Spirit Hunger Gari Meacham, 2012-10-23 We all have a desperate need for God not just for following him or being committed to him but to be intimately connected to him We long for purpose for affirmation for attention for nurture But Gari Meacham writes that we fall short of being desperate for God or we miss the longed for romance with God we hear about in scripture We re uncertain how to distinguish our longings from our fears When says Meacham did our longings turn to hauntings And when did we buy into the counterfeit yearnings for control and the insecurity perfectionism and other attitudes that quench Spirit Hunger The answer to Spirit Hunger is to engage God like never before In this book Meacham shows through her story and the stories of others how to turn worry into belief problems and heartaches into a life of intimate prayer and sighs for intimacy into closeness with God She discusses her discoveries about prayer including why asking is sometimes hard how we can notice and track God s movements as we seek his answers and why it s sometimes such a struggle to believe after we ve prayed Meacham writes With the authenticity of my own life stories marriage to a professional baseball player struggles with severe food bondage and a father who was a quadriplegic I came to the crisp realization that my prayer life and my belief needed to match Spirit Hunger provides a clear path towards matching these heart cries leading away from crumbs and counterfeit to a hungering for God **Spiritual Hunger** Allan G. Hunter, 2012-02-01 From daily activities such as work and eating to milestones such as graduation and marriage this discussion debates the myths that guide lifestyles and questions why they exist in the first place Each belief is broken down and examined in terms of how it works exposing its true nature so that its value and necessity in culture as well as the way it operates can be determined This unique self help guide demonstrates how to reinvent old outdated rituals get rid of those rites that are entirely ineffective and create new habits that provide a deeper meaning to everyday life A gateway to finding a better understanding of what contributes to healthier relationships this guide to rituals paves the way to sustaining a fulfilling and happy life Spirit Hunger Workbook Gari Meacham, 2013-05-01 In this six session small group Bible study DVD digital video sold separately Spirit Hunger Gari Meacham peels back the layers of lesser loves we use to fill our true hunger for a relationship with God It s often tempting to stay safe with God Do your prayers reflect the desire you have to communicate with God Do you listen for God or talk right over him What would happen if you truly abandoned yourself to

experience an adventure with God Gari invites you to get gutsy with God In Spirit Hunger she journeys with you to the raw places of desiring God and discovering a faith filled way of praying and believing the God we adore Spirit Hunger unwraps our heart's desire to engage God even when we cover that desire with lesser loves Meacham writes With the authenticity of my own life stories marriage to a professional baseball player struggles with severe food bondage and a father who was a quadriplegic I came to the crisp realization that my prayer life and the belief needed to match Spirit Hunger provides a clear path towards matching these heart cries leading away from crumbs and counterfeit to a hungering for God Relatable and relative Gari addresses the following topics in Spirit Hunger Longing and Numbing Are these sighs of a hungry spirit Believing Is our prayer life really a worry life Travailing and Shouldering Do we understand how to pray with an intensity and intimacy Questioning What about the outcomes we can't reason with or explain Sessions include Hiding Controlling and Mocha Lattes Engaging God From Longing to Prayer Whispers and Screams How Do We Pray The Guts to Believe Listening Postures Who's in Charge Designed for use with the Spirit Hunger Video Study sold separately When used together they provide users with practical tools that transform their faith

Treating the New Anxiety Kirk A. Bingaman, 2007 A new form of anxiety has emerged stemming in part from our post 9 11 reality but even more stemming from the influence of supermodernity Whereas postmodernism theorizes an anxiety that results from the collapse or loss of meaning through the lens of supermodernity it appears that the new anxiety is evoked more by an excess of meaning generated by the rapid acceleration of human life and the media's daily bombardment with serious global national and local concerns This book explores the nature of the anxiety our supermodern condition provokes and proposes that with the void left by the diminishment of religious involvement and practice the therapy session becomes the definitive place for meaning making Building on a cognitive therapy approach that emphasizes the client's belief system Bingaman demonstrates that to treat this new anxiety most effectively practitioners must help clients identify and explore their core theological beliefs and spiritual values

Preaching to the Hungers of the Heart James A. Wallace, 2002 Preaching to the Hungers of the Heart is about words most particularly it is a book about the Word the living Word of God found in the Scriptures and embodied once and for all in the person of Jesus the Word made flesh In Preaching to the Hungers of the Heart Fr James Wallace offers a nuanced consideration of the homily as nourishment He focuses on three common liturgical contexts feasts of the Lord feasts of Mary and the saints and the sacramental rites He relates the preaching that occurs within each area to one of the heart's basic hungers for wholeness the great feasts of the Lord for guidance feasts of Mary and the saints and for meaning various rites He also addresses the spirituality of the preacher as it is worked out in the process of preparation For preachers and students in schools of ministry who are preparing to preach Preaching to the Hungers of the Heart will serve as a useful tool

to help satisfy the hunger to preach the Gospel It includes homilies that provide excellent starting points for preachers looking for ideas Chapter one considers the image of feeding God's people with the Word of God Chapter two considering the innermost hunger of the human person looks to the preaching that takes place on the great feasts of the Lord and how such preaching can nourish the hunger for wholeness Chapter three returns to the hunger for meaning already mentioned and extends to the other sacramental celebrations the homily's capacity to meet this hunger including those addressed by the various sacramental celebrations of the Church such as baptisms weddings funerals rites of reconciliation and anointing of the sick Chapters four and five present the homily as responding to the hunger to belong The final chapter considers one other hunger of the heart unique to the preacher referred to by John Paul II as a hunger to preach the gospel Pastores Dabo Vobis no 28 Chapters are Preaching's Task in a New Millennium Feeding God's People Preaching the Feasts of the Lord and the Hunger for Wholeness Preaching Within the Sacramental Rites and the Hunger for Meaning Preaching Through the Saints and the Hunger for Belonging I The Saints Preaching Through the Saints and the Hunger for Belonging II Mary and Cultivating the Preacher's Hunger To Make the Gospel Known and Loved James A Wallace CSsR PhD is professor of homiletics at Washington Theological Union His previous works include Preaching Through the Saints and The Ministry of Lectors published by The Liturgical Press He has also authored numerous articles and has given preaching conferences and workshops in the U S and abroad

Spiritual Hunger and Thirst Godsword Godswill Onu, 2015-03-07 The Bible says that blessed are those who hunger and thirst for righteousness for they shall be satisfied Matt 5:6 If you have spiritual hunger and thirst you will be filled Many people have intense passion for things of this world but have no passion for things of God Many don't have the Fear of God in them Many people profess to know and love God with their mouths but their hearts are very far away from God There are those who are born again but don't have strong passion hunger or thirst for Things of God and of the Spirit Many Believers live with the attitude Let whatever is to be be This is why many people will find it uninteresting to pray and read their Bible Many Believers are even ashamed of testifying about Jesus Christ

Broken Bread Tilly Dillehay, 2020-06-02 God Cares More About How You Eat than What You Eat Christians should have their heads on straight about food but too often our eating is complicated by burdens and rules by diets and dependencies So how can we keep a spiritually healthy view of what we eat Should Christians stop eating white sugar Does the Bible ask us to go paleo Most questions about food aren't really about nutrition but about how we understand God In Broken Bread Christian Book Award winner Tilly Dillehay challenges us to abandon the concept of good and bad foods and instead offers a way to celebrate food without obsession make healthy choices without bondage to rules feed our families without feeling frazzled find satisfaction without using food as an emotional crutch This isn't another diet book You won't find any system or plan for eating but rather a joyful call to develop a vision of Christ that informs the way you eat Take delight in food again and discover a feast for today that whispers of the eternal feast to come
