Duquene,2017-11-02 According to the divine revelation church is the mystical Body of Jesus Christ in the world God in his infinite wisdom has foreseen a great diversity of members in the Body under Leadership of the head that is Jesus Christ Indeed each member has at least a spiritual gift However just think the five ministries are essentially the canvas in a Christian congregation It is written God made gifts to men He gave some to be apostles others to be prophets others to be evangelists others to be pastors and teachers to prepare God s people for work of service so that the body of Christ may be build up until we have all come to unity of faith and the knowledge of the Son of God **The Ministry Gifts of the Holy**

Spirit Billy M. Lauderdale,2017-06-23 Perhaps one of the most misunderstood things in the Bible is the Holy Spirit Most people know that it is a part of the Holy trinity some may even know about the baptism of the Holy Spirit however most people rarely go beyond that The Holy Spirit is significantly more important than most Christians understand It s not only important to us but the Church as well Today more than ever we need to understand the Holy Spirit as well as the gifting of the Spirit We read in Ephesians 4 11 that the Lord gave us gifts to be used These gifts are known as ministry gifts they are to be used to perfect the church They were all but forgotten however they were restored to the church by the reawakening of the charismatic movement Like all things of God the Devil has a counterfeit which had led to much confusion and misunderstanding it has also led to much abuse Today He is restoring a biblical understanding of what these roles and callings mean The church has come a long way even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body However when the gifts are recognized and they start taking their rightful places the Church can come into its maturity Having all five offices in place in the church does not mean it is free from all work and responsibilities on the contrary It will find itself in a place of growth and equipping that nobody has ever dreamed possible Only when the church becomes what God meant it to be with all of the gifts of the Holy Spirit as well as the five fold ministry gifts in place will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us to make disciples of all nations doing the same works He did and even greater That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever Over the years there have been volumes written on the subject of spiritual gifts Lists have been compiled and test written and administered with various degrees of success and understanding Even with all the differing opinions from various people the study and application of knowing one s spiritual gift can have the greatest of impacts on the character of the church and its membership Once you understand what your gifting is it will bring a greater sense of pleasure purpose and security In today s Church the gifts of ministry are needed more than ever however we don t

see them in action very often some people may even have gone their entire life and not see the gifts working Some may have a general idea of what they are while others may not know what they are Most who do know of the Gifts of the Spirit are often confused about them How often does someone misunderstand how they work and confuse the use of them Such as the prophet and the gift of Prophecy both are gifts of the Spirit but each is different in how they are used For example all prophets have the gift of prophecy and can use the gift of prophecy but not all people who can prophecy are prophets With the reawakening of the charismatic movement the gifts of the spirit Spiritual gifts has been reawakened and brought back into the church It is sad to say that in today s church the use of Spiritual gifts are the source of much controversy and confusion among believers Some churches and or their demotions won t allow them because they don t know them are they fear them This is interesting and something of a sad commentary since these gifts are meant to be graces from God for the edification of the church Even today as in the early church the misuse and misunderstanding of spiritual gifts have brought division splitting up rather than building up in the church Here in this book I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts and help you to understand what the gifts are and how they can benefit the Church

Your Spiritual Gifts Can Help Your Church Grow C. What Are the Spiritual Gifts? J. D. Myers, 2019 Let s cut through all the nonsense about spiritual gifts Here is a down to earth discussion about what the spiritual gifts are how to discover your spiritual gifts and how to use them in the real world This book answers such questions as Why did God give spiritual gifts What are the spiritual gifts How can I know my spiritual gifts Are some spiritual gifts better than others What are the dangers of the spiritual gifts Have some spiritual gifts ceased What about the spiritual gift of tongues How can I embrace and use my spiritual gifts This book also includes a 125 question Spiritual Gift Inventory test

Unfettered Spirit Robert D. Cornwall, 2013-06-21 All too frequently studies of the gifts of the Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It s much easier to simply close the doors and windows than it is to deal with the wind John 3 8 After all they ve seen the wind blow out the candles disarrange the altar

vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is *Unfettered Spirit Spiritual Gifts for the New Great Awakening* Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a progressive or any other label you might find for yourself or your church you will profit from reading this book

The Holy Spirit and Spiritual Gifts Max Turner, 1997-11-01 Questions regarding the role of the Holy Spirit and spiritual gifts in the life of the believer and the church today continue to be asked Professor Max Turner suggests that the place to begin answering such questions is the New Testament What do the writers of the New Testament say about the work of the Holy Spirit and how can we understand spiritual gifts for today Turner looks carefully at the gospels of Luke and John and the writings of Paul and explores how they took over and developed Old Testament and intertestamental notions of the Spirit Then he asks how looking at ancient witnesses informs our contemporary understanding

Spiritual Gifts Curriculum Phillip Porter, Janice Porter, Ethel L. Norwood, 2017-03-07 Do you know what a spiritual gift is Would you like to discover your spiritual gifts Do you know how many spiritual gifts you have Do you know how to effectively use your spiritual gifts to benefit the vision and mission of your church and family This spiritual gifts guide is design to initiate a study of the individual gifts mentioned in the Bible as a part of the process of each person's discovering his or her gift or gifts This workbook is not dogmatic in its approach nor does it offer the last word about any particular gift or spiritual gifts in general However it should provide an excellent handle on spiritual gifts for members of churches families and other faith based organizations who seriously want to learn more about spiritual gifts in order to achieve their vision and mission
