R. Keith Whitt, and French L. Arrington, Editors, 2012-09-19 **Going Full Circle** Mark Powers, 2013-07-03 In the grip of serious numerical decline American Evangelical churches are now experiencing a missional movement God is calling his people to return to a biblical lifestyle that goes full circle in continual worship discipleship and missions Mark Powers connects the dots between these three main elements of authentic Christian living He presents a theology of missional worship a detailed discipleship plan and a strategy for local music missions *Going Full Circle* uses everyday language to present a simple thought process to move worshipers and worship leaders to become worshipping disciples on mission Are you a casualty of worship wars Are you worried about the decline of your church Are you thrilled with fast growth churches but sense there must be something more than spectator worship Are you confused by the word missional that seems to be popping up everywhere This book is for you and your friends Read it share it and join the movement **Unlimiting God** Richard Blackaby, 2010-05-26 People have their limits Some choose to ignore them God's power and love have no limits So why do Christians put limits on their relationship with Him We could be pursuing greater knowledge experiencing deeper intimacy and abiding in freer joy and yet we routinely settle for mediocrity in our spiritual lives But if you are ready to explode your self imposed limits Dr Richard Blackaby can guide you through powerful and passionate insights revealed in this new book By contrasting mediocrity with the spirituality of the great heroes of the faith Dr Blackaby shows you that you need not settle for less than God intends for you God can do extraordinary things through ordinary people like you but only when you allow Him to enlarge your spiritual capacity and overcome your self imposed limits I hope this book inspires you to aim for a new level of walking with God I want you to reach heights in your spiritual life that you never dreamed were possible to experience God working through your life in a powerful new dimension to hear words from God that will dramatically change your life and your world I want to help you blow past any limitations you have set for yourself in your Christian life Dr Richard Blackaby *Pitchin' A Fit!* Israel Wayne, Brook Wayne, 2016-02-18 Parenting comes with stresses that can make the most laid back among us feel irritable frustrated and angry Even parents who sincerely love their children sometimes use the wrong methods of anger and frustration in an attempt to control their children But angry parenting doesn't just weaken relationships between parents and their children it can over time destroy them Few parents set out to become yelling meanies who no longer enjoy their children Yet many feel stuck unable to pull themselves out of their ugly habits This book Provides practical and biblical solutions to get to the other side of the issue Gives hope and freedom from the tyranny of stressed out and angry parenting Offers solutions that are ideal for any family If anger is in your home even in small ways this book is for you It is time to replace that anger with something more powerful patience and peace Israel and Brook share candidly from their experience as parents **Transforming Pastoral Leadership** Quentin P. Kinnison, 2016-05-20 For many congregations change creates discomfort Pastoral leaders are often expected to be experts who manage and control realities beyond their expertise experience and ability That expectation a product of modern approaches to leadership views

the pastor as responsible for maintaining the status quo Transforming Pastoral Leadership responds to this context by challenging readers to rediscover key biblical themes around the shepherding metaphor as well as key theological themes steeped in our historical faith narratives Readers are challenged to consider the origins of our dominant leadership practices and to reconsider how Christ's preeminence as the leader of his church requires us to reconstruct leadership practices that are faithful to his preeminence To assist congregations Transforming Pastoral Leadership suggests two processes that might help congregations discern God's missional promptings as they move forward into God's future and experience conflict as opportunities for transformation
