C. Sproul,Archie Parrish,Jonathan Edwards,2008-01-14 A

key figure during the Great Awakening Jonathan Edwards wrote this important discourse *The Distinguishing Marks of a Work of the Spirit of God* in 1741 just after the revival had reached its peak In his thorough exploration of the true and false signs of revival drawn from 1 John 4 Edwards concludes that while a movement may be accompanied by excesses and questionable actions these signs do not necessarily disqualify it as authentic In a refreshing way Edwards embraces a genuine enthusiasm in these manifestations while stressing the need for biblical discernment His critique is kind and gentle as he points to the true marks of revival love and humility In *The Spirit of Revival* Parrish makes Edwards's entire work more accessible by modernizing the text and adding explanatory notes R C Sproul's extended introduction compares the great theologian's time to our own and the preface by Edwards's contemporary William Cooper rings resoundingly to the people of God today Edwards's message provides more than just insight into the Great Awakening It is a map to follow for all revivals in all times

Seasons of Refreshing Keith Hardman, 1994 Now at last a full length treatment of revivals in America from the earliest settlement to the present Instead of focusing narrowly on an isolated period or specific evangelist *Seasons of Refreshing* traces the entire development of modern mass evangelism and the spiritual awakenings associated with it After a brief review of the church's growth from Pentecost to the Puritans the author leads us on an errand in the wilderness and examines the early harvests under Stoddard Frelinghuysen Edwards Whitefield and the Wesleys Finney Moody Sunday all forming an unbroken chain leading up to the present activities of Billy Graham and Luis Palau *Victorian Religious Revivals* David Bebbington, 2012-05-31 Revivals are outbursts of religious enthusiasm in which there are numerous conversions In this book the phenomenon of revival is set in its broad historical and historiographical context David Bebbington provides detailed case studies of awakenings that took place between 1841 and 1880 in Britain North America and Australia showing that the distinctive features of particular revivals were the result less of national differences than of denominational variations These revivals occurred in many places across the globe but revealed the shared characteristics of evangelical Protestantism Bebbington explores the preconditions of revival giving attention to the cultural setting of each episode as well as the form of piety displayed by the participants No single cause can be assigned to the awakenings but one of the chief factors behind them was occupational structure and striking instances of death were often a precipitant Ideas were far more involved in these events than historians have normally supposed so that the case studies demonstrate some of the main patterns in religious thought at a popular level during the Victorian period Laymen and women played a disproportionate part in their promotion and converts were usually drawn in large numbers from the young There was a trend over time away from traditional spontaneity towards more organised methods sometimes entailing interdenominational co operation **Revival Fires and Awakenings, Thirty-Six Visitations of the Holy Spirit** Mathew Backholer, 2018-01-31 Updated in 2020 *Revival Fires and Awakenings* features thirty six of the most powerful revivals and awakenings from world history as well as little known visitations of the Holy Spirit These revivals span eighteen countries on six continents and

whilst each move of God is different the author reveals the common characteristics and reoccurring experiences which come to the fore during times of God's showers of blessing Throughout the book there is a watermark and undercurrent of the influences of the British Awakening 1739 1791 and the Welsh Revival 1904 1905 and how Christians were stirred and encouraged by past visitations of the Holy Spirit or encouraged and inspired by the lives of revivalists to see the blessing of revival in their own town or nation Read about the glorious workings of God during times of heavenly visitations Revived Christians saved sinners transformed communities and nations healings physical phenomena conviction of sin miracles signs and wonders deliverance from demons prayer and intercession Including visions and prophecies of revival for the United Kingdom and beyond Learn from the past be challenged for today and be inspired for the future **Revival Culture**

Michael Brodeur, Banning Liebscher, 2013-01-17 We all want revival We talk about it pray for it and devise every evangelism strategy imaginable We read about the Great Awakening and recall the Jesus Movement And today we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the earth But are we ready Revival Culture is an inspirational biblical and empowering manual for the next generation of revivalists Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding California and through Jesus Culture that goes beyond slogans and high hopes to actually reaching They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event This is the full picture of revival culture
