans, Corinthians, and Ephesians. The question that everyone struggles with is how. To this end I decided to write what I call a transferable teaching manual on spiritual gifts. Anyone who has studied spiritual gifts has struggled with many of the following issues: Where does the Bible talk about spiritual gifts? What are the specific spiritual gifts I could possibly have? If all the spiritual gifts are not for today, what is the rationale? What is the explanation of each gift so I can see if I might have it? How can I know I have a spiritual gift? These and many other reasons are a great deal of the reason why very few Christians ever truly identify their spiritual gifts and use them effectively in ministry. This study also is a guide for believers to review and refresh their use and understanding of spiritual gifts.

Discovering Your Spiritual Gifts Kenneth C. Kinghorn, 2010-09-01. Discovering Your Spiritual Gifts: A Personal Inventory Method is designed to help Christians identify the specific gifts God has given them. While no Christian possesses every gift of the Spirit, every Christian does have some of God's wonderful gifts. And to be effective in ministry, Christians must find and use these gifts. This volume features an inventory of spiritual gifts designed to be taken either in a group or privately. This book will help clear up certain misconceptions about spiritual gifts and assist Christians in discovering the gifts God has within them.

Stirring Up Spiritual Gifts Thomas A. Nivar, Sr., 2021-08-30. As time passes in recent days and years, what was once considered normal and consistent is taking on a new meaning. While the predictions and projections of this world's demise, i.e., the world is coming to an end or Jesus is coming soon, are not new, however, the political, social, and economic climates have been giving people pause and wonderings of late. Despite all, God is

constant as is His word thus they have not changed Therefore He continues to compel His children to impact the world regardless of what may or may not be happening in it As believers in Jesus Christ we have been given the Great Commission to go into all the world and proclaim the Good News for the purpose of winning souls for the kingdom of God Some would ask How can a mere person as myself do something like that With such a charge God has not left us ill equipped to accomplish such a feat From the newest believer in Jesus Christ to the most eloquently seasoned minister of the gospel each has been given spiritual gifts to further God s kingdom building plan Stirring Up Spiritual Gifts is a biblically based practical guide that establishes a foundation for its readers to Identify what are the spiritual gifts Gain insight of how the gifts were and are still being used today Identify one s own spiritual gift s and be compelled to utilize these God given tools while there is yet time to do so
