The Ministry Gifts of the Holy Spirit Billy M. Lauderdale, 2017-06-23 Perhaps one of the most misunderstood things in the Bible is the Holy Spirit Most people know that it is a part of the Holy trinity some may even know about the baptism of the Holy Spirit however most people rarely go beyond that The Holy Spirit is significantly more important than most Christians understand It s not only important to us but the Church as well Today more than ever we need to understand the Holy Spirit as well as the gifting of the Spirit We read in Ephesians 4 11 that the Lord gave us gifts to be used These gifts are known as ministry gifts they are to be used to perfect the church They were all but forgotten however they were restored to the church by the reawakening of the charismatic movement Like all things of God the Devil has a counterfeit which had led to much confusion and misunderstanding it has also led to much abuse Today He is restoring a biblical understanding of what these roles and callings mean The church has come a long way even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body However when the gifts are recognized and they start taking their rightful places the Church can come into its maturity Having all five offices in place in the church does not mean it is free from all work and responsibilities on the contrary It will find itself in a place of growth and equipping that nobody has ever dreamed possible Only when the church becomes what God meant it to be with all of the gifts of the Holy Spirit as well as the five fold ministry gifts in place will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us to make disciples of all nations doing the same works He did and even greater That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever Over the years there have been volumes written on the subject of spiritual gifts Lists have been compiled and test written and administered with various degrees of success and understanding Even with all the differing opinions from various people the study and application of knowing one s spiritual gift can have the greatest of impacts on the character of the church and its membership Once you understand what your gifting is it will bring a greater sense of pleasure purpose and security In today s Church the gifts of ministry are needed more than ever however we don t see them in action very often some people may even have gone their

entire life and not see the gifts working Some may have a general idea of what they are while others may not know what they are Most who do know of the Gifts of the Spirit are often confused about them How often does someone misunderstand how they work and confuse the use of them Such as the prophet and the gift of Prophecy both are gifts of the Spirit but each is different in how they are used For example all prophets have the gift of prophecy and can use the gift of prophecy but not all people who can prophecy are prophets With the reawakening of the charismatic movement the gifts of the spirit Spiritual gifts has been reawakened and brought back into the church It is sad to say that in today s church the use of Spiritual gifts are the source of much controversy and confusion among believers Some churches and or their demotions won t allow them because they don t know them are they fear them This is interesting and something of a sad commentary since these gifts are meant to be graces from God for the edification of the church Even today as in the early church the misuse and misunderstanding of spiritual gifts have brought division splitting up rather than building up in the church Here in this book I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts and help you to understand what the gifts are and how they can benefit the Church

Spiritual Gifts J. Terry Monahan, 2013-02 God gives every Christian at least one spiritual gift to use in their ministry But some Christians do not use it too fearful of what others may think including their own church family Yet overcoming this trepidation is paramount to doing God s work on earth Drawing on his experience in the ministry Dr J Terry Monahan offers practical insights on spiritual gifts and how to use them in this inspiring guide When members of the earthly body of Christ freely and joyfully use their spiritual gifts together they in turn will reflect Jesus With knowledge and precision Monahan examines the reasons God gives us spiritual gifts their role in the church and their importance to the spiritual health of Christianity as a whole Monahan provides an in depth explanation of each of the spiritual gifts listed in the Bible and helps you identify your own gifts You ll learn how your personality reflects your dominant spiritual gift and how to distinguish when the Holy Spirit is in and out of control of your life In addition Monahan gives examples of how spiritual gifts have been used by various people in different circumstances Do not let the enemy keep you from using your spiritual gifts Instead embrace them further the mission of the church and live your life with purpose and joy
